FOR FURTHER INFORMATION CONTACT: Ms. Lisa V. Aguirre, Directorate of Defense Trade Controls, Department of State, telephone (202) 663–2830; email DDTCResponseTeam@state.gov. ATTN: Congressional Notification of Licenses.

SUPPLEMENTARY INFORMATION: Section 36(f) of the Arms Export Control Act (22 U.S.C. 2778) mandates that notifications to the Congress pursuant to sections 36(c) and 36(d) must be published in the Federal Register when they are transmitted to Congress or as soon thereafter as practicable.

Following are such notifications to the Congress:

October 31, 2014 (Transmittal No. DDTC 14–116)
Honorable John A. Boehner, Speaker of the House of Representatives

Dear Mr. Speaker:
Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting a certification of a proposed license for the export of firearms, parts and components that are controlled under Category I of the United States Munitions List in the amount of $1,000,000 or more.
The transaction contained in the attached certification involves the export of various firearm, components, and accessories to Canada for commercial sales.

The United States government is prepared to license the export of these items following into account political, military, economic, human rights, and arms control considerations. More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield, Assistant Secretary, Legislative Affairs

October 31, 2014 (Transmittal No. DDTC 14–090)
Honorable John A. Boehner, Speaker of the House of Representatives

Dear Mr. Speaker:
Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting the certification of a proposed license amendment for the export of defense articles, including technical data, and defense services for the manufacture of significant military equipment abroad. The transaction contained in the attached certification involves the export of defense articles, including technical data, defense services and manufacturing know-how for the design, manufacture and integration of the Weapons Bay Door Engine Inlet Ducts for all variants of the F–35 Lightning II aircraft to Italy and the Netherlands.
The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations. More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield, Assistant Secretary, Legislative Affairs
