

ministerial and do not affect the substance of either document.

2. Statutory Basis

The Exchange believes that its rule proposal is consistent with Section 6(b) of the Exchange Act, in general, and Section 6(b)(5) of the Exchange Act, in particular, because the proposed change will align the charter documents of NSX Holdings and of the Exchange with the specific requirements of the DGCL. The Exchange's proposal to make non-substantive changes to the Holdings Amended Certificate and the NSX Amended Certificate furthers the purposes of Section 6(b)(5) of the Act to, among other things, prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed changes are ministerial, do not affect the substance of either document and are necessary to assure that charter documents of NSX Holdings and of the Exchange meet the Delaware statutory requirements.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate for the furtherance of the Act. The proposed rule change is not designed to address any competitive issue in the U.S. securities markets or have any impact on competition in those markets because it is intended to correct technical defects in the form of the certificates of incorporation of NSX Holdings and of the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited or received comments on the proposed rule change from market participants or others.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- A. Significantly affect the protection of investors or the public interest;
- B. Impose any significant burden on competition; and
- C. Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may

designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

Order of Suspension of Trading; Earth Dragon Resources, Inc.

March 31, 2015.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Earth Dragon Resources, Inc. ("Earth Dragon") because it has not filed a periodic report since it filed its Form 10-Q for the period ending August 31, 2011, filed on October 3, 2012. Earth Dragon's common stock (ticker "EARH") is quoted on OTC Link (previously "Pink Sheets") operated by OTC Markets Group, Inc.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of Earth Dragon.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of Earth Dragon is suspended for the period from 9:30 a.m. EDT on March 31, 2015 through 11:59 p.m. EDT on April 14, 2015.

By the Commission.

Jill M. Peterson,

Assistant Secretary.
