CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Privacy Act of 1974; System of Records

AGENCY: Corporation for National and Community Service.

ACTION: Notice of a modified system of records.

SUMMARY: The Freedom of Information Act (FOIA) gives the public the right to access many types of records which are maintained by a Federal agency. The Privacy Act gives the public the right to access and amend many types of records about themselves which are maintained by a Federal agency. In accordance with the Privacy Act, the Corporation for National and Community Service (CNCS) Office of General Counsel proposes to modify and rename a current CNCS system of records, *Freedom of Information Act and Privacy Act Request Files—Corporation-12* (67 FR 4395, 4406, January 30, 2002), to include substantive changes and modifications described in detail in the supplementary section.

CNCS uses the system of records to:

1. Track, process, and respond to CNCS's FOIA and Privacy Act inquiries and any disputes involving those inquiries (collectively, "Requests");
2. Create reports about those Requests for oversight and reporting purposes; and
3. Execute other responsibilities related to FOIA and the Privacy Act.

The records in the system, stored in both paper and electronic form include, but are not limited to: FOIA and Privacy Act requests, follow-up correspondence, documents created to prepare responses, redacted and unredacted copies of responsive records, and final responses.

DATES: You may submit comments until May 30, 2019. This System of Records Notice (SORN) will be effective May 31, 2019 unless CNCS receives any timely comments which would result in a contrary determination.

ADDRESSES: You may submit comments, identified by system name and number, to CNCS via any of the following methods:

1. Electronically through *regulations.gov*.

Once you access *regulations.gov*, locate the web page for this SORN by searching for *CNCS-02-OGC-FOIA/PA—Freedom of Information Act (FOIA)/Privacy Act (PA) Request Files*. If you upload any files, please make sure they include your first name, last name, and the name of the proposed SORN.

2. By email at *privacy@cns.gov*.

3. *By mail:* Corporation for National and Community Service, Attn: Chief Privacy Officer, OIT, 250 E St. SW, Washington, DC 20525.

4. By hand delivery or courier to CNCS at the address for mail between 9:00 a.m. and 4:00 p.m. Eastern Standard Time, Monday through Friday, except for Federal holidays.

Please note that all submissions received may be posted without change to *regulations.gov*, including any personal information.

FOR FURTHER INFORMATION CONTACT: If you have general questions about the system of record, you can email them to *FOIA@cns.gov* or mail them to the address in the **ADDRESSES** section above. Please include the system of record's name and number.

SUPPLEMENTARY INFORMATION: This notice serves to update and modify CNCS's system of records notice titled "CORPORATION-12" to incorporate changes to the system, include more details, and conform to SORN template requirements prescribed in Office of Management and Budget Circular No. A-108. The substantive changes and modifications to the currently published version of CORPORATION-12 include:

1. Renumbering and renaming the SORN as *CNCS-02-OGC-FOIA/PA—Freedom of Information Act (FOIA)/Privacy Act (PA) Request Files*.
2. Stating that the records in the system are Unclassified.
3. Updating all addresses to reflect the system's new location.
4. Expanding the purpose of the system to manage all aspects of the FOIA and Privacy Act Request process.
5. Stating that the system may also include information about individuals who help fulfill a Request or are referenced in the requested records.
6. Replacing the current set of routine uses with new and modified routine uses that are specific to the system.
7. Stating that records may also be retrieved by the name of the individual who filed a Request.
8. Revising the retention and disposal section to reflect updated guidance from the National Archives and Records Administration.
9. Revising the safeguards section to reflect updated cybersecurity guidance and practices.

10. Updating the record access, contesting record, and notification procedures to inform individuals that they may email or fax an inquiry, establish a more efficient process, and clarify what individuals should include in an inquiry.

CNCS determined that these changes are the most efficient, logical, taxpayer-friendly, and user-friendly method of complying with the publication requirements of the Privacy Act. The subject records reflect a common purpose, common functions, and common user community. This Notice of a Modified Systems of Records, as required by 5 U.S.C. 552a, also fully complies with all Office of Management and Budget policies.

- a. Responding to a suspected or confirmed breach or
- b. Preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

13. To the National Archives and Records Administration (NARA) as needed to assist CNCS with records management, conduct inspections of CNCS's records management practices, and carry out other activities required by 44 U.S.C. 2904 and 2906.
