### Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), and based on the evidence provided by HHHFISH, we find that the request submitted by HHHFISH meets the requirements for initiation of the NSR for shipments of fish fillets from Vietnam produced and exported by HHHFISH.<sup>9</sup> The POR is August 1, 2014, through January 31, 2015.<sup>10</sup> Absent a determination that the case is extraordinarily complicated, the Department intends to issue the preliminary results of this NSR within 180 days from the date of initiation and the final results within 270 days from the date of initiation.<sup>11</sup>

In cases involving non-market economy countries, the Department requires a company seeking to establish eligibility for an AD rate separate from the country-wide rate to provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue a questionnaire to HHHFISH that will include a section requesting information with regard to HHHFISH's export activities for separate rate purposes. The review of HHHFISH will proceed if the response provides sufficient indication that it is not subject to either *de jure* and *de facto* government control with respect to its exports of fish fillets.

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from the requesting company in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because HHHFISH certified that it both produced and exported the subject merchandise, the sale of which is the basis for the NSR request, we will instruct CBP to permit the use of a bond only for subject merchandise which HHHFISH both produced and exported.

Interested parties requiring access to proprietary information in this NSR should submit applications for

disclosure under administrative protective order, in accordance with 19 CFR 351.305 and 19 CFR 351.306.

This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act, as well as 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: March 24, 2015.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

On October 31, 2014, the Department received a timely request from Sekisui Specialty Chemical America, LLC ("Sekisui") and Kuraray America Inc. ("Kuraray") (collectively, "Petitioners"), to conduct an administrative review of the antidumping duty order on polyvinyl alcohol ("PVA") from the People's Republic of China ("PRC") with regard to Sinopec Sichuan Vinylon Works ("SVW"). Based upon this request, on November 28, 2014, the Department of Commerce ("Department") initiated an administrative review of the antidumping duty order on PVA from the PRC with respect to SVW and covering the period of October 1, 2013, to September 30, 2014.<sup>1</sup> On February 25, 2015, Petitioners withdrew their request for review of SVW.<sup>2</sup>

#### **Rescission**

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an

administrative review, in whole or in part, if the parties that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Petitioners withdrew their request for review before the 90-day deadline, and no other party requested an administrative review of the antidumping duty order on PVA from the PRC for the period of review. Therefore, in response to Petitioners' withdrawal of their request for review and pursuant to 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

#### **Assessment**

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

#### **Notification to Importers**

This notice serves as the only reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### **Notification Regarding Administrative Protective Orders**

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations

and terms of an APO is a violation which is subject to sanction.

#### **Notification to Interested Parties**

This notice is issued and published in accordance with sections 751 and 777(i)(l) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
