See Securities Exchange Act Release No. 45680 (April 2, 2002), 67 FR 17094 (April 9, 2002) (SR–PCX–2002–16) (the “2002 Filing”). NYSE Arca Equities Rule 1.1(n) defines “ETP” as an Equity Trading Permit issued by the Exchange for effecting approved securities transactions on the Exchange. Pursuant to NYSE Arca Equities Rule 1.1(n), the term “ETP Holder” refers to a sole proprietorship, partnership, corporation, limited liability company or other organization in good standing that has been issued an ETP. An ETP Holder must be a registered broker or dealer pursuant to section 15 of the Act. See Nasdaq Rule 7001.
organization, and $15,000 for each additional license.7

The proposed change is not otherwise intended to address any other issues, and the Exchange is not aware of any problems that ETP Holders would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,8 in general, and furthers the objectives of sections 6(b)(4) and 6(b)(5) of the Act,9 in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers. The Exchange believes that charging the ETP Fee is a reasonable and equitable method of ensuring that Exchange fees fund the administrative and operating costs of the activity of the Exchange. The Exchange because further believes that the proposal to charge an ETP Fee is equitable and not unfairly discriminatory because all similarly situated ETP Holders would be subject to the same ETP Fee and because access to the Exchange’s market would continue to be offered on fair and nondiscriminatory terms.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization’s Statement on Burden on Competition

In accordance with section 6(b)(8) of the Act,10 the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

As discussed above, the Exchange’s membership fees are comparable to the analogous membership fees of Nasdaq and the NYSE. In addition, membership fees are subject to competition from other exchanges. The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive. In such an environment, the Exchange must continually adjust its fees to remain competitive with other exchanges and with alternative trading systems that have been exempted from compliance with the statutory standards applicable to exchanges. Because competitors are free to modify their own fees in response, and because market participants may readily adjust their order routing practices, the Exchange believes that the degree to which fee changes in this market may impose any burden on competition is extremely limited. As a result of all of these considerations, the Exchange does not believe that the proposed changes will impair the ability of ETP Holders to maintain their competitive standing in the financial markets.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to section 19(b)(3)(A)11 of the Act and subparagraph (f)(2) of Rule 19b–412 thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under section 19(b)(2)(B)13 of the Act to determine whether the proposed rule change should be approved or disapproved.
