the date of publication, as provided by section 751(a)(2) of the Act; (1) The cash deposit rate for the reviewed company will be the rate established in the final results of this review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash deposit rate will be 5.44 percent. These deposit requirements, when imposed, shall remain in effect until further notice.

Notifications to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 30, 2015.

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.

Circular Welded Carbon Steel Pipes and Tubes From Turkey: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Intent To Rescind in Part; Calendar Year 2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty (AD) order on circular welded carbon steel pipes and tubes from Turkey for the period of review (POR) of January 1, 2013, through December 31, 2013. The review covers one producer/exporter of subject merchandise that the Department selected for individual examination: the Borusan Group, Borusan Holding, A.S. (Borusan Holding), Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (Borusan), Borusan Istikbal Ticaret T.A.S. (Istikbal), and Borusan Lojistik Dagitim Pemolama Tasimacilik ve Tic A.S. (Borusan Lojistik) (collectively, the Borusan Companies). Additionally, this review covers three firms that were not individually examined: Toscelik Profil ve Sac Endustrisi A.S. (Toscelik Profil), Toscelik Metal Ticaret AS., and Tosyali Dis Ticaret AS. (Tosyali) (collectively, the Toscelik Companies).1 Umran Celik Born Sanayii A.S. (also known as Umran Steel Pipe Inc.) (Umran), and Guven Steel Pipe (also known as Guven Celik Born San. Ve Tic. Ltd.) (Guven). We preliminarily determine that the Borusan Companies received countervailable subsidies during the POR. For purposes of these preliminary results, we assigned the Toscelik Companies, Umran and Guven, the non-selected respondents, the same net subsidy rate calculated for the Borusan Companies. Additionally, we preliminarily determine to rescind the preliminary decision memorandum on Erbosan Erciyas Boru Sanayi ve Ticaret A.S. (Erbosan AS) and Erbosan Erciyas Pipe Industry and Trade Co. Kayseri Free Zone Branch (Erbosan FZB), (collectively Erbosan) and the Yucel Group and all affiliates including Yucel Boru ve Profil Endustrisi A.S. Yucelboru Ihracat Ithalat ve Pazarlama A.S. and

7306.30.50, and 7306.90.10. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a government financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.5 For a full description of the methodology underlying our conclusions, see the accompanying Decision Memorandum for Preliminary Results of Countervailing Duty (CVD) Administrative Review: Circular Welded Carbon Steel Pipes and Tubes Products from Turkey (Preliminary Decision Memorandum) from Gary Taverman, Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated concurrently with these results and hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS).6

Assessment Rates

Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, CVDs on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Rates

The Department also intends to instruct CBP to collect cash deposits of estimated CVDs in the amounts indicated for each of the four companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all other non-reviewed firms, we will instruct CBP to collect cash deposits of estimated CVDs at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on frontseating service valves from the People’s Republic of China ("PRC"). The period of review ("POR") is April 1, 2013, through April 28, 2014. The review covers one exporter of the subject merchandise, Zhejiang Sanhua Co., Ltd. ("Sanhua"). The Department preliminarily finds that Sanhua made no sales of subject merchandise at less than normal value during the POR. Interested parties are invited to comment on these preliminary results.

DATES: Effective Date: April 8, 2015.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita, Enforcement and Compliance, Office III, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–4245.

SUPPLEMENTARY INFORMATION:

Scope of the Order
The merchandise covered by this order is frontseating service valves, assembled or unassembled, complete or incomplete, and certain parts thereof of any size, configuration, material composition or connection type.1

1 Frontseating service valves are classified under subheading 8481.80.1095, and also have been classified under subheading 8415.90.80.85, of the Harmonized Tariff Schedule of the United States ("HTSUS"). It is possible for frontseating service valves to be manufactured out of primary materials other than copper and brass, in which case they would be classified under HTSUS subheadings 8481.80.3040, 8481.80.3090, or 8481.80.5090. In addition, if unassembled or incomplete frontseating service valves are imported, the various parts or components would be classified under HTSUS subheadings 8481.90.1000, 8481.90.3000, or 8481.90.5000. The HTSUS subheadings are provided for convenience and customs purposes, but the written description of the scope of this proceeding is dispositive.

Methodology
The Department conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended ("the Act"). Constructed export prices are calculated in accordance with section 772(b) of the Act. Because the PRC is a non-market economy ("NME") within the meaning of section 771(18) of the Act, normal value is calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System ("ACCESS"). ACCESS is available to registered users at http://access.trade.gov and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://www.trade.gov/enforcement/. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum, is attached as the Appendix to this notice.
