

(17) In-Bond number (if an in-bond shipment).

(18) Bill Quantity (if bill of lading quantity is specified in the entry, it becomes the entered and released quantity for that bill. If the bill quantity is not specified, full bill quantity will be entered and released for that bill).

Data element (1) and data elements (6) through (12) are defined in the same manner as when they are used for entry filing on the CBP Form 3461. Data elements (2) through (5) and (13) through (15) are defined in accordance with the provisions of 19 CFR 149.3.

The ACE Cargo Release Data set may be filed at any time prior to arrival of the cargo in the United States port of arrival with the intent to unlade. This data fulfills merchandise entry requirements and allows for earlier release decisions and more certainty for the importer in determining the logistics of cargo delivery.

Functionality

Upon receipt of the ACE Cargo Release data, CBP will process the submission and will subsequently transmit its cargo release decision to the filer. If a subsequent submission is submitted to CBP, CBP's decision regarding the original submission is no longer controlling.

The merchandise will then be considered to be entered upon its arrival in the port with the intent to unlade, as provided by current 19 CFR 141.68(e).

V. Misconduct Under the Test

An ACE test participant may be subject to civil and criminal penalties, administrative sanctions, liquidated damages, and/or suspension from this test for any of the following:

Failure to exercise reasonable care in the execution of participant obligations.

Failure to abide by applicable laws and regulations.

Suspensions for misconduct will be administered by the Executive Director, Trade Policy and Programs, Office of International Trade, CBP Headquarters.

A written notice proposing suspension will be issued to the participant that apprises the participant of the facts or conduct warranting suspension and informs the participant of the date the suspension will begin. Any decision proposing suspension of a participant may be appealed in writing to the Assistant Commissioner, Office of International Trade within 15 calendar days of the notification date. An appeal of a decision of proposed suspension must address the facts or conduct charges contained in the notice and

state how compliance will be achieved. In cases of non-payment, late payment, willful misconduct or where public health interests or safety is concerned, a suspension may be effective immediately.
