

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR parts 165 as follows:

## PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T09–0130 to read as follows:

### § 165.T09–0130 Safety Zone; St. Patrick's Day Fireworks, Manitowoc River, Manitowoc, Wisconsin.

(a) *Location.* All waters of the Manitowoc River within a 200 foot radius of an approximate launch position at 44°05.492' N, 087°39.332' W (NAD 83).

(b) *Effective and enforcement period.* This zone is effective and will be enforced from 6 p.m. until 8:30 p.m. on March 13, 2015.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or her designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Lake Michigan or her designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port Lake Michigan is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Lake Michigan to act on her behalf.

(4) Vessel operators desiring to enter or operate within the safety zone must contact the Captain of the Port Lake Michigan or her on-scene representative to obtain permission to do so. The Captain of the Port Lake Michigan or her on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Lake Michigan or her on-scene representative.

Dated: March 2, 2015.

**A.B. Cocanour,**

*Captain, U.S. Coast Guard, Captain of the Port Lake Michigan.*

**BILLING CODE 9110–04–P**

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 117

[Docket No. USCG–2015–0109]

### Drawbridge Operation Regulations; Hackensack River, Jersey City, NJ

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of deviation from drawbridge regulation.

**SUMMARY:** The Coast Guard has issued a temporary deviation from the operating schedule that governs the operation of the Port Authority Trans-Hudson (PATH) railroad bridge across the Hackensack River, mile 3.0, at Jersey City, New Jersey. This deviation is necessary to allow the bridge owner to replace rails and ties at the bridge. This deviation allows the bridge to remain closed on Saturday and Sunday for twenty six consecutive weekends.

**DATES:** This deviation is effective from April 4, 2015 through September 27, 2015.

**ADDRESSES:** The docket for this deviation, [USCG–2015–0109] is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12–140, on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC, 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary deviation, call or email Mr. Joe M. Arca, Project Officer, First Coast Guard District, telephone (212) 514–4336, [joe.m.arca@uscg.mil](mailto:joe.m.arca@uscg.mil). If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366–9826.

**SUPPLEMENTARY INFORMATION:** The PATH railroad bridge across the Hackensack River, mile 3.0, at Jersey City, New Jersey, has a vertical clearance in the closed position of 40 feet at mean high water and 45 feet at mean low water. The existing bridge operating regulations are found at 33 CFR 117.723.

The waterway is transited by seasonal recreational vessels and commercial vessels of various sizes.

The bridge owner, Port Authority Trans-Hudson (PATH), requested a

temporary deviation from the normal operating schedule to facilitate structural repairs, replacement of the rails and ties, at the bridge.

Under this temporary deviation, the PATH railroad bridge may remain in the closed position for twenty six weekends, between 12:01 a.m. on Saturdays through 12:01 a.m. on Mondays from April 4, 2015 through September 27, 2015.

There are no alternate routes for vessel traffic; however, the vertical clearance at the bridge is 40 feet at mean high water and 45 feet at mean low water, which should allow most vessels that normally transit this bridge to pass under the closed draws during this repair period. The bridge may be opened in the event of an emergency.

The Coast Guard will inform the users of the waterways through our Local and Broadcast Notice to Mariners of the change in operating schedule for the bridges so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: February 23, 2015.

**C.J. Bisignano,**

*Supervisory Bridge Management Specialist, First Coast Guard District.*

**BILLING CODE 9110–04–P**

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 165

[Docket No. USCG–2015–0098]

RIN 1625–AA00

### Safety Zone; State Route 520 Bridge Construction, Lake Washington; Seattle, WA

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone on Lake Washington around the east span of the State Route 520 Bridge in Seattle, Washington for the construction of the new bridge. The safety zone is necessary to ensure the safety of the maritime public and workers involved in the bridge construction. The safety zone will prohibit any person or vessel from

entering or remaining in the safety zone unless authorized by the Captain of the Port or his Designated Representative.

**DATES:** This rule is effective without actual notice from March 13, 2015 until May 30, 2015. For the purposes of enforcement, actual notice will be used from the date the rule was signed, February 18, 2015, until March 13, 2015.

**ADDRESSES:** Documents mentioned in this preamble are part of docket USCG–2015–0098. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email BM2 Ryan Griffin, Waterways Management Division, Coast Guard Sector Puget Sound; Coast Guard; telephone (206) 217–6323, email [SectorPugetSoundWWM@uscg.mil](mailto:SectorPugetSoundWWM@uscg.mil). If you have questions on viewing or submitting material to the docket, call Barbara Hairston, Program Manager, Docket Operations, telephone (202) 366–9826.

#### SUPPLEMENTARY INFORMATION:

#### Table of Acronyms

DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of Proposed Rulemaking

#### A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because publishing an NPRM would be impracticable as delayed promulgation may result in injury or damage to the maritime public, vessel crews, the vessels themselves, and the facilities

prior to conclusion of a notice and comment period.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date until 30 days after publication would be contrary to public interest, as this delay would eliminate the safety zone’s effectiveness and usefulness in protecting persons, property, and the safe navigation of maritime traffic before 30 days have elapsed.

#### B. Basis and Purpose

Coast Guard Captains of the Port are granted authority to establish safety and security zones in 33 CFR 1.05–1(f) for safety and environmental purposes, described in 33 CFR part 165.

The State Route 520 Bridge is the longest floating bridge in the world that has a span of 1.4 miles across Lake Washington and is supported by 33 pontoons.

The State Route 520 Bridge is being replaced, and those efforts include upgrading the bridge’s floating pontoons for larger ones. During the bridge replacement project, construction barges will occasionally need to block the waterway that runs beneath the east span of the bridge. As a result, the Coast Guard is establishing a temporary safety zone which is necessary to ensure the safety of the maritime public and workers involved in the bridge construction.

#### C. Discussion of the Final Rule

The Coast Guard is establishing a safety zone which encompasses all waters within 100 yards of the east span of the State Route 520 Bridge, located on Lake Washington at the following point: 47°38’16.4” N, 122°14’31.4” W.

Vessels wishing to enter the zone must request permission for entry by contacting the Joint Harbor Operations Center at 206–217–6001. Once permission for entry is granted vessels must proceed at a minimum speed for safe navigation.

#### D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

##### 1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving

Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. This rule is not a significant regulatory action as the safety zone is both limited in size and duration.

##### 2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit the affected waterway during the period mentioned. This safety zone will not have a significant economic impact on a substantial number of small entities because the zone established in this rule is limited in size and duration.

##### 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### 4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3State Route 520).

#### 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

#### 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

#### 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### 8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

#### 9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

#### 10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

#### 11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### 12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

#### 13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

#### 14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a 100 yard temporary safety zone around the east span of the State Route 520 Bridge. The rule will prevent any vessel from approaching within 100 yards of the east span during periods of construction with permission of the Captain of the Port. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

## PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for Part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1

■ 2. Add § 165.T13–283 to read as follows:

### § 165.T13–283 Safety Zone; State Route 520 Bridge, Lake Washington; Seattle, WA.

(a) *Location.* The following areas are designated as a safety zone: All waters within 100 yards of the east span of the State Route 520 Bridge, located on Lake Washington at the following point: 47°38′16.4″ N, 122°14′31.4″ W.

(b) *Regulations.* In accordance with the general regulations in 33 CFR part 165, subpart C, vessels wishing to enter the zone must request permission for entry by contacting the Joint Harbor Operation Center at 206–217–6001. Once permission for entry is granted vessels must proceed at a minimum speed for safe navigation.

(c) *Dates.* This rule will be enforced on days during which construction operations occur, from 3 a.m. to 11 a.m., or until the construction barge has departed from the waterway under the east span, starting on February 18, 2015, until May 30, 2015.

Dated: February 18, 2015.

**M. W. Raymond,**

*Captain, U.S. Coast Guard, Captain of the Port, Puget Sound.*

## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 52

[EPA–R05–OAR–2014–0123; FRL–9922–71–Region 5]

### Approval and Promulgation of Air Quality Implementation Plans; Illinois; Amendments to Gasoline Vapor Recovery Requirements for Illinois

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is approving a state implementation plan (SIP) revision submitted by the Illinois Environmental Protection Agency (IEPA) on January 17, 2014, concerning the state’s gasoline vapor recovery requirements. The
