Federal Energy Regulatory Commission

[Project No. 14666-000]

Lock 11 Hydro Partners; Notice of Preliminary Permit Application Accepted for Filing and Soliciting Comments, Motions To Intervene, and Commenting Applications

On March 4, 2015, Lock 11 Hydro Partners filed an application for a preliminary permit, pursuant to section 4(f) of the Federal Power Act (FPA), proposing to study the feasibility of the Lock 11 Hydroelectric Station Project (Lock 11 Project or project) to be located at the Kentucky River Authority's Lock and Dam #11, on the Kentucky River, near the town of College Hill, in Estill and Madison Counties, Kentucky. The sole purpose of a preliminary permit, if issued, is to grant the permit holder priority to file a license application during the permit term. A preliminary permit does not authorize the permit holder to perform any land-disturbing activities or otherwise enter upon lands or waters owned by others without the owners' express permission.

The proposed project would consist of the following: (1) An existing 208-foot-long, 35-foot-high concrete dam with a 52-foot-wide abandoned lock chamber;
