DEPARTMENT OF TRANSPORTATION**Surface Transportation Board**

[Docket No. FD 35910]

Indiana Harbor Belt Railroad Company—Lease and Operation Exemption—Rail Line of Norfolk Southern Railway Company

Indiana Harbor Belt Railroad Company (IHB), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to lease from Norfolk Southern Railway Company, and to operate, a 0.87-mile line of railroad (including branch lines) known as the Old Hammond Industrial Track, between milepost UO 0.03 and milepost UO 0.9 (including the underlying right-of-way between milepost UO 0.06 and milepost UO 0.9) in Cook County, Ill.

IHB certifies that the projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier and will not exceed \$5 million. According to IHB, the lease does not contain any provision or agreement that may limit future interchange of traffic with a third-party connecting carrier.

The proposed transaction may be consummated on or after April 15, 2015, the effective date of this exemption (30 days after the verified notice was filed). If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed by April 8, 2015 (at least seven days prior to the date the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35910, must be filed with the Surface Transportation Board, 395 E Street SW.,

Washington, DC 20423-0001. In addition, a copy of each pleading must be served on applicant's representative, Roger A. Serpe, General Counsel, Indiana Harbor Belt Railroad Company, 55 W. Monroe Street Suite 1600, Chicago, IL 60603.

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2014-0216]

Qualification of Drivers; Exemption Applications; Epilepsy and Seizure Disorders

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition.

SUMMARY: FMCSA announces its decision to grant requests from 6 individuals for exemptions from the regulatory requirement that interstate commercial motor vehicle (CMV) drivers have "no established medical history or clinical diagnosis of epilepsy or any other condition which is likely to cause loss of consciousness or any loss of ability to control a CMV." The regulation and the associated advisory criteria published in the Code of Federal Regulations as the "Instructions for Performing and Recording Physical Examinations" have resulted in numerous drivers being prohibited from operating CMVs in interstate commerce based on the fact that they have had one or more seizures and are taking anti-seizure medication, rather than an individual analysis of their

circumstances by a qualified medical examiner. The Agency concluded that granting exemptions for these CMV drivers will provide a level of safety that is equivalent to or greater than the level of safety maintained without the exemptions. FMCSA grants exemptions that will allow these 6 individuals to operate CMVs in interstate commerce for a 2-year period. The exemptions preempt State laws and regulations and may be renewed.

DATES: The exemptions are effective April 1, 2015. The exemptions expire on April 1, 2017.

FOR FURTHER INFORMATION CONTACT: Charles A. Horan, III, Director, Office of Carrier, Driver and Vehicle Safety, (202) 366-4001, fmcamedical@dot.gov, FMCSA, Department of Transportation, 1200 New Jersey Avenue SE., Room W64-224, Washington, DC 20590-0001. Office hours are 8:30 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays.

B. Background

Under 49 U.S.C. 31136(e) and 31315(b), FMCSA may grant an exemption from the safety regulations for a 2-year period if it finds "such exemption would likely achieve a level of safety that is equivalent to or greater than the level that would be achieved absent such exemption." The statute also allows the Agency to renew exemptions at the end of the 2-year period.

FMCSA grants 6 individuals an exemption from the regulatory requirement in § 391.41(b)(8), to allow these individuals who take anti-seizure
