EXPORT-IMPORT BANK OF THE UNITED STATES

[Public Notice 2015-0706]

Agency Information Collection Activities: Comment Request

AGENCY: Export-Import Bank of the United States.

ACTION: Submission for OMB review and comments request.

Form Title: EIB 92-50 Short-Term Multi-Buyer Export Credit Insurance Policy Applications (ST Multi-Buyer).

SUMMARY: The Export-Import Bank of the United States (Ex-Im Bank) is requesting an emergency approval for form EIB 92-50, Short-Term Multi-Buyer Export Credit Insurance Policy Applications (ST Multi-Buyer), in order to enhance the identification and classification of small businesses, as well as minority-, woman-, and veteran-owned businesses. The Bank will subsequently proceed with the regular authorization request for this form as required by the Paperwork Reduction Act of 1995.

This collection of information is necessary, pursuant to 12 U.S.C. Sec. 635(a)(1), to determine eligibility of the applicant for Ex-Im Bank assistance.

The Application for Short-Term Multi-Buyer Export Credit Insurance Policy will be used to determine the eligibility of the applicant and the transaction for Export-Import Bank assistance under its insurance program. Export-Import Bank customers will be able to submit this form on paper or electronically.

The Export-Import Bank has made a change to the report to have the

applicant provide their number of employees or annual sales volume. That information is needed to determine whether or not they meet the SBA's definition of a small business. The applicant already provides their name, address and industry code (NAICS). These additional pieces of information will allow Ex-Im Bank to better track the extent to which its support assists U.S. small businesses.

The other change that Ex-Im Bank has made is to require the applicant to indicate whether it is a minority-owned business, women-owned business and/or veteran-owned business. Although answers to the questions are mandatory, the company may choose any one of the three answers: Yes/No/Decline to Answer. The option of "Decline to Answer" allows a company to consciously decline to answer the specific question should they not wish to provide that information.

The application tool can be reviewed at: <http://www.exim.gov/pub/pending/eib92-50.pdf>.

DATES: Comments must be received on or before March 9, 2015 to be assured of consideration.

ADDRESSES: Comments may be submitted electronically on www.regulations.gov or by mail to Michele Kuester, Export-Import Bank of the United States, 811 Vermont Ave. NW., Washington, DC 20571.

47 CFR 73.1212 requires a broadcast station to identify at the time of broadcast the sponsor of any matter for which consideration is provided. For advertising commercial products or services, generally the mention of the name of the product or service constitutes sponsorship identification. In the case of television political advertisements concerning candidates for public office, the sponsor shall be identified with letters equal to or greater than four (4) percent of the vertical height of the television screen that airs for no less than four (4) seconds. In addition, when an entity rather than an

individual sponsors the broadcast of matter that is of a political or controversial nature, licensee is required to retain a list of the executive officers, or board of directors, or executive committee, etc., of the organization paying for such matter. Sponsorship announcements are waived with respect to the broadcast of "want ads" sponsored by an individual but the licensee shall maintain a list showing the name, address and telephone number of each such advertiser. These lists shall be made available for public inspection.

47 CFR 73.1212(e) states that, when an entity rather than an individual sponsors the broadcast of matter that is of a political or controversial nature, the licensee is required to retain a list of the executive officers, or board of directors, or executive committee, etc., of the organization paying for such matter in its public file. Pursuant to the changes contained in 47 CFR 73.1212(e) and 47 CFR 73.3526(e)(19), this list, which could contain personally identifiable information, would be located in a public inspection file to be located on the Commission's Web site instead of being maintained in the public file at the station. Burden estimates for this change are included in OMB Control Number 3060-0214.

47 CFR 76.1615 states that, when a cable operator engaged in origination cablecasting presents any matter for which money, service or other valuable consideration is provided to such cable television system operator, the cable television system operator, at the time of the telecast, shall identify the sponsor. Under this rule section, when advertising commercial products or services, an announcement stating the sponsor's corporate or trade name, or the name of the sponsor's product is sufficient when it is clear that the mention of the name of the product constitutes a sponsorship identification. In the case of television political advertisements concerning candidates for public office, the sponsor shall be identified with letters equal to or greater than four (4) percent of the vertical height of the television screen that airs for no less than four (4) seconds.

47 CFR 76.1715 state that, with respect to sponsorship announcements that are waived when the broadcast/ origination cablecast of "want ads" sponsored by an individual, the licensee/operator shall maintain a list showing the name, address and telephone number of each such advertiser.
