Media Bureau Seeks Comment for Report Required by the STELA Reauthorization Act of 2014

AGENCY: Federal Communications Commission.

ACTION: Notice; solicitation of comments.

SUMMARY: This document solicits public comments and data for use in preparation of a report required by the STELA Reauthorization Act of 2014. The report must contain an analysis of designated market areas and recommendations for fostering increased localism to the appropriate congressional committees a report that contains—

(a) IN GENERAL. Not later than 18 months after the date of enactment of the Act, the Commission shall submit to the appropriate congressional committees a report that contains—

(A) The extent to which consumers in each local market have access to broadcast programming from television broadcast stations located outside their local market, including through carriage by cable operators and satellite carriers of signals that are significantly viewed by cable operators and satellite carriers of signals that are significantly viewed by consumers with more programming

(b) Whether there are technologically and economically feasible alternatives to the use of designated market areas to define markets that would provide consumers with more programming.
