

make changes to the universe to reflect those places that have merged.

Failure to maintain the universe of permit-issuing places would result in deficient samples and inaccurate statistics. This in turn jeopardizes the accuracy of the above mentioned economic indicators. These indicators are closely monitored by the Board of Governors of the Federal Reserve System and other economic policy makers because of the sensitivity of the housing industry to changes in interest rates.

Affected Public: State, local or Tribal government.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13, United States Code, Sections 9(b), 161, and 182.

National Oceanic and Atmospheric Administration

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: STORMREADY®, STORMREADY/TsunamiReady™, AND STORMREADY® SUPPORTER Application Forms

OMB Control Number: 0648-0419.

Form Number(s): None.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 265.

Average Hours Per Response: Initial applications, 2 hours; renewal applications, 1 hour.

Burden Hours: 505.

Needs and Uses: StormReady and TsunamiReady are voluntary programs offered as a means of providing guidance and incentive to officials interested in improving their respective hazardous weather operations. The StormReady Application Form, Tsunami-Ready Application Form and TsunamiReady/StormReady Application Form are used by localities to apply for initial StormReady or TsunamiReady and StormReady recognition and renewal of that recognition every six years. The government will use the information collected to determine whether a community has met all of the criteria to receive StormReady and/or TsunamiReady recognition. In addition, businesses, schools, non-profit organizations and other non-governmental entities often establish severe weather safety plans and actively promote severe weather safety awareness activities but may not have the resources necessary to fulfill all the eligibility requirements to achieve the full StormReady recognition. These entities may apply through the StormReady Supporter program for recognition.

Affected Public: Business or other for-profit organizations; not for profit institutions; state, local or tribal governments.

Frequency: One time or every six years.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395-5806.

Dated: March 19, 2015.

National Institute of Standards and Technology

Notice of Public Workshop on Quantum Information Science and the Needs of U.S. Industry

AGENCY: National Institute of Standards and Technology (NIST), Commerce.

ACTION: Notice of public workshop.

SUMMARY: The National Institute of Standards and Technology announces a workshop on Quantum Information Science and the Needs of U.S. Industry, to be held on Friday, April 10, 2015. NIST is holding this workshop on behalf of the Interagency Working Group on Quantum Information Science of the National Science and Technology Council (NSTC) Committee on Science (CoS) Subcommittee on Physical Sciences (PSSC). The purpose of the workshop is to solicit input from stakeholders about the broader needs of the industrial community in the area of quantum information science (QIS). Topics to be discussed include opportunities for research and development, emerging market areas, barriers to near-term and future applications, and workforce needs. Information gathered at this workshop will be used in the development and coordination of U. S. Government policies, programs, and budgets to advance U.S. competitiveness in QIS.

DATES: The Workshop on Quantum Information Science and the Needs of Industry will be held on Friday, April 10, 2015 from 9 a.m. to 5 p.m. Eastern Time. Attendees must register by 5:00 p.m. Eastern Time on April 3, 2015.

ADDRESSES: The workshop will be held at NIST, 100 Bureau Dr., Gaithersburg, MD, 20899. Please note admittance instructions under the **SUPPLEMENTARY INFORMATION** section of this notice.

FOR FURTHER INFORMATION CONTACT: For further information contact Gail Newrock, Carl Williams, or Claire Cramer by email at qisiwg@nist.gov, or Gail Newrock by phone at (301) 975-3200. To register, go to: <http://www.nist.gov/pml/div684/quantum-information-science-innovation-and-the-path-forward.cfm>. Additional information about the workshop will be available at this web address as the workshop approaches.

SUPPLEMENTARY INFORMATION: Twenty years of research and development work in QIS is producing the first niche applications, and there is an increasing level of international activity in the field. The Interagency Working Group in QIS was chartered in October 2014 to develop and coordinate policies, programs, and budgets to take advantage of recent progress in this area and position the United States as a leader in the international research community. The Interagency Working Group includes participants from the Departments of Commerce, Defense, and Energy; the Office of the Director of National Intelligence; and the National Science Foundation. The purpose of the workshop on Quantum Information
