travel costs allocable to the SBDC cooperative agreement for SBDC Network staff be approved by the SBA through the annual proposal process and should such planned costs be fully disclosed and justified in the budget narrative for Agency review or is there other information that needs to be considered? Should unanticipated foreign travel be approved in advance in accordance with the Program Announcement or is there other information that needs to be considered?

The SBA prohibits the use of Program Funds for purposes identified as unallowable following OMB guidance, including a Recipient Organization cannot use such funds to provide financial assistance, including subgrants, seed money for venture capital, or fund-raising activities and costs, including financial or capital campaigns, the solicitation of gifts and bequests, and similar activities intended to raise capital or obtain contributions. Should SBA identify further restrictions and prohibitions on expenditures that can be reimbursed from this grant or is there other information that needs to be considered?

SBA also welcomes comments on any other issues that the agency should address in a proposed rulemaking related to the SBDC Programs.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

Approval and Promulgation of Air Quality Implementation Plans; Virginia; State Boards Requirements; Infrastructure Requirements for the 2008 Lead and Ozone and 2010 Nitrogen Dioxide and Sulfur Dioxide National Ambient Air Quality Standards

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) proposes to approve the State Implementation Plan (SIP) revision submitted by the Commonwealth of Virginia for the purpose of meeting the requirements of Clean Air Act (CAA) section 128. This rulemaking action also proposes to approve an infrastructure element directly related to the regulations being added for several previously submitted infrastructure SIPs for the 2008 Lead National Ambient Air Quality Standards (NAAQS), the 2008 Ozone NAAQS, the 2010 Nitrogen Dioxide NAAQS, and the 2010 Sulfur Dioxide NAAQS. In the Final Rules section of this issue of the Federal Register, EPA is approving the Commonwealth’s SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this action, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time.

DATES: Comments must be received in writing by May 4, 2015.

Administration for Children and Families

45 CFR Part 1355

Adoption and Foster Care Analysis and Reporting System

AGENCY: Administration on Children, Youth and Families (ACYF), Administration for Children and Families (ACF), Department of Health and Human Services (HHHS).

ACTION: Intent to publish a supplemental notice of proposed rulemaking.

SUMMARY: On February 9, 2015, the Administration on Children and Families (ACF) issued a Notice of Proposed Rulemaking (SNPRM) to amend the Adoption and Foster Care Analysis and Reporting System (AFCARS) regulations to modify the requirements for title IV–E agencies to collect and report data to ACF on children in out-of-home care and who were adopted or in a legal guardianship with a title IV–E subsidized adoption or guardianship agreement. However, we did not propose data elements that would provide information in AFCARS on American Indian and Alaskan Native children related to the Indian Child Welfare Act of 1978 (ICWA). In this notice, we are announcing that we intend to publish a supplemental notice of proposed rulemaking (SNPRM), which will propose that title IV–E agencies collect and report additional ICWA-related data elements in AFCARS. We will consider the public comments on that SNPRM (related to ICWA-related data elements) and the February 9, 2015 NPRM (related to all other data elements) and issue one final rule on AFCARS.

DATES: Effective April 2, 2015, ACF announces its intent to issue a SNPRM.

FOR FURTHER INFORMATION CONTACT: Kathleen McHugh, Children’s Bureau, Administration on Children, Youth and Families, (202) 401–5789 or by email at cbcomments@acf.hhs.gov. Do not email comments on the NPRM to this address.

SUPPLEMENTARY INFORMATION: The Children’s Bureau (CB) issued a Notice of Proposed Rulemaking (NPRM) on February 9, 2015 (80 FR 7132) (hereafter referred to as the 2015 NPRM) to modify the requirements for title IV–E agencies to collect and report data to ACF on children in out-of-home care and who were adopted or in a legal guardianship with a title IV–E subsidized adoption or guardianship agreement with the title IV–E agency. In that NPRM, we proposed to revise and update the AFCARS regulations at 45 CFR 1355.40 et seq. and the appendices to part 1355. However, we did not propose data elements that would provide information in AFCARS on American Indian and Alaskan Native children related to the Indian Child Welfare Act of 1978 (25 U.S.C. 1901 et seq.) (ICWA).

We received comments to a previous NPRM and on a Federal Register Notice recommending data elements to address ICWA requirements. In the Tribal Consultation Statement section of the preamble to the 2015 NPRM, we acknowledged that we received comments asking for additional data elements that would address ICWA requirements and provide a comprehensive picture of the well-being of tribal children including: identifying whether a child is a member of an Indian tribe and the name of the Indian tribe, tribal notification, whether a tribal title IV–E agency intervened in a state title IV–E agency case, cultural activities that the child is participating in while away from his or her parents, judicial findings of active efforts, and preferential treatment for tribal placement resources. However, we did not propose in the 2015 NPRM to collect information related to ICWA because the enabling statute for AFCARS (section 479 of the Social Security Act (the Act)) had been interpreted as limiting data collection to information related to the title IV–B and IV–E program requirements.

Upon further consideration following the publication of the 2015 NPRM, we have determined that there is authority under the statute (section 479(c) of the Act) to collect ICWA-related data in AFCARS. Specifically, the statute permits broader data collection in order to assess the current state of adoption and foster care programs in general, as well as to develop future national policies concerning those programs. However, the statute includes limits on this broad interpretation of section 479 of the Act that we must take into consideration when contemplating collecting data related to ICWA in AFCARS, including: data collected under AFCARS must avoid an unnecessary diversion of resources from child welfare agencies (see section 479(c)(1) of the Act) and must assure the reliability and consistency of the data (see section 479(c)(2) of the Act).

Dated: March 25, 2015.

Mark H. Greenberg,
Acting Assistant Secretary for Children and Families.
