SUPPLEMENTARY INFORMATION: This document announces FRA's establishment of an electronic mailbox to receive petitions for waivers, certain petitions for special approvals and exemptions from railroad safety rules and regulations, as well as block signal applications. The email address for this inbox is FRAWaivers@dot.gov. FRA anticipates providing a link on its Web page (www.fra.dot.gov) to this mailbox to further streamline the filing process. FRA created this electronic mailbox in order to streamline the filing process for certain documents typically filed in accordance with 49 CFR 211.7, *Filing Requirements*, including petitions for waiver of any FRA rule or regulation, applications for special approval under 49 CFR 211.55 or 238.21, restricted car approvals under 49 CFR 215.203, grandfathering approvals under 238.203, and signal applications under 49 CFR parts 235 and 236 (block signal applications). FRA is providing the flexibility for electronic filing of these petitions and applications also with the intent to avoid lost, misplaced, delayed, damaged or illegible hardcopy mail.

FRA requests that all railroad safety waiver and exemption requests, as well as block signal applications and special approval applications (including new requests, requests for extensions of existing waivers or approvals, or withdrawals, along with all supporting documentation), be submitted to either FRA's Docket Clerk at the address provided in 49 CFR 211.1(b)(4) in accordance with the existing requirements of 49 CFR 211.7 or to the above-referenced email address. FRA is providing for the electronic filing of waivers and other requests for regulatory relief traditionally filed in hard copy through FRA's Docket Clerk in order to increase the efficiency of the process both internally and externally. FRA anticipates following this notice with a rulemaking modifying the applicable procedural regulations (49 CFR part 211) to specifically provide for the electronic filing of the above-identified documents. In anticipation of this rulemaking, any interested party may submit comments regarding the use of this electronic mailbox for submission of railroad safety waiver and exemption requests, block signal applications, and special approval applications.
