SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Medicare Enrollment Application: Reassignment of Medicare Benefits; *Use:* The primary function of the CMS 855R enrollment application is to allow physicians and non-physician practitioners to reassign their Medicare benefits to a group practice and to gather information from the individual that tells us who he/she is, where he or she renders services, and information necessary to establish correct claims payment. At this time, CMS is making very few minor revisions to the CMS–855R (Reassignment of Benefits) Medicare enrollment application (OMB No. 0938–1179). Two sections within the form are being reversed to maintain sync with online and paper forms. These two sections have been reversed so that section 2 now collects information on
