Large Residential Washers From Mexico: Preliminary Results of the Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2012-2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on large residential washers from Mexico. The period of review (POR) is August 3, 2012, through January 31, 2014. This review covers two companies, Electrolux Home Products Corp. N.V. and Electrolux Home Products de Mexico, S.A. de C.V. (collectively, Electrolux) and Samsung Electronics Mexico S.A. de C.V. (Samsung). We preliminarily determine that Electrolux made sales of subject merchandise at less than normal value. SUPPLEMENTARY INFORMATION:**Scope of the Order**

The products covered by the order are all large residential washers and certain subassemblies thereof from Mexico. The products are currently classifiable under subheadings 8450.20.0040 and 8450.20.0080 of the Harmonized Tariff System of the United States (HTSUS). Products subject to this order may also enter under HTSUS subheadings 8450.11.0040, 8450.11.0080, 8450.90.2000, and 8450.90.6000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive.¹

Methodology

The Department conducted this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

Preliminary Determination of No Shipments

Based on our analysis of U.S. Customs and Border Protection (CBP) information and information provided by Samsung, we preliminarily determine that Samsung had no shipments of the subject merchandise, and, therefore, no reviewable transactions, during the POR. For a full discussion of this determination, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, the Department preliminarily determines that the following weighted-average dumping margin exists for Electrolux for the period August 3, 2012, through January 31, 2014:

Producer/exporter	Weighted-average dumping margin (percent)
Electrolux Home Products Corp. NV/Electrolux Home Products de Mexico, S.A. de C.V.	4.48

Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce. Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. If a hearing is requested, the Department will notify interested parties of the hearing schedule. Issues raised in the hearing will be limited to those raised in the case and rebuttal briefs. All documents must be filed electronically using ACCESS.

The Department intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any such comments, within 120 days of publication of these preliminary results, unless the deadline is extended.⁷

Assessment Rate

Upon issuance of the final results, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212. The Department intends to issue assessment instructions to CBP 41 days after the date of publication of the final results of this review.

Electrolux reported the names of the importers of record and the entered value for all of its sales to the United States during the POR. If Electrolux's weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent), we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).⁸ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

The Department clarified its "automatic assessment" regulation on

⁷ See section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

⁸ In these preliminary results, the Department applied the assessment rate calculation method in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

May 6, 2003.⁹ If applicable, this clarification will apply to entries of subject merchandise during the POR produced by Electrolux, for which it did not know that its merchandise was destined for the United States. Furthermore, this clarification applies to all POR entries entered under the case number for Samsung if we continue to make a final determination of no shipments of subject merchandise because it certified that it made no POR shipments of subject merchandise for which it had knowledge of U.S. destination. In such instances, we will instruct CBP to liquidate these entries at the all-others rate established in the less-than fair-value (LTFV) investigation, 36.52 percent,¹⁰ if there is no rate for the intermediary involved in the transaction. See *Assessment Policy Notice* for a full discussion of this clarification.

Cash Deposit Requirements

The following deposit requirements will remain effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication as provided in section 751(a)(1) of the Act: (1) The cash deposit rate for Electrolux will be that rate established in the final results of this review; (2) for previously investigated companies not covered in this review, the cash deposit rate will continue to be the rate published for the LTFV investigation; (3) if the exporter is not a firm covered in this review, or the LTFV investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; (4) if neither the exporter nor the manufacturer is a firm covered in this review or the LTFV investigation, the cash deposit rate will continue to be the all-others rate established in the LTFV investigation, which is 36.52 percent.¹¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.
