

- Projects to foster integration of MBW with the community: These include improvements to the MBW Annex gate at 7th and K Streets SE. and improvements to the building facades, fencing, infrastructure, pedestrian amenities, and landscaping throughout the installation.

Alternative 1—Site A. Under Alternative 1, the Marine Corps would acquire privately owned land and a government-owned right-of-way (ROW) for the proposed BEQ Complex. Alternative 1, Site A, consists of 3.0 acres in Squares 929 and 930 and an approximate 340-foot segment of L Street between 8th and 9th Streets SE. The affected segment of L Street SE. would be closed to vehicular and pedestrian traffic and street parking. For the purposes of this EIS, it is expected that the replacement BEQ Complex would be constructed within the L Street ROW.

Alternative 2—Site B. Under Alternative 2, the Marine Corps would acquire privately-owned land and a government-owned ROW for the replacement BEQ Complex. Alternative 2, Site B, consists of 1.8 acres in Square 976 and an approximate 315-foot segment of the L Street ROW between 10th and 11th Streets SE. Unlike Alternative 1, there would be no construction within the L Street ROW. This segment of L Street would be closed to vehicular traffic and on-street parking, but it would remain open for pedestrians. No structures would be constructed within the adjacent Virginia Avenue Park, and the park would remain open to public use. The segment of the ROW and the adjacent portion of Virginia Avenue Park are included within this site as a means of satisfying the AT/FP vehicular standoff distance, while also allowing public use to continue.

Alternative 3—Site C. The land comprising Site C is federally-owned, but subject to a master development plan and agreement between GSA and a private developer (Forest City Washington) authorized by prior special legislation. An agreement with Forest City Washington and GSA to transfer Site C to the DoN/USMC would be required in order for Site C to be selected. Under Alternative 3, the Marine Corps obtain appropriate real estate interest in a portion of the federally owned land at the Southeast Federal Center (SEFC) for the proposed replacement BEQ Complex and a 3-story above ground parking structure.

Alternative 3, Site C, is 2.1 acres within Square 853, bounded by M Street SE. to the north and Tingey Street SE. to the south. In addition to having to reach an

agreement with Forest City Washington and GSA, under this alternative, the SEFC “The Yards” Redevelopment Master Plan would need to be revised.

Alternative 4—Site D. Under Alternative 4, the Marine Corps would establish a tenant site on 1.67 acres of federally owned land at the northern end of Square 953, within the boundary of the Washington Navy Yard (WNY). The existing land use includes an administrative building (Building 169) as well as tennis and basketball courts east of Building 169, all of which have been identified as areas for potential redevelopment in the WNY Master Plan (approved by the National Capital Planning Commission on November 6, 2014). Also included is the parking lot south of Building 169 (16 spaces) and potentially a portion of Poor Street that connects Parsons Avenue and 10th Street SE. BEQ construction on this site would require the demolition of Building 169, which is currently occupied by MBW functions. The existing below-grade parking at the Building 20 site would be maintained to satisfy the BEQ Complex parking requirement.

Alternative 5—Site E. Under Alternative 5, the Marine Corps would use 0.89-acre within the boundary of the MBW Annex (Squares 881 and 881W). For the purposes of this EIS, it is expected that the replacement BEQ Complex construction would occur within the 6th Street L’Enfant Plan viewshed between Building 25 (Annex building) and Building 26 (Annex parking garage). The new facility would be sited as close to Building 25 as possible and would connect via a breezeway between the replacement BEQ Complex and the western end of Building 25. The site currently contains a basketball court that would be relocated to the north of Building 25. The existing below-grade parking at the Building 20 site would be maintained to satisfy the BEQ Complex parking requirement.

The Marine Corps has not identified a preferred alternative at this time. Each of the action alternatives involve trade-offs among economic, technical, environmental, and Marine Corps statutory mission requirements. A preferred alternative will be selected in the Final EIS after public comments on the Draft EIS are evaluated.

DEPARTMENT OF EDUCATION

[Docket No. ED–2015–ICCD–0007]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Reaffirmation Agreement

AGENCY: Federal Student Aid (FSA), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 3501 *et seq.*), ED is proposing a new information collection.

DATES: Interested persons are invited to submit comments on or before May 18, 2015.

ADDRESSES: Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting Docket ID number ED–2015–ICCD–0007 or via postal mail, commercial delivery, or hand delivery. If the regulations.gov site is not available to the public for any reason, ED will temporarily accept comments at ICDocketMgr@ed.gov. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted; ED will ONLY accept comments during the comment period in this mailbox when the regulations.gov site is not available.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW., LBJ, Mailstop L–OM–2–E319, Room 2E105, Washington, DC 20202.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Ian Foss, 202–377–3681.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand the Department’s information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that

is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Reaffirmation Agreement.

OMB Control Number: 1845—NEW.

Type of Review: A new information collection.

Respondents/Affected Public: Individuals or Households, Private Sector, State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 28,880.

Total Estimated Number of Annual Burden Hours: 3,465.

Abstract: The HEA provides for a maximum amount that a borrower can receive per year and in total. If a borrower receives more than one of these maximum amounts, the borrower is rendered ineligible for further title IV aid (including Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal Work-Study, and Teacher Education Assistance for Higher Education (TEACH) Grants) unless the borrower repays the excess amount or agreed to repay the excess amount according to the terms and conditions of the promissory note that the borrower signed. Agreeing to repay the excess amount according to the terms and conditions of the promissory note that the borrower signed is called "reaffirmation". ED and FFEL Program lenders will use the information on this form to enforce the borrower's obligation to repay the total FFEL or Direct Loan debt that the borrower obtained including the amounts in excess of the annual or aggregate loan limit.

Dated: April 14, 2015.

Title of Collection: Understanding the Impact of Providing Information to Parents about the Role of Algebra II: An Opportunistic Study.

OMB Control Number: 1850—NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 1,468.

Total Estimated Number of Annual Burden Hours: 132.

Abstract: In June 2013, Texas Governor Rick Perry signed House Bill (HB) 5 into law, which changed high school graduation requirements for public school students in Texas. Prior to this, most students were required to complete algebra II in order to graduate from high school. After the enactment of HB 5, completing algebra II is optional—students may elect to complete algebra II as part of two of the graduation plans offered under HB 5. REL Southwest is working with the Texas Education Agency (TEA) to carry out an opportunistic experiment to determine if directly providing parents/guardians, prior to students' selection of their courses, with information on the importance of completing algebra II for college access and success has an impact on the percentage of students who enroll in and complete algebra II by the end of their junior year. REL Southwest will investigate the impact of providing parents/guardians with information about the role of algebra II in college access and success in a randomized controlled trial in which the treatment schools provide parents/guardians of students with information about the role of algebra II in college access and success, while control schools continue business-as-usual.
