

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Regulation G (17 CFR 244.100–244.102) under the Securities Exchange Act of 1934 (the “Exchange Act”) (15 U.S.C. 78a *et seq.*) requires publicly reporting companies that disclose or releases financial information in a manner that is calculated or presented other than in accordance with generally accepted accounting principles (“GAAP”) to provide a reconciliation of the non-GAAP financial information to the most directly comparable GAAP financial measure. Regulation G implemented the requirements of Section 401 of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7261). We estimate that approximately 14,000 public companies must comply with Regulation G approximately six times a year for a total of 84,000 responses annually. We estimated that it takes approximately 0.5 hours per response (84,000 × 0.5 hours) for a total reporting burden of 42,000 hours annually.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
