Docket Numbers: RP19-1109-000.

Description: Joint Petition for Limited Waivers of Capacity Release Regulations and Policies, et al. of GenOn Wholesale Generation, LP, et al. under RP19-1109.

Filed Date: 4/3/19.

¹ Burden is defined as the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. For further explanation of what is included in the information collection burden, refer to 5 CFR 1320.3.

² The estimates for cost per response are derived using the formula: Average Burden Hours per Response * 79.00 per hour = Average Cost per Response. The hourly cost figure comes from the FERC average salary plus benefits of \$164,820 per year (or \$79.00/hour). These estimates were

updated in May 2018. This figure is being used because the staff thinks industry is similarly situated in terms of average hourly cost.
