Certain Pasta From Italy: Final Results of Countervailing Duty Administrative Review; 2012

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) conducted an administrative review of the countervailing duty (CVD) order on certain pasta from Italy. On August 25, 2014, we published the Preliminary Results for this administrative review.1 The period of review (POR) is January 1, 2012 through December 31, 2012. We find that DeMatteis Agroalimentare S.p.A. (also known as, De Matteis Agroalimentare SpA) (DeMatteis) received countervailable subsidies during the POR, and that Fratelli DeCocci di Filippo Fara San Martino S.p.A. (also known as, F.Lli De Cecchi Filippo Fara San Martino S.p.A.) (DeCocci) received de minimis countervailable subsidies during the POR. As such, we are applying DeMatteis’ rate to the other firms subject to this review that were not individually examined.

DATES: Effective Date: March 2, 2015.

FOR FURTHER INFORMATION CONTACT: Sergio Balbontin or Joshua Morris, AD/CVD Operations, Office I, Enforcement and Compliance, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–6478 or (202) 482–1779, respectively.

SUPPLEMENTARY INFORMATION:

Background
In the Preliminary Results, we deferred our analysis of certain programs to a post-preliminary analysis. On October 30, 2014, we issued a post-preliminary analysis memorandum.2 We invited interested parties to file case briefs and rebuttal briefs following the release of the post-preliminary analysis memorandum. Only the Government of Italy (the GOI) filed a case brief.

Scope of the Order
The scope of the Order consists of certain pasta from Italy. The merchandise subject to the order is

currently classifiable under items 1901.90.95 and 1902.19.20 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise is dispositive. A full description of the scope of the Order is contained in the “Issues and Decision Memorandum for Final Results of Countervailing Duty Administrative Review: Certain Pasta from Italy,” from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated February 23, 2015 (Issues and Decision Memorandum), and hereby adopted by this notice.

The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov and available to all parties in the Central Records Unit, room 7046 of the main Department building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frn/index.html. The signed and electronic versions of the Issues and Decision Memorandum are identical in content. A list of topics discussed in the Issues and Decision Memorandum is provided in the Appendix to this notice.

**Methodology**

We have conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, i.e., a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. In making these findings, we have relied, in part, on an adverse inference in selecting from among the facts otherwise available because we find that the GOI did not act to the best of its ability to respond to our requests for information regarding certain programs.

DeMatteis reported that it made export sales of pasta to the United States through an unaffiliated trading company, Agritalia S.R.L. (Agritalia), during the POR. In the Preliminary Results, we stated our intent to re-examine the approach we used regarding subsidies to Agritalia in the Tenth Administrative Review, and we solicited comments in that regard. We received no comments on this issue.

Pursuant to 19 CFR 351.213(b) and 19 CFR 351.221(b), Agritalia is not a respondent in this review because a review was not requested for Agritalia. However, pursuant to 19 CFR 351.525(c), benefits from subsidies provided to a trading company which exports subject merchandise shall be cumulated with benefits from subsidies provided to the firm that is producing the subject merchandise that is sold through the trading company, regardless of whether the trading company and the producing firm are affiliated. Thus, for these final results, we are cumulating the benefits from subsidies received by Agritalia with the benefits from subsidies received by DeMatteis based on the percentage of DeMatteis’ exports of subject merchandise to the United States that were made through Agritalia during the POR.

**Final Results of the Review**

In accordance with 19 CFR 351.221(b)(5), we calculated individual subsidy rates for the mandatory respondents, DeMatteis and DeCecco.

Three respondents were not selected for individual review: Ghigi Industria Agroalimentare in San Clemente srl, Pasta Granoro S.R.L. (also known as, Pastificio Attilio Mastromauro Granoro S.R.L), and Valdigrano di Flavio Pagani S.R.L. For these non-selected respondents, we assigned the CVD rate calculated for DeMatteis because it is the only rate calculated in this review that is not de minimis. As such, we find the net countervailable subsidy rate for the producers and/or exporters under review to be as follows:

<tr>
<th>Producer/exporter</th>
<th>Net subsidy rate</th>

<tbody>

**Assessment Rates**

Consistent with 19 CFR 351.212(b)(2), we intend to issue assessment instructions to the U.S. Customs and Border Protection (CBP) fifteen days after the date of publication of these final results. We will instruct CBP to assess countervailing duties on POR entries in the amounts shown above, except for entries of merchandise produced and/or exported by DeCecco, which will be liquidated without regard to countervailing duties because its subsidy rate is de minimis.

**Cash Deposit Requirements**

In accordance with section 751(a)(1) of the Act, we intend to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown above on shipments of subject merchandise entered, or withdrawn from the United States.
from warehouse, for consumption on or after the date of publication of the final results of this review, except that cash deposits of zero percent will be required for entries from DeCecco because its subsidy rate is de minimis. For all non-reviewed companies (except Barilla G. e R. F. Ili S.p.A. and Gruppo Agricoltura Sanasrl., which are excluded from the order,11 and Pasta Lensi S.r.l., which was revoked from the Order),12 we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company. Accordingly, the cash deposit rates that will be applied to companies covered by the Order, but not examined in this review, are those established in the most recently completed segment of the proceeding for each company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.
