Methodology

In accordance with sections 776(a) and (b) of the Tariff Act of 1930, as amended (the Act), we relied on facts available with an adverse inference with respect to KME Italy SpA (KME Italy), the only company for which a review was requested. Thus, we preliminarily assign a rate of 22.00 percent as the dumping margin for KME Italy. In making these findings, we relied on facts available because KME Italy failed to respond to the Department's antidumping duty questionnaire, and thus withheld requested information, failed to provide requested information by the established deadlines, and significantly impeded this proceeding. See sections 776(a)(2)(A)-(C) of the Act. Furthermore, because we preliminarily determine that KME Italy failed to cooperate by not acting to the best of its ability to comply with the Department's requests for information, we drew an adverse inference in selecting from among the facts otherwise available. See section 776(b) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of our review, we preliminarily determine that the following dumping margin on BSS from Italy exists for the period March 1, 2013, through February 28, 2014:

Exporter/manufacturer	Dumping margin (percent)
KME Italy SpA	22.00

These deposit requirements, when imposed, shall remain in effect until further notice.

Notifications to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 30, 2015.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

Circular Welded Carbon Steel Pipes and Tubes From Turkey: Preliminary Results of Countervailing Duty Administrative Review and Preliminary Intent To Rescind in Part; Calendar Year 2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the countervailing duty (CVD) order on circular welded carbon steel pipes and tubes from Turkey for the period of review (POR) of January 1, 2013, through December 31, 2013. The review covers one producer/exporter of subject merchandise that the Department selected for individual examination: the Borusan Group, Borusan Holding, A.S. (Borusan Holding), Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (Borusan), Borusan Istikbal Ticaret T.A.S. (Istikbal), and Borusan Lojistik Dagitim Papolama Tasimacilik ve Tic A.S. (Borusan Lojistik) (collectively, the Borusan Companies). Additionally, this review covers three firms that were not individually examined: Toscelik Profil ve Sac Endustrisi A.S. (Toscelik Profil), Toscelik Metal Ticaret AS., and Tosyali Dis Ticaret AS. (Tosyali) (collectively, the Toscelik Companies),¹ Umrans Celik Born Sanayii A.S. (also known as Umrans Steel Pipe Inc.) (Umrans), and Guven Steel Pipe (also known as Guven Celik Born San. Ve Tic. Ltd.) (Guven).

We preliminarily determine that the Borusan Companies received countervailable subsidies during the POR. For purposes of these preliminary results, we assigned the Toscelik Companies, Umrans and Guven, the non-selected respondents, the same net subsidy rate calculated for the Borusan Companies. Additionally, we preliminarily determine to rescind the administrative reviews on Erbosan Erciyas Boru Sanayi ve Ticaret A.S. (Erbosan AS) and Erbosan Erciyas Pipe Industry and Trade Co. Kayseri Free Zone Branch (Erbosan FZB), (collectively Erbosan) and the Yucel Group and all affiliates including Yucel Boru ye Profil Endustrisi A.S, Yucelboru Ihracat Ithalat ye Pazarlama A.S, and

Cayirova Born Sanayi ye Ticaret A.S.) (collectively, the Yucel Companies).²

DATES: *Effective Date:* April 8, 2015.

FOR FURTHER INFORMATION CONTACT: John Conniff or Jolanta Lawska, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202-482-1009 and 202-482-8362, respectively.

Intent To Rescind the 2013 Administrative Review, in Part

Erbosan and the Yucel Companies submitted letters to the Department on May 5, 2014, June 27, 2014, respectively, timely certifying that they had no sales, shipments, or entries, directly or indirectly, of subject merchandise to the United States during the POR.³ Petitioners did not comment on Erbosan's and Yucel's claims of no sales, shipments, or entries. On May 19 and July 14, 2014, we transmitted "No-Shipment Inquiries" to U.S. Customs and Border Protection (CBP) regarding these companies. We did not receive any information from CBP contrary to Erbosan's and Yucel's claims of no sales, shipments, or entries of subject merchandise to the United States during the POR. Accordingly, based on the record evidence, we preliminarily determine that Erbosan and Yucel, did not ship subject merchandise to the United States during the POR. Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our practice,⁴ we preliminarily determine to rescind the review for Erbosan and Yucel.
