

the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a phone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, type the docket number [USCG–2015–0046] in the “SEARCH” box and click “SEARCH.” Click on “Submit a Comment” on the line associated with this rulemaking. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

### 2. Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number (USCG–2015–0046) in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

### 3. Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

### 4. Public Meeting

As of now, we do not plan to hold a public meeting. You may submit a request for one using one of the three methods specified under **ADDRESSES**. Please explain why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

### B. Basis and Purpose

The Snake Creek Bridge in Islamorada, Florida, owned by the Florida Department of Transportation, has a vertical clearance of 27 feet in the closed position. The normal operating schedule as published in 33 CFR 117.331 is—“The draw of the Snake Creek bridge, at Islamorada, Florida, shall open on signal, except that from 8 a.m. to 4 p.m., the draw need open only on the hour and half-hour.” This schedule has been in effect since 2001.

For the following reasons the Coast Guard is testing a new schedule for the Snake Creek Bridge:

1. As reported by village and city councils, vessel traffic has negatively impacted Islamorada and surrounding communities. This temporary deviation is intended to test a new bridge operation schedule to reduce vehicular traffic caused by bridge openings during peak travel times.

2. On January 8–10, 2013, the Florida Department of Transportation conducted a traffic monitoring study 1400 feet south of the Snake Creek Bridge on US–1. The study found peak traffic volumes occurring at 08:45 a.m. and between 12:15 p.m. and 15:15 p.m.

The types of vessels navigating Snake Creek include sport fishing vessels and catamaran sailboats.

This deviation is effective from 8 a.m. on March 16, 2015 until 6 p.m. on July 14, 2015. This deviation will allow the Snake Creek Bridge in Islamorada, Florida to open on the top of the hour from 8 a.m. to 6 p.m.

During the test deviation, vessels may signal the bridge to open on the top of the hour from 8 a.m. to 6 p.m.

Any vessel that can safely transit under the Snake Creek Bridge while closed may continue to navigate under the bridge during this deviation.

As an alternate route, vessel operators may consider the use of Channel Five, a navigable channel above Long Key, Florida 5.7 nautical miles southwest of Snake Creek Bridge. The fixed US–1 bridge has a vertical clearance of 65 feet.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of this temporary deviation’s effective period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: March 6, 2015.

**Barry Dragon,**

*U.S. Coast Guard, Bridge Administrator,  
Seventh Coast Guard District.*

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 165

[Docket Number USCG–2015–0189]

RIN 1625–AA00

#### Safety Zone; Vessel Fire and Escort, Port of New York, NJ, NY

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone on the navigable waters of the Port of New York for the transit of the M/V GREY SHARK. This action is necessary to provide for the safety of life on navigable waters during the transit of the vessel in distress due to a shipboard fire and ongoing damage control operations. Entering into, transiting through, remaining, anchoring or mooring within this safety zone is prohibited unless authorized by the Captain of the Port (COTP) New York.

**DATES:** This rule is effective without actual notice from March 27, 2015 until April 1, 2015. For the purposes of enforcement, actual notice will be used from the date the rule was signed, March 18, 2015 until April 1, 2015.

**ADDRESSES:** Documents mentioned in this preamble are part of docket [USCG–2015–0189]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, contact LT Douglas Neumann, Waterways Management Division, Coast Guard Sector New York, (718) 354–4154, [Douglas.W.Neumann@uscg.mil](mailto:Douglas.W.Neumann@uscg.mil). If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366–9826.

NPRM Notice of Proposed Rulemaking

## A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the safety zone is required for an emergency response to escort the vessel into port after a shipboard fire, for which the Coast Guard had no advance notice. Therefore publishing an NPRM and taking public comments prior to issuing a rule would be impracticable and contrary to the public interest.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, delaying the effective date of this rule would be impracticable and contrary to the public interest.

## B. Basis and Purpose

The legal basis for this temporary rule is 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Public Law 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to define regulatory safety zones.

On March 17, 2015 U.S. Coast Guard Sector New York was made aware that the M/V Grey Shark intended to enter the Port of New York after suffering a shipboard fire and encountering rough weather. The M/V Grey Shark was placed under tow and escorted by the Coast Guard Cutter Seneca to Gravesend Bay Anchorage at the mouth of the Port of New York until the vessel proceeds to its final destination to safely mitigate the fire and ongoing damage control operations. After examination of the facts by Coast Guard personnel, it was determined by the Captain of the Port (COTP), Sector New York, that Coast Guard emergency response was necessary to protect the public and environment from a potential hazard to navigation.

## C. Discussion of the Temporary Final Rule

For the reasons discussed above, the COTP is establishing a temporary safety zone of 150 yards around the M/V Grey Shark as the vessel proceeds to its final destination to safely mitigate the fire and ongoing damage control operations. No vessel may enter, transit, moor, or anchor within safety zone during the period of enforcement unless authorized by the COTP or designated representative. The COTP will cause public notifications to be made by all appropriate means including but not limited to Broadcast Notice to Mariners.

## D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

### 1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The Coast Guard determined that this rule is not a significant regulatory action for the following reasons: The safety zone will be relatively short in duration and covers only a small portion of the navigable waterways. Furthermore, vessels may transit the navigable waterway outside of the safety zone. Moreover, vessels desiring entry into the safety zone may be authorized to do so by the COTP or a COTP’s designated representative. Advanced public notifications will also be made to the local maritime community by Broadcast Notice to Mariners.

### 2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a

significant economic impact on a substantial number of small entities.

This rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in Gravesend Bay Anchorage.

This safety zone would not have a significant economic impact on a substantial number of small entities for the following reasons. This safety zone would be activated, and thus subject to enforcement, for a limited period of time. Vessel traffic could pass safely around the safety zone.

### 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### 4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

### 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

## 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

## 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

## 8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

## 9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

## 10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

## 11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

## 12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations

That Significantly Affect Energy Supply, Distribution, or Use.

## 13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

## 14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1.

- 2. Add § 165.T01–0189 to read as follows:

#### § 165.T01–0189 Safety Zone; M/V Grey Shark, New York Harbor.

(a) *Location.* The following area is a safety zone: 150 yards from the M/V Grey Shark.

(b) *Effective and enforcement period.* This rule will be effective and enforced from 7:00 p.m. on March 17, 2015 to 11:59 p.m. on April 1, 2015.

(c) *Definitions.* The following definitions apply to this section: A

“designated representative” is any Coast Guard commissioned, warrant or petty officer of the U.S. Coast Guard who has been designated by the COTP, Sector New York, to act on his behalf. The designated representative may be on an official patrol vessel or may be on shore and will communicate with vessels via VHF–FM radio or loudhailer. “Official patrol vessels” may consist of any Coast Guard, Coast Guard Auxiliary, state, or local law enforcement vessels assigned or approved by the COTP Sector New York. In addition, members of the Coast Guard Auxiliary may be present to inform vessel operators of this regulation.

(d) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) In accordance with the general regulations in 33 CFR 165.23, entry into or movement within this zone is prohibited unless authorized by the Captain of the Port, New York.

(3) Operators of vessels desiring to enter or operate within the safety zone should contact the Sector New York Vessel Traffic Center via VHF channel 16 to obtain permission to do so.

(4) Any vessel given permission to enter or operate in the safety zone must comply with all directions given to them by the COTP Sector New York or a designated on-scene representative.

(5) Upon being hailed by a U.S. Coast Guard vessel by siren, radio, flashing light or other means, the operator of the vessel shall proceed as directed.

Dated: March 18, 2015.

**G. Loebel,**

*Captain, U.S. Coast Guard, Captain of the Port New York.*

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 165

[Docket No. USCG–2015–0067]

#### Annual Safety Zones in the Eighth Coast Guard District

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of enforcement of regulation.

**SUMMARY:** The Coast Guard will enforce the RiverFest fireworks safety zone on the Neches River in Port Neches, TX from 8:30 p.m. until 9:30 p.m. on May 2, 2015. This action is necessary to protect persons from the hazards associated with a fireworks display.
