DEPARTMENT OF TRANSPORTATION
Federal Aviation Administration

Notice of Request To Release Airport Property

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of Intent to Rule on Request to Release Airport Property at the Ottumwa Regional Airport (OTM), Ottumwa, Iowa.

SUMMARY: The FAA proposes to rule and invites public comment on the release of land, Lot #7, 14550 Terminal Ave., at the Ottumwa Regional Airport, Ottumwa, Iowa, under the provisions of 49 U.S.C. 47107(h)(2).

DATES: Comments must be received on or before April 17, 2015.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE–610C, 901 Locust Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: Tom Francis, Airport Manager, C/O Ottumwa Regional Airport 14802 Terminal St. Ottumwa, IA 52501, 641–683–0619.

FOR FURTHER INFORMATION CONTACT: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE–610C, 901 Locust Room 364, Kansas City, MO 64106, (816) 329–2644, lynnd.martin@faa.gov.

The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 2.80 acres of airport property, 14550 Terminal Ave., Lot #7, at the Ottumwa Regional Airport (OTM) under the provisions of 49 U.S.C. 47107(h)(2). On March 4, 2015, the Airport Manager at the Ottumwa Regional Airport requested from the FAA that approximately 2.80 acres of property, Lot #7, be released for sale to Friends of NAS Ottumwa for use as a museum for the Ottumwa Naval Air Station history. On March 12, 2015, the FAA determined that the request to release property at the Ottumwa Regional Airport (OTM) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Ottumwa Regional Airport (OTM) is proposing the release of one parcel, Lot #7, containing 2.80 acres, more or less.

The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at the Ottumwa Regional Airport (OTM) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)[B](i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at the Ottumwa Regional Airport.

Any person may inspect, by appointment, the request in person at the FAA office listed above under FOR FURTHER INFORMATION CONTACT. In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Ottumwa Regional Airport.

Issued in Washington, DC, pursuant to authority under 49 CFR 1.91.

Therese McMillan,
Acting Administrator.

BILLING CODE 4910–57–P

DEPARTMENT OF TRANSPORTATION
Federal Motor Carrier Safety Administration

[Docket No. FMCSA–2014–0303]
Qualification of Drivers; Exemption Applications; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of applications for exemptions, request for comments.

SUMMARY: FMCSA announces receipt of applications from 21 individuals for exemption from the vision requirement in the Federal Motor Carrier Safety Regulations. They are unable to meet the vision requirement in one eye for various reasons. The exemptions will enable these individuals to operate commercial motor vehicles (CMVs) in interstate commerce without meeting the prescribed vision requirement in one eye. If granted, the exemptions would enable these individuals to qualify as drivers of commercial motor vehicles (CMVs) in interstate commerce.

DATES: Comments must be received on or before April 17, 2015. All comments will be investigated by FMCSA. The exemptions will be issued the day after the comment period closes.

ADDRESSES: You may submit comments bearing the Federal Docket Management System (FDMS) Docket No. FMCSA–2014–0303 using any of the following methods:

• Federal eRulemaking Portal: Go to http://www.regulations.gov. Follow the on-line instructions for submitting comments.

• Mail: Docket Management Facility; U.S. Department of Transportation, 1200 New Jersey Avenue SE., West Building Ground Floor, Room W12–140, Washington, DC 20590–0001.

• Hand Delivery: West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE, Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

• Fax: 1–202–493–2251.

Instructions: Each submission must include the Agency name and the docket numbers for this notice. Note that all comments received will be posted without change to http://www.regulations.gov, including any personal information provided. Please see the Privacy Act heading below for further information.

Docket: For access to the docket to read background documents or comments, go to http://www.regulations.gov at any time or Room W12–140 on the ground level of the West Building, 1200 New Jersey Avenue SE, Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The FDMS is available 24 hours each day, 365 days each year. If you want acknowledgment that we received your comments, please include a self-addressed, stamped envelope or postcard or print the acknowledgement...
Mr. Gruszecki, 59, has had amblyopia in his right eye since childhood. The visual acuity in his right eye is 20/100, and in his left eye, 20/20. Following an examination in 2014, his optometrist stated, “I certify that in my medical opinion Mr. Gruszecki has sufficient vision to perform the driving tasks required to operate a commercial vehicle.” Mr. Gruszecki reported that he has driven tractor-trailer combinations for 28 years, accumulating 1,26 million miles. He holds an operator’s license from Illinois. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

Ronald J. Gruszecki

Mr. Gruszecki, 59, has had amblyopia in his right eye since childhood. The visual acuity in his right eye is 20/100, and in his left eye, 20/20. Following an examination in 2014, his optometrist stated, “Based on the vision testing Ronald should be able to perform the tasks required for his commercial license.” Mr. Gruszecki reported that he has driven straight trucks for 28 years, accumulating 1.26 million miles. He holds an operator’s license from Illinois. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

Gerald L. Harper

Mr. Harper, 66, has a displaced pupil in his right eye due to a traumatic incident during childhood. The visual acuity in his right eye is 20/50, and in his left eye, 20/20. Following an examination in 2014, his optometrist stated, “I certify that in my medical opinion Mr. Harper has sufficient vision to adequately perform the tasks necessary to operate a commercial vehicle at this time.” Mr. Harper reported that he has driven straight trucks for 2 years, accumulating 16,000 miles, and tractor-trailer combinations for 31 years, accumulating 3.1 million miles. He holds a Class A CDL from Missouri. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

Alan L. Helfer, Sr.

Mr. Helfer, 50, has had a cataract with amblyopia in his left eye since birth. The visual acuity in his right eye is 20/20, and in his left eye, 20/100. Following an examination in 2014, his optometrist stated, “I certify that in my medical opinion, patient has sufficient vision to perform the driving tasks required to operate a commercial vehicle.” Mr. Helfer reported that he has driven tractor-trailer combinations for 24 years, accumulating 1.44 million miles. He holds a Class AM CDL from Illinois. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

Steven R. Jones

Mr. Jones, 59, has had macular drusen in his left eye since 2005. The visual acuity in his right eye is 20/20, and in his left eye, 20/100. Following an examination in 2014, his optometrist stated, “RE: Commercial Driver’s License . . . I believe Steven can safely operate a motor vehicle. I am encouraged that he has already driven safely for over 10 years with his current state of visual ability.” Mr. Jones reported that he has driven straight trucks for 22 years, accumulating 514,800 miles. He holds a Class A CDL from Kansas. His driving record for the last 3 years shows no...
crashes and no convictions for moving violations in a CMV.

**William F. Laforse**

Mr. Laforse, 49, has had esotropia and ambylopaia in his left eye since birth. The visual acuity in his right eye is 20/20, and in his left eye, 20/50. Following an examination in 2014, his optometrist stated, “Has sufficient vision to perform daily tasks to operate a commercial vehicle.” Mr. Laforse reported that he has driven tractor-trailer combinations for three years, accumulating 63,000 miles. He holds a Class A CDL from Vermont. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Robert N. Lewis**

Mr. Lewis, 36, has had a retinal detachment in his right eye since 2008. The visual acuity in his right eye is no light perception, and in his left eye, 20/20. Following an examination in 2014, his optometrist certified that, in his medical opinion, Mr. Lewis has sufficient vision to perform the driving tasks required to operate a commercial vehicle. Mr. Lewis reported that he has driven straight trucks for 2.7 years, accumulating 3,200 miles. He holds an operator’s license from Ohio. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Ryan T. McKinney**

Mr. McKinney, 25, has had ambylopaia in his left eye since birth. The visual acuity in his right eye is 20/20, and in his left eye, 20/400. Following an examination in 2014, his optometrist stated, “Ryan has 20/20 vision binocular and has full field of vision in both eyes. This condition has been present since birth. I see no reason why Ryan McKinney should not be allowed to drive a commercial vehicle on the interstate.” Mr. McKinney reported that he has driven straight trucks for one year, accumulating 1,000 miles, and tractor-trailer combinations for 18 months, accumulating 130,000 miles. He holds a Class A CDL from Tennessee. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Freeman A. Miller**

Mr. Miller, 67, has had refractive ambylopaia in his right eye since childhood. The visual acuity in his right eye is 20/100, and in his left eye, 20/20. Following an examination in 2014, his optometrist stated, “In my medical opinion, I see no reason visually that he could not operate a commercial vehicle.” Mr. Miller reported that he has driven straight trucks for 17 years, accumulating 799,000 miles, and tractor-trailer combinations for 22 years, accumulating 1.98 million miles. He holds a Class A CDL from Ohio. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Larry G. Murray**

Mr. Murray, 67, has complete loss of vision in his right eye due to a traumatic incident in 2002. The visual acuity in his right eye is 20/25, and in his left eye, no light perception. Following an examination in 2014, his optometrist stated, “In my opinion patient has sufficient vision to perform the driving tasks required to operate a commercial vehicle.” Mr. Murray reported that he has driven tractor-trailer combinations for 40 years, accumulating 432,000 miles. He holds a Class A CDL from Louisiana. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Thomas W. Oberschlake**

Mr. Oberschlake, 50, has had ambylopaia in his right eye since childhood. The visual acuity in his right eye is 20/70, and in his left eye, 20/20. Following an examination in 2014, his optometrist certified that, in his medical opinion, Mr. Oberschlake has sufficient vision to perform the driving tasks required to operate a commercial vehicle. Mr. Oberschlake reported that he has driven straight trucks for 30 years, accumulating 45,000 miles. He holds an operator’s license from Ohio. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Dennis R. Ohl**

Mr. Ohl, 49, has had refractive ambylopaia in his right eye since birth. The visual acuity in his right eye is 20/50, and in his left eye, 20/20. Following an examination in 2014, his optometrist stated, “In general, based on his current visual status, I believe Dennis to be capable of safely operating a commercial vehicle.” Mr. Ohl reported that he has driven straight trucks for 7.5 years, accumulating 172,500 miles. He holds an operator’s license from Missouri. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Jeffrey A. Porter**

Mr. Porter, 56, has had hyperopia with ambylopaia in his left eye since childhood. The visual acuity in his right eye is 20/20, and in his left eye, 20/400. Following an examination in 2014, his optometrist stated, “R [sic] eye simple hyperopia L [sic] eye hyperopia w [sic] ambylopaia secondary to surgical correction for an eye turn as a child, patient is not monocular . . . Patient is able to operate a commercial vehicle.” Mr. Porter reported that he has driven straight trucks for 8 years, accumulating
160,000 miles. He holds a Class D CDL from Connecticut. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

**Marty J. Prouty**

Mr. Prouty, 55, has had a retinal detachment and a cataract in his left eye since birth. The visual acuity in his right eye is 20/20, and in his left eye, counting fingers. Following an examination in 2014, his ophthalmologist stated, “In my medical opinion, he has sufficient vision to operate a commercial motor vehicle.” Mr. Prouty reported that he has driven straight trucks for 20 years, accumulating 300,000 miles, tractor-trailer combinations for 38 years, accumulating 760,000 miles, and buses for one year, accumulating 1,000 miles. He holds a Class A CDL from Iowa. His driving record for the last 3 years shows one crash, for which he was cited for following too closely.

**Daniel A. Rau**

Mr. Rau, 54, has a retinal tear and calcification of cornea secondary to failed penetrating keratoplasty in his left eye due to a traumatic incident in 1986. The visual acuity in his right eye is 20/20, and in his left eye, no light perception. Following an examination in 2014, his ophthalmologist stated, “I certify that in my medical opinion Mr. Rau has sufficient vision with correction to perform driving tasks required to operate commercial vehicles.” Mr. Rau reported that he has driven straight trucks for 33 years, accumulating 907,500 miles, and tractor-trailer combinations for 30 years, accumulating 2.63 million miles. He holds a Class A CDL from New Jersey. His driving record for the last 3 years shows no crashes and no convictions for moving violations in a CMV.

### III. Public Participation and Request for Comments

FMCSA encourages you to participate by submitting comments and related materials.

**Submitting Comments**

If you submit a comment, please include the docket number for this notice, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online or by fax, mail, or hand delivery, but please use only one of these means. FMCSA recommends that you include your name and a mailing address, an email address, or a phone number in the body of your document so the Agency can contact you if it has questions regarding your submission.

To submit your comment online, go to [http://www.regulations.gov](http://www.regulations.gov) and put the docket number FMCSA–2014–0303 in the “Keyword” box, and click “Search.” When the new screen appears, click on “Comment Now!” button and type your comment into the text box in the following screen. Choose whether you are submitting your comment as an individual or on behalf of a third party and then submit. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the facility, please enclose a stamped, self-addressed postcard or envelope.

FMCSA will consider all comments and material received during the comment period and may change this notice based on your comments.

#### Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to [http://www.regulations.gov](http://www.regulations.gov) and insert the docket number FMCSA–2014–0303 in the “Keyword” box and click “Search.” Next, click “Open Docket Folder” button and choose the document listed to review. If you do not have access to the Internet, you may view the docket online by visiting the Docket Management Facility in Room W12–140 on the ground floor of the DOT West Building, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9 a.m. and 5 p.m., e.t., Monday through Friday, except Federal holidays.

Dated: March 11, 2015.

**Larry W. Minor,**

Associate Administrator for Policy.

### DEPARTMENT OF TRANSPORTATION

#### Federal Aviation Administration

**Hazardous Materials Safety Program**

**AGENCY:** Federal Aviation Administration

**ACTION:** Notice of Public Meeting.

**SUMMARY:** In preparation for the International Civil Aviation Organization’s (ICAO) Dangerous Goods Panel’s (DGP’s) meeting to be held April 27–May 1, 2015, in Montreal, Canada, the FAA’s Office of Hazardous Materials Safety and the Pipeline and Hazardous Materials Safety Administration’s (PHMSA) Office of Hazardous Materials Safety announce a public meeting.

**DATES:** The public meeting will be held on Thursday, April 23, 2015 from 9 a.m. until 12 p.m.

**ADDRESSES:** The public meeting will be held at FAA Headquarters (FOB 10A), Bessie Coleman Conference Center, 2nd Floor, 800 Independence Avenue SW., Washington, DC 20591.

Participants are requested to register by using the following email address: 9-AWA-ASH-ADG-HazMat@faa.gov.

Please include your name, organization, email address, and indicate whether you will be attending in person or participating via conference call. Conference call connection information will be distributed to those who register and indicate that they will participate via conference call.

**FOR FURTHER INFORMATION CONTACT:** Questions regarding the meeting can be directed to Ms. Janet McLaughlin, Deputy Director, Office of Hazardous Materials Safety, ADG–2, Federal Aviation Administration, 800 Independence Avenue SW., Washington, DC 20591; telephone (202) 267–9432. Email: 9-AWA-ASH-ADG-HazMat@faa.gov.

Questions in advance of the meeting for PHMSA can be directed to Mr. Shane Kelley, Assistant International Standards Coordinator, Pipeline and Hazardous Materials Safety Administration, PHH–10, 1200 New Jersey Ave. SE., Washington, DC 20590, telephone (202) 366–8553, Email: shane.kelley@dot.gov.

We are committed to providing equal access to this meeting for all participants. If you need alternative formats or other reasonable accommodations, please call (202) 267–9432 or email 9-AWA-ASH-ADG-HazMat@faa.gov with your request by close of business on April 15, 2015.

Information and viewpoints provided by stakeholders are requested as the United States delegation prepares for the International Civil Aviation Organization’s Dangerous Goods Panel’s (ICAO DGP’s) Working Group 2015 Meeting.

Papers relevant to this ICAO DGP meeting can be viewed at the following Web page: [http://www.icao.int/safety/DangerousGoods/Pages/DGP.aspx](http://www.icao.int/safety/DangerousGoods/Pages/DGP.aspx).

A panel of representatives from the FAA and PHMSA will be present. The meetings are intended to be informal, non-adversarial, and to facilitate the public comment process. No individual will be subject to questioning by any other participant. Conference call representatives on the panel may ask questions to clarify statements. Unless
