information on the cover sheet and not in the body of your comments and you must identify this information as ''confidential.'' Any information marked as ''confidential'' will not be disclosed except in accordance with 21 CFR 10.20 and other applicable disclosure law. For more information about FDA's posting of comments to public dockets, see 80 FR 56469, September 18, 2015, or access the information at: *https://www.govinfo.gov/content/pkg/FR-2015-09-18/pdf/2015-23389.pdf.*

Docket: For access to the docket to read background documents or the electronic and written/paper comments received, go to *https://www.regulations.gov* and insert the docket number, found in brackets in the heading of this document, into the ''Search'' box and follow the prompts and/or go to the Dockets Management Staff, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852, 240–402–7500.

You may submit comments on any guidance at any time (see 21 CFR 10.115(g)(5)).

Submit written requests for single copies of the guidance to the Policy and Regulations Team, Center for Veterinary Medicine, Food and Drug Administration, 5001 Campus Drive, College Park, MD 20740. Send one self-addressed adhesive label to assist that office in processing your requests. See the **SUPPLEMENTARY INFORMATION** section for electronic access to the draft guidance document.

FOR FURTHER INFORMATION CONTACT: Cindy L. Burnsteel, Center for Veterinary Medicine, Food and Drug Administration, 5001 Campus Drive, College Park, MD 20740, 240–402–5661.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of August 28, 2026, FDA published a notice announcing the availability of a draft guidance for industry GFI #256B titled ''Compounding Animal Drugs from Bulk Drug Substances: Compounding under CGMP in Federally-Registered Facilities'' with a 90-day comment period. Interested persons were originally given until November 27, 2026, to comment on the draft guidance.

The Agency received requests for an extension of the comment period for the draft guidance. After considering the requests, FDA is extending the comment period for the draft guidance for 90 days, until February 25, 2027. The Agency believes that a 90-day extension, in addition to the original 90-day comment period, allows adequate time for interested persons to review the draft guidance, consider the associated questions, and submit comments to FDA.

Grace R. Graham,

Deputy Commissioner for Policy, Legislation, and International Affairs.

BILLING CODE 4164–01–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

National Vaccine Injury Compensation Program; List of Petitions Received

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.

FOR FURTHER INFORMATION CONTACT: For information about requirements for filing petitions, and the Program in general, contact Lisa L. Reyes, Clerk of Court, United States Court of Federal Claims, 717 Madison Place NW, Washington, DC 20005, (202) 357–6400. For information on HRSA's role in the Program, contact the Director, Division of Injury Compensation Programs, 5600 Fishers Lane, Room 14W–17, Rockville, Maryland 20857; 1–800–338–2382, or visit our website at: *https://www.hrsa.gov/vaccine-compensation.*

SUPPLEMENTARY INFORMATION: The Program provides a system of no-fault compensation for certain individuals who have been injured by specified childhood vaccines. Subtitle 2 of Title XXI of the PHS Act, 42 U.S.C. 300aa–10 *et seq.,* provides that those seeking compensation are to file a petition with the United States Court of Federal Claims and to serve a copy of the petition to the Secretary of HHS, who is named as the respondent in each proceeding. The Secretary has delegated this responsibility under the Program to HRSA. The Court is directed by statute to appoint special masters who take evidence, conduct hearings as appropriate, and make initial decisions as to eligibility for, and amount of, compensation.

A petition may be filed with respect to injuries, disabilities, illnesses, conditions, and deaths resulting from vaccines described in the Vaccine Injury Table (the Table) set forth at 42 CFR 100.3. This Table lists for each covered childhood vaccine the conditions that may lead to compensation and, for each condition, the time period for occurrence of the first symptom or manifestation of onset or of significant aggravation after vaccine administration. Compensation may also be awarded for conditions not listed in the Table and for conditions that are manifested outside the time periods specified in the Table, but only if the petitioner shows that the condition was caused by one of the listed vaccines.

Section 2112(b)(2) of the PHS Act, 42 U.S.C. 300aa–12(b)(2), requires that ''[w]ithin 30 days after the Secretary receives service of any petition filed under section 2111 the Secretary shall publish notice of such petition in the **Federal Register**.'' Set forth below is a list of petitions received by HRSA on October 1, 2026, through October 31, 2026. This list provides the name of the petitioner, city, and state of vaccination (if unknown then the city and state of the person or attorney filing the claim), and case number. In cases where the Court has redacted the name of a petitioner and/or the case number, the list reflects such redaction.

Section 2112(b)(2) also provides that the special master ''shall afford all interested persons an opportunity to submit relevant, written information'' relating to the following:

1. The existence of evidence ''that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition,'' and

2. Any allegation in a petition that the petitioner either:

a. ''[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition not set forth in the Vaccine Injury Table but which was caused by'' one of the vaccines referred to in the Table, or

b. ''[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition set forth in the Vaccine Injury Table the first symptom or manifestation of the onset or significant aggravation of which did not occur within the time period set forth in the Table but which was caused by a vaccine'' referred to in the Table.

In accordance with Section 2112(b)(2), all interested persons may

submit written information relevant to the issues described above in the case of the petitions listed below. Any person choosing to do so should file an original and three copies of the information with the Clerk of the United States Court of Federal Claims at the address listed above (under the heading **FOR FURTHER INFORMATION CONTACT**), with a copy to HRSA addressed to Director, Division of Injury Compensation Programs, Health Systems Bureau, 5600 Fishers Lane, 14W–17, Rockville, Maryland 20857. The Court's caption (*Petitioner's Name* v. *Secretary of HHS*) and the docket number assigned to the petition should be used as the caption for the written submission. Chapter 35 of Title 44, United States Code, related to paperwork reduction, does not apply to information required for purposes of carrying out the Program.

Thomas J. Engels,

Administrator.

List of Petitions Filed

1. Riley K. Forbes-Walton, Greenwood, Indiana, Court of Federal Claims No: 26–1452V
2. Maria Quizhpilema on behalf of J.D.Q., Milford, Massachusetts, Court of Federal Claims No: 26–1453V
3. Debra Cyburt, Chesapeake, Virginia, Court of Federal Claims No: 26–1454V
4. Tara Wietecha, Rockland, Massachusetts, Court of Federal Claims No: 26–1457V
5. Doris Barroso Vicens, Guaynabo, Puerto Rico, Court of Federal Claims No: 26–1462V
6. Danielle McFarland, Dresher, Pennsylvania, Court of Federal Claims No: 26–1464V
7. Tammy Mullins, Greensboro, North Carolina, Court of Federal Claims No: 26–1465V
8. Dmitriy Krasnov and Nina Lyubarskaja on behalf of K.K., San Francisco, California, Court of Federal Claims No: 26–1466V
9. Francine Singleton, Grass Valley, California, Court of Federal Claims No: 26–1467V
10. Catherine Harms, Fort Collins, Colorado, Court of Federal Claims No: 26–1468V
11. Melinda Larson, New York, New York, Court of Federal Claims No: 26–1469V
12. Gary Smith, Panama City, Florida, Court of Federal Claims No: 26–1470V

BILLING CODE 4165–15–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–6552–N–02]

Waivers and Alternative Requirements for Community Development Block Grant Disaster Recovery (CDBG-DR) and Community Development Block Grant Mitigation (CDBG-MIT) Grantee

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This notice governs Community Development Block Grant disaster recovery (CDBG-DR) and Community Development Block Grant mitigation (CDBG-MIT) funds awarded under the appropriations acts identified below. In response to a grantee request, this notice provides a specific waiver and alternative requirement for the State of North Carolina for grants provided under the public laws cited herein.

DATES: *Applicability Date:* November 30, 2026.

FOR FURTHER INFORMATION CONTACT: William J. Silva, Director, Office of Disaster Recovery, U.S. Department of Housing and Urban Development, 451 7th Street SW, Room 7282, Washington, DC 20410, telephone number 202–708–3587 (this is not a toll-free number). HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities. To learn more about how to make an accessible telephone call, please visit: *https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs.* Email inquiries may be sent to *Disaster_Recovery@hud.gov.*

SUPPLEMENTARY INFORMATION:

I. Authority To Grant Waivers

Public Laws 115–123 and 116–20 authorize the Secretary to waive or specify alternative requirements for any provision of any statute or regulation the Secretary administers in connection with the obligation by the Secretary, or use by the recipient, of grant funds, except for requirements related to fair housing, nondiscrimination, labor standards, and the environment. HUD may also exercise its regulatory waiver authority under 24 CFR 5.110, 91.600, and 570.5.

The waiver and alternative requirement authorized in this notice is based upon a determination by the Secretary that good cause exists, and a determination by the Secretary that the waiver or alternative requirement is not inconsistent with the overall purposes of Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*) (HCDA). The basis for the waiver and alternative requirement is summarized in this notice.

II. Waiver and Alternative Requirement for Consultation With a Citizen Advisory Committee for the State of North Carolina's CDBG-MIT Grants for 2016 and 2018 Disasters

The Department received a request and justification of good cause from the State of North Carolina to waive the second paragraph of section V.A.3.c. of the notice published in 84 FR 45838 on August 30, 2019 (''the August 2019 Notice''), which requires CDBG-MIT grantees to form one or more citizen advisory committees. These committees are required to meet at least twice a year and solicit and respond to public comments and input, providing increased transparency to the public on the use of the CDBG-MIT allocation, and serving as an on-going public forum to continuously inform the grantee's CDBG-MIT projects and programs.

This waiver and alternative requirement, as further described below, applies to the following CDBG-MIT grants allocated to the State: (1) the allocation for disasters occurring in 2016 and 2018, funded by Public Law 115–123; and (2) the allocation for a disaster occurring in 2018, funded by Public Law 116–20. Both allocations are subject to the requirements published in 84 FR 45838 on August 30, 2019; 85 FR 60821 on September 28, 2020; and 86 FR 569 on January 6, 2021.

This waiver request aligns with HUD's requirements included in the notice titled, *Common Application, Waivers, and Alternative Requirements for Community Development Block Grant Disaster Recovery Grantees: The Universal Notice,* published on January 8, 2025, at 90 FR 1754, as amended by Memorandums 25–02 [1] and 25–03 [2] (the ''Universal Notice''). Section III.A.6.a. of the Universal Notice does not require the use of citizen advisory committees but instead encourages their use as a means to gather feedback and recommendations from the public at least annually.

The August 2019 Notice requires that, following HUD's approval of the Action Plan, each grantee form one or more citizen advisory committees to meet in an open forum at least twice a year. The primary function of these groups is to provide increased transparency to the public on use of the CDBG-MIT funds by soliciting and responding to public comments and to serve as an on-going public forum to continuously provide input on the CDBG-MIT funded projects and programs. Citizen advisory committees could also be a part of the process to prepare the initial CDBG-MIT Action Plan submitted to HUD, although not expressly required.

The State of North Carolina reports that despite efforts to engage and support the citizen advisory committees, member participation and community involvement have declined over the last few years. As a result, these groups no longer serve their intended purpose. To maintain the committees, the State made good faith attempts to increase attendance and participation, including widely advertising meetings through multiple channels. Despite these efforts, committee member attendance and participation continue to decline, often resulting in meetings
