

Mr. Daryl Legg, Region IV, Oklahoma representative;

Ms. Winona Whitman, Region VI, Native Hawaiian representative; and  
Chairman Michael Hunter, Other Disciplines.

All members listed above are eligible for nomination.

Grantee representatives from the six ETA regions (including those designated as Pub. L. 102–477 grantees) may only submit nominations for individuals residing in their ETA region. Grantees from any ETA region may nominate individuals for Other Disciplines who reside in any ETA region. In order to meet the FACA requirement of a fairly balanced membership, individuals will also be nominated to represent Alaska Natives and Native Hawaiians in Region VI in addition to nominations for Region VI. Due to the number of tribes and the concentration of American Indians in Oklahoma, individuals will be nominated to represent the State of Oklahoma in addition to nominations for Region IV.

In submitting nominations, please consider the nominee's availability to attend and actively participate in Council meetings (a minimum of two meetings annually), willingness to serve on Council workgroups, and ability to provide feedback to the grantee community. Communication between the Council member and his or her constituency is essential to the partnership between the Department and the Indian and Native American communities. Nominations must include:

- Whether the nomination is for the May 11, 2018, vacancy or the November 14, 2018, vacancy;

- Nomination category (e.g., ETA Region, Native Hawaiian representative, Alaska Native representative, Oklahoma representative, or representative for Other Disciplines). Those nominating a regional representative must reside in the same region as the nominee;

- Name;
- Title;
- Organization;
- Address;
- City, State, and Zip Code;
- Email;
- Phone Number;
- If nominated for Other Disciplines, specify Discipline;

- Nominator's Name;
- Organization;
- City, State;
- Signature and Date;
- Verification that the nominee formally accepted the nomination, and, for purposes of vetting, the nominee's date of birth is required;
- Signature and Date;

- A copy of the biographical information and resume of the nominee; and

- A cover letter that provides the reason(s) for nominating the individual and their particular expertise in the areas of workforce development, secondary and post-secondary education, healthcare, human services, veteran services, or business and economic development. In addition, the cover letter must state that the nomination is in response to this **Federal Register** Notice and that the nominee (if someone other than oneself) has accepted the nomination. We have provided an optional form for convenience. Download at [https://doleta.gov/dinap/pdf/NAETC\\_Nomination\\_Form.pdf](https://doleta.gov/dinap/pdf/NAETC_Nomination_Form.pdf).

### SUPPLEMENTARY INFORMATION:

#### Public Comment Procedures

We are publishing notice of records schedules in which agencies propose to dispose of records they no longer need to conduct agency business. We invite public comments on these records schedules, as required by 44 U.S.C. 3303a(a), and list the schedules at the end of this notice by agency and subdivision requesting disposition authority.

In addition, this notice lists the organizational unit(s) accumulating the records or states that the schedule has agency-wide applicability. It also provides the control number assigned to each schedule, which you will need if you submit comments on that schedule. We have uploaded the records schedules and accompanying appraisal memoranda to the [regulations.gov](https://www.regulations.gov) docket for this notice as “other” documents. Each records schedule contains a full description of the records at the file unit level as well as their proposed disposition. The appraisal memorandum for the schedule includes information about the records.

We will post comments, including any personal information and attachments, to the public docket unchanged. Because comments are public, you are responsible for ensuring that you do not include any confidential or other information that you or a third party may not wish to be publicly posted. If you want to submit a comment with confidential information or cannot otherwise use the [regulations.gov](https://www.regulations.gov) portal, you may contact [request.schedule@nara.gov](mailto:request.schedule@nara.gov) for instructions on submitting your comment.

We will consider all comments submitted by the posted deadline and consult as needed with the Federal agency seeking the disposition authority. After considering comments, we will post on [regulations.gov](https://www.regulations.gov) a “Consolidated Reply” summarizing the comments, responding to them, and noting any changes we have made to the proposed records schedule. We will then send the schedule for final approval by the Archivist of the United States. You may elect at [regulations.gov](https://www.regulations.gov)

to receive updates on the docket, including an alert when we post the Consolidated Reply, whether or not you submit a comment. You may request additional information about the disposition process through the contact information listed above.

We will post schedules on our website in the Records Control Schedule (RCS) Repository, at <https://www.archives.gov/records-mgmt/rcs>, after the Archivist approves them. The RCS contains all schedules approved since 1973.

### Background

Each year, Federal agencies create billions of records. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval. Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. The records schedules authorize agencies to preserve records of continuing value in the National Archives or to destroy, after a specified period, records lacking continuing administrative, legal, research, or other value. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

Agencies may not destroy Federal records without the approval of the Archivist of the United States. The Archivist grants this approval only after thorough consideration of the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value. Public review and comment on these records schedules is part of the Archivist's consideration process.
