

Attn: Alexandria Long, 3500 Defense Pentagon, Washington, DC 20301-3500 or email osd.pentagon.ousd-a-s.mbx.a-s.asd-sustainment-fo@mail.mil.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Technical Assistance for Public Participation (TAPP) Application; DD Form 2749; OMB Control Number 0704-0392.

Needs and Uses: The information collection requirement is necessary to identify products or services requested by community members of restoration advisory boards or technical review committees to aid in their participation in the Department of Defense's environmental restoration program, and to meet Congressional reporting requirements.

Affected Public: Individuals or households.

Annual Burden Hours: 200.
Number of Respondents: 25.
Responses per Respondent: 2.
Annual Responses: 50.
Average Burden per Response: 4 hours.

Frequency: On occasion.

Respondents are community members of restoration advisory boards or technical review committees requesting technical assistance to interpret scientific and engineering issues regarding the nature of environmental hazards at an installation. This assistance will assist communities in participating in the cleanup process. The information, directed by 10 U.S.C. 2705, will be used to determine the eligibility of the proposed project, begin the procurement process to obtain the requested products or services, and determine the satisfaction of community members of restoration advisory boards and technical review communities receiving the products and services.

Dated: April 30, 2019.

Aaron T. Siegel,

Alternate OSD Federal Register, Liaison Officer, Department of Defense.

BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID DOD-2019-HA-0051]

Proposed Collection; Comment Request

AGENCY: Office of the Assistant Secretary of Defense for Health Affairs, DoD.

ACTION: Information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Uniformed Services University of the Health Sciences announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by July 2, 2019.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Chief Management Officer, Directorate for Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Office of Accreditation and Organizational Assessment, Uniformed Services University of the Health Sciences, ATTN: Brian Rimm, 4301 Jones Bridge Rd., Bethesda, MD 20814 or call at 301-295-3681.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Applicant Record System Records; OMB Control Number 0720-XXXX.

Needs and Uses: The information collection requirement is necessary to allow the Uniformed Services University of the Health Sciences to

review admission applications and select students. Also used as a management tool for statistical analysis, tracking, reporting, evaluating program effectiveness and conducting research.

Affected Public: Individuals or households.

Frequency: Annually.

Supplemental Application

Annual Burden Hours: 10,350.
Number of Respondents: 2,070.
Responses per Respondent: 1.
Annual Responses: 2,070.
Average Burden per Response: 5 hours.

Preference Form

Annual Burden Hours: 62.1.
Number of Respondents: 2,070.
Responses per Respondent: 1.
Annual Responses: 2,070.
Average Burden per Response: 0.03 hours.

Update Sheet

Annual Burden Hours: 517.5.
Number of Respondents: 2,070.
Responses per Respondent: 1.
Annual Responses: 2,070.
Average Burden per Response: 0.25 hours.

Acceptance & Degree Form

Annual Burden Hours: 165.6.
Number of Respondents: 2,070.
Responses per Respondent: 1.
Annual Responses: 2,070.
Average Burden per Response: 0.08 hours.

Graduation Education Application

Annual Burden Hours: 200.
Number of Respondents: 200.
Responses per Respondent: 1.
Annual Responses: 200.
Average Burden per Response: 1 hour.
Total Burden Hours: 11,295.2.
Total Number of Respondents: 2,270.
Total Annual Responses: 2,270.

The information collection requirement is necessary for use by the Admissions Committee to select the annual class of 171 medical students. The majority of medical schools use the American Medical College Application Service. A secondary application is utilized for the school to gain further information from the applicant. Approximately 3,200 applications are received annually and take 30 hours to complete. This application process accounts for 96,000 of the reported annual burden hours.

This information collection is also necessary for the Graduate Education Office (GEO) to select its incoming students. The application is completed through a single online application.

GEO receives approximately 200 applications annually which each take 1 hour, for a total of 200 annual burden hours.

Dated: April 30, 2019.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Intent To Prepare a Supplemental Draft Environmental Impact Statement for the Nebraska Highway 12 (N-12) Niobrara East and West Project

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of intent.

SUMMARY: The U.S. Army Corps of Engineers (Corps) is preparing a Supplemental Draft Environmental Impact Statement (SDEIS) to analyze the direct, indirect, and cumulative effects of a proposed transportation project, the Niobrara East and West Project. Construction of the proposed Project is expected to result in temporary and permanent impacts to jurisdictional waters of the United States, thereby requiring a Clean Water Act section 404 permit proposed by the Nebraska Department of Transportation (NDOT). NDOT proposes to rehabilitate two segments of N-12 east and west of Niobrara, between Verdell and Santee Spur 54-D (S-54D) in Knox County, Nebraska. A Draft EIS for this project was released on October 9, 2015. A public open house and hearing was held on November 9, 2015. After the public comment period ended, NDOT elected to withdraw its Section 404 permit application on November 20, 2015. Since that time, NDOT has developed a modified project purpose and need, and alternatives responsive to this purpose and need.

DATES: Written comments for scoping will be accepted until May 24, 2019.

ADDRESSES: Questions and comments regarding the proposed action and SDEIS should be addressed to Becky Latka, Regulatory Field Support, U.S. Army Corps of Engineers, 1616 Capitol Ave., Omaha, NE 68102.

FOR FURTHER INFORMATION CONTACT: Becky Latka, (402) 995-2681; Rebecca.J.Latka@usace.army.mil.

SUPPLEMENTARY INFORMATION: NDOT's stated project purpose is to rehabilitate

the existing roadway and to maximize utilization of existing transportation infrastructure and right-of-way, to improve the safety and reliability of the roadway, and bring the roadway up to current NDOT design standards for a major arterial highway. The project is needed due to ongoing risk of flooding, unreliable operations, and interruptions to regional connectivity.

The Corps is requesting scoping comments on the Project, preliminary alternatives, the NEPA compliance process, and to solicit input on the issues and alternatives to be evaluated and other related matters. Additional information and links related to the EIS can be found at <https://www.nwo.usace.army.mil/Missions/Regulatory-Program/Nebraska/EIS-Highway-12/>.

The Corps has invited the U.S. Environmental Protection Agency, National Park Service, U.S. Fish and Wildlife Service, the Federal Highway Administration, and Knox County to continue as cooperating agencies in the formulation of the EIS. Additionally, the Corps has invited the Nebraska Department of Environmental Quality and the Nebraska Department of Game and Parks to continue to serve as participating agencies during the preparation of the EIS.

The SDEIS will be prepared according to the Corps' procedures for implementing the National Environmental Policy Act (NEPA) of 1969, as amended, 42 U.S.C. 4332(2)(c), and consistent with the Corps' policy to facilitate public understanding and review of agency proposals. As part of the EIS process, a full range of reasonable alternatives, including the proposed Project and no action, will be evaluated.

John L. Moesch,

Nebraska State Program Manager, Regulatory Branch.

BILLING CODE 3720-58-P

DEPARTMENT OF EDUCATION

Applications for New Awards; Comprehensive Literacy State Development Program

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice.

SUMMARY: The Department of Education is issuing a notice inviting applications for new awards for fiscal year (FY) 2019 for the Comprehensive Literacy State Development (CLSD) program, Catalog

of Federal Domestic Assistance (CFDA) number 84.371C. This notice relates to the approved information collection under OMB control number 1894-0006.

DATES:

Applications Available: May 3, 2019.

Deadline for Transmittal of Applications: June 3, 2019.

Deadline for Intergovernmental Review: August 1, 2019.

ADDRESSES: For the addresses for obtaining and submitting an application, please refer to our Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the **Federal Register** on February 13, 2019 (84 FR 3768), and available at www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf.

FOR FURTHER INFORMATION CONTACT:

Cindy Savage, U.S. Department of Education, 400 Maryland Avenue SW, Room 3E230, Washington, DC 20202-6450. Telephone: (202) 453-5998. Email: cindy.savage@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1-800-877-8339.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Comprehensive Literacy State Development (CLSD) program awards competitive grants to advance literacy skills, through the use of evidence-based practices, activities and interventions, including pre-literacy skills, reading, and writing, for children from birth through grade 12, with an emphasis on disadvantaged children, including children living in poverty, English learners (as defined in this notice), and children with disabilities (as defined in this notice).

Background: The fiscal year 2019 competition for new CLSD awards fully transitions the program to the Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act (ESEA). We have, therefore, focused this year's competition very closely on the requirements in the statute. In addition, we have included two competitive preference priorities that highlight key policy ideas on which we would like to see States focus their literacy plans or encourage eligible subgrant applicants to focus their local literacy plans. First, we give competitive preference to projects that would include evidence-based family literacy strategies as a key
