shorefront along the Rockaway Peninsula which separates the Atlantic Ocean from Jamaica Bay immediately to the north.

3. USACE Decision Making

Developing the alternatives formulation, engineering design and environmental consequences assessment into a single GRR/EIS allows the New York District to comprehensively evaluate the project as a system. However, the USACE acknowledges that the shorefront and back-bay segments may not concurrently be ready for a recommendation. The shorefront portion of the project has undergone extensive alternatives analysis, while the back-bay re-evaluation process is in its earlier stages. Additionally, the shorefront measures being evaluated have been the subject of considerable public and agency coordination while these essential coordination efforts have not been completed for the back-bay alternatives.

As a result, the Corps will develop the HSGRR/EIS evaluating the entire area, but will tier the decisions (i.e., issue separate records of decision) on the respective areas. This decision making approach will allow time to address agency policy issues and build consensus among cooperating agencies and the public. This option to issue multiple records of decision based on a single EIS is available to the USACE because of the flexibility in the NEPA process as described in the President’s Council on Environmental Quality’s (CEQ) NEPA-Implementing Regulations.

4. Public Participation

The USACE invites public comment on the scope of the issues and alternatives to be addressed in the draft EIS. Input will be received through public meetings with both oral and written comments being provided; written comments may be submitted at any time during the process. The New York District will host a series of three public scoping meetings to receive comments on the proposed scope of issues to be evaluated in the draft environmental impact statement. Each of the public meetings will begin with an informal open house from 5:00 p.m. to 6:00 p.m. followed by the formal meeting from 7:00–9:00 p.m.

Two public meetings have been scheduled with a third TBD. The first will be held at the Knights of Columbus (333 Beach 90th Street, Rockaway Beach, NY 11693) on April 22, 2015 between 6:30–9:00 p.m. The second is scheduled at the Ryan Visitor Center (50 Aviator Road Brooklyn, NY 11234) for Wednesday, April 29 from 6:00–8:00 p.m.

5. Lead and Cooperating Agencies

The U.S. Army Corps of Engineers is the lead federal agency for the preparation of the environmental impact statement (EIS) and meeting the requirements of the National Environmental Policy Act and the NEPA Implementing Regulations of the President’s Council on Environmental Quality (40 CFR parts 1500–1508). Within the study area, the National Park Service (NPS) manages the over 19,000-acre Jamaica Bay Unit of the Gateway National Recreation Area. Many of the actions evaluated within the EIS could occur within the National Recreation Area. Federal agencies interested in participating as a Cooperating Agency are requested to submit a letter of intent to Colonel Paul E. Owen, District Engineer (see ADDRESSES). The preparation of the EIS will be coordinated with New York State and New York City agencies with discretionary authority relative to the proposed actions. The Draft EIS is currently scheduled for distribution to the public November 2015.

Supplemental Record of Decision for Surveillance Towed Array Sensor System Low Frequency Active (SURTASS LFA) Sonar

AGENCY: Department of the Navy, DoD.

ACTION: Notice of supplemental decision and availability.

SUMMARY: The Department of the Navy (DoN) reaffirms its August 15, 2012, Record of Decision to employ up to four Surveillance Towed Array Sensor System Low Frequency Active (SURTASS LFA) sonar systems with certain geographical restrictions and mitigation monitoring designed to reduce potential adverse effects on the marine environment, including operating LFA sonar systems in the waters in which the Hawaiian Islands Stock Complex of common bottlenose dolphins could occur. The August 15, 2012, Record of Decision implemented the preferred alternative, Alternative 2, identified in the 2012 Final Supplemental Environmental Impact Statement (FSEIS)/Supplemental Overseas Environmental Impact Statement (SOEIS) for SURTASS LFA sonar.

Following litigation challenging the adequacy of the 2012 FSEIS/SOEIS, the District Court for the Northern District of California determined that the DoN failed to use the best available data when it determined potential impacts from the employment of SURTASS LFA sonar systems on one stock of common bottlenose dolphins in Hawaiian waters rather than the more current information that shows five stocks of common bottlenose dolphins in Hawaiian waters. Accordingly, DoN prepared a narrowly-tailored FSEIS/SOEIS to remedy this deficiency. The National Marine Fisheries Service was a cooperating agency in accordance with 40 CFR 1501.6 for the development of the narrowly-tailored FSEIS/SOEIS.

SUPPLEMENTARY INFORMATION: The full text of the Record of Decision (ROD) is available for public viewing and download at http://www.surtass-lfa-eis.com. Single copies of the ROD are available upon request from SURTASS LFA Sonar SEIS/SOEIS Program Manager, 4350 Fairfax Drive, Suite 600, Arlington, VA 22203, or email: eistoan@surtass-lfa.com.

Dated: March 26, 2015.

Lieutenant, Office of the Judge Advocate General, U.S. Navy, Alternate Federal Register Liaison Officer.

Charter Amendment of Department of Defense Federal Advisory Committees

AGENCY: Department of Defense.

ACTION: Amendment of Federal Advisory Committee.

SUMMARY: The Department of Defense is publishing this notice to announce that it is amending the charter for the Department of Defense Medicare-Eligible Retiree Health Care Board of Actuaries ("the Board").

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703–692–5952.

SUPPLEMENTARY INFORMATION: This committee’s charter is being amended pursuant to 10 U.S.C. 1114(a)(1) and in accordance with the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR 102–3.50(a), established the Board. The Board is a statutory Federal advisory committee that provides independent advice and recommendations related to the actuarial matters associated with the Department of Defense (DoD) Medicare-Eligible Retiree Health Care Fund ("the Fund") and other related matters. The Board, pursuant to 10 U.S.C. 1114(b) and (c), shall report to the Secretary of Defense annually on the actuarial status of the Fund and shall furnish its advice and opinion on matters referred to it by the Secretary of Defense.

The Board shall review valuations of the Fund under 10 U.S.C. 1115(c) and shall report periodically, not less than once every four years, to the President and the Congress on the status of the Fund. The Board shall include in such reports recommendations for such changes as in the Board’s judgment are necessary to protect the public interest and maintain the Fund on a sound actuarial basis.

The Secretary of Defense, through the Under Secretary of Defense for Personnel and Readiness (USD(P&R)), may act upon the Board’s advice and recommendations.

The Board consists of three members appointed by the Secretary of Defense from among qualified professional actuaries who are members of the Society of Actuaries. Board members will serve for a term of 15 years, except that a Board member appointed to fill a vacancy occurring before the end of the term for which the predecessor was appointed shall serve only until the end of such term. A Board member may serve after the end of the term until a successor has taken the oath of office. The Board membership appointments are staggered so that a new member is appointed every five years. A Board member may be removed by the Secretary of Defense for misconduct or failure to perform functions vested in the Board and for no other reason. The Board’s Chair will be designated by the USD(P&R) from among those Board members previously approved by the Secretary of Defense.

Board members, who are not full-time or permanent part-time Federal officers or employees, will be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve as special government employee members and is entitled, pursuant to 10 U.S.C. 1114(a)(3), to receive pay at the daily equivalent of the annual rate of basic pay of the highest rate of basic pay under the General Schedule of subchapter III of chapter 53 of title 5, for each day the member is engaged in the performance of duties vested in the Board. Board members who are full-time or permanent part-time Federal officers or employees shall be appointed pursuant to 41 CFR 102–3.130(a) to serve as regular government employee members. All members are entitled to reimbursement for official Board-related travel and per diem.

The DoD has determined that subcommittees will not be authorized for this Board. The Board’s Designated Federal Officer (DFO) must be a full-time or permanent part-time DoD
