

VI. Statutory and Executive Order Reviews

Under the CAA, the Administrator is required to approve a SIP submission that complies with the provisions of the CAA and applicable Federal regulations. 42 U.S.C. 7410(k); 40 CFR 52.02(a). Thus, in reviewing SIP submissions, EPA's role is to approve state choices, provided that they meet the criteria of the CAA. Accordingly, this action merely approves state law as meeting Federal requirements and does not impose additional requirements beyond those imposed by state law. For that reason, this action:

- Is not a "significant regulatory action" subject to review by the Office of Management and Budget under Executive Orders 12866 (58 FR 51735, October 4, 1993) and 13563 (76 FR 3821, January 21, 2011);

- Does not impose an information collection burden under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*);

- Is certified as not having a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*);

- Does not contain any unfunded mandate or significantly or uniquely affect small governments, as described in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4);

- Does not have Federalism implications as specified in Executive Order 13132 (64 FR 43255, August 10, 1999);

- Is not an economically significant regulatory action based on health or safety risks subject to Executive Order 13045 (62 FR 19885, April 23, 1997);

- Is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001);

- Is not subject to requirements of Section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the CAA; and

- Does not provide EPA with the discretionary authority to address, as appropriate, disproportionate human health or environmental effects, using practicable and legally permissible methods, under Executive Order 12898 (59 FR 7629, February 16, 1994).

In addition, the SIP is not approved to apply on any Indian reservation land or in any other area where EPA or an Indian tribe has demonstrated that a tribe has jurisdiction. In those areas of Indian country, the rule does not have tribal implications and will not impose substantial direct costs on tribal

governments or preempt tribal law as specified by Executive Order 13175 (65 FR 67249, November 9, 2000).

Vermont: Proposed Authorization of State Hazardous Waste Management Program Revisions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to grant final authorization to the State of Vermont for changes to its hazardous waste program. In the "Rules and Regulations" section of this **Federal Register** we are authorizing the changes to the Vermont hazardous waste program under the Resource Conservation and Recovery Act (RCRA) as a direct final rule without prior proposed rule. EPA has determined that these changes satisfy all requirements needed to qualify for final authorization. If we receive no adverse comment, we

will not take further action on this proposed rule

DATES: Written comments must be received by May 20, 2015.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R01-RCRA-2015-0195, by mail to Sharon Leitch, RCRA Waste Management and UST Section, Office of Site Remediation and Restoration (OSRR07-1), U.S. EPA Region 1, 5 Post Office Square, Suite 100, Boston, MA 02109-3912. Comments may also be submitted electronically or thorough hand delivery/courier by following the detailed instructions in the **ADDRESSES** section of the direct final rule located in the rules section of this **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Sharon Leitch, RCRA Waste Management and UST Section, Office of Site Remediation and Restoration (OSRR07-1), U.S. EPA Region 1, 5 Post Office Square, Suite 100, Boston, MA 02109-3912; telephone number: (617) 918-1647; fax number: (617) 918-0647; email address: leitch.sharon@epa.gov.

SUPPLEMENTARY INFORMATION: In the "Rules and Regulations" section of this **Federal Register**, EPA is authorizing these changes by a direct final rule. EPA did not make a proposal prior to the direct final rule because we believe this action is not controversial and do not expect adverse comments that oppose it. We have explained the reasons for this authorization in the preamble to the direct final rule. Unless we receive written adverse comments which oppose this authorization during the comment period, the direct final rule will become effective on the date it establishes, and we will not take further action on this proposal. If we get comments that oppose this action, we will withdraw the direct final rule and it will not take immediate effect. We will then respond to public comments in a later final rule based on this proposal. You may not have another opportunity for comment. If you want to comment on this action, you should do so at this time.

SUPPLEMENTARY INFORMATION:

I. Regulatory History

A. Part 1627. LSC initially promulgated 45 CFR part 1627 in 1983 to improve its oversight of and accountability for LSC funds transferred by recipients to third parties. 48 FR 54206, 54207, Nov. 30, 1983. Prior to the issuance of part 1627, LSC did not regulate subawards of its funds. LSC intended part 1627 to apply to all transfers of LSC funds, which it described in the rule as subgrants, fees and dues, contributions, transfers to other recipients (considered a type of subgrant), training and education activities, and payments to tax-sheltered annuities, retirement accounts, and pensions on behalf of employees. *Id.* at

54209. LSC did not intend the rule to govern a recipient's procurement of goods and services for its own use. 48 FR 28485, June 22, 1983; 48 FR 54206, 54209, Nov. 30, 1983.

In the proposed rule for part 1627, LSC defined the term *subgrant* as

any transfer of funds received from the Corporation by a recipient to any organization for the purpose of carrying out a portion of the recipient's program under a grant or contract from the Corporation; it shall not include a contract for services to be rendered directly to the recipient, nor shall it include any contract with private attorneys or law firms for the direct provision of legal services to eligible clients.

48 FR 28485, 28486, June 22, 1983. In the final rule, LSC incorporated the quoted language into the definition of *subrecipient*, along with new language explaining what LSC considered activities conducted "for the purpose of carrying out a portion of the recipient's program." 48 FR 54206, 54207, Nov. 30, 1983. LSC also made contracts with private attorneys or law firms for the direct provision of legal services to eligible clients subject to the subgrant rule if the contract cost exceeded \$25,000. *Id.* LSC redefined the term *subgrant* as "any transfer of Corporation funds from a recipient which qualifies the organization receiving such funds as a subrecipient under the [revised definition of subrecipient]." *Id.*

In part 1627, LSC established the process by which a recipient could seek approval of a proposed subgrant, the maximum duration of a subgrant, the recipient's responsibilities for ensuring compliance with LSC's fiscal and audit requirements, and the recipient's responsibility to repay any disallowed costs. 48 FR 54206, 54209, Nov. 30, 1983. LSC also asserted its own rights to oversee subgrants to ensure the subgrantees' compliance with the LSC Act and other applicable statutes, LSC's regulations, and Corporation guidelines and instructions. *Id.* A separate section of the rule made these requirements applicable to subgrants from one LSC recipient to another. *Id.* Because a subgrant of LSC funds from one LSC recipient to another is a transfer of funds granted by the same agency, LSC established reporting, accounting, and repayment rules for these types of arrangements that reflect LSC's relationship to both parties. *Id.* at 54210.

LSC last revised part 1627 in 1996. LSC published an interim rule to reflect the complete prohibition on the use of LSC funds to pay fees or dues enacted as part of its fiscal year 1996 appropriations act ("FY96 appropriations act"). Sec. 505, Public Law 104-134, 110 Stat. 1321 (1996).
