III. What is the agency’s authority for taking this action?

Section 6(f)(1) of FIFRA (7 U.S.C. 136d(f)(1)) provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, the EPA Administrator may approve such a request.

IV. Procedures for Withdrawal of Request

Registrants who choose to withdraw a request for use termination must submit such withdrawal in writing to the person listed under **FOR FURTHER INFORMATION CONTACT**, postmarked before March 27, 2015, for the requests that the registrants requested to waive the 180-day comment period. This written withdrawal of the request for use termination will apply only to the applicable FIFRA section 6(f)(1) request listed in this notice. If the products have been subject to a previous use termination action, the effective date of termination and all other provisions of any earlier termination action are controlling.
