Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the Federal Register and on the Department’s Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

85,784, Power Products, LLC., Menomonie Falls, Wisconsin.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

85,678, SST Truck Company, LLC., Garland, Texas.

I hereby certify that the aforementioned determinations were issued during the period of February 9, 2015 through February 20, 2015. These determinations are available on the Department’s Web site www.tradeact/taa/ taa_search_form.cfm under the searchable listing of determinations or by calling the Office of Trade Adjustment Assistance toll free at 888–365–6822.

Signed at Washington, DC this 9th day of March 2014.

Michael W. Jaffe,
Certifying Officer, Office of Trade Adjustment Assistance.
