

prior CBOE proposed rule change was published for the entire 21 day comment period, and no comments were received.¹⁸ In addition, the instant proposed rule change was published for a 15-day comment period to ensure that the public had an opportunity to review the proposal in its current form and no comments were received on the instant filing. Finally, the Commission notes that the Exchange represents that it has been in communication with TPHs about the changes proposed in the instant filing and implementation issues since August 19, 2014, and has provided training on a Floor Broker Workstation (“FBW”) to support the combo indicator and the entry of complex orders with up to twelve legs.¹⁹

Accordingly, the Commission finds that good cause exists for approving the proposed rule change on an accelerated basis.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²⁰ that the

proposed rule change (File No. SR-CBOE-2015-011) be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²¹

Jill M. Peterson,
Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

In the Matter of Adex Media, Inc. et al.; Order of Suspension of Trading

March 2, 2015.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of each of the issuers detailed below because questions have arisen as to their

operating status, if any. Each of the issuers below is quoted on OTC Link operated by OTC Markets Group, Inc. OTC Markets Group, Inc., however, has been unable to contact each of these issuers for more than one year. In addition, the staff of the Securities and Exchange Commission has independently endeavored to determine whether any of the issuers below are operating. Each of the issuers below either confirmed that they were no longer operating or were now private companies, failed to respond to the Commission’s inquiry about their operating status, did not have an operational address, or failed to provide their registered agent with an operational address. The staff of the Securities and Exchange Commission also determined that none of the issuers below has filed any information with OTC Markets Group, Inc. or the Securities and Exchange Commission for the past year.
