Abstract: This notice announces the collection of information related to the U.S. EPA National Environmental Information Exchange Network (NEIEN) Grant Program. EPA proposes to collect information from the NEIEN grantees on assistance agreements EPA has awarded. Specifically, for each project, EPA proposes to have grantees submit semi-annual reports on the progress and current status of each goal and output, completion dates for outputs, and any problems encountered. This information will help EPA ensure projects are on schedule to meet their goals and produce high quality environmental outputs. New award recipients will complete one Quality Assurance Reporting Form for each award. This form provides a simple means for grant recipients to describe how quality will be addressed throughout their projects. Additionally, the Quality Assurance Reporting Form is derived from guidelines provided in the NEIEN 2011 Grant Solicitation Notice.

Form Numbers: EPA Form 5300-26 (Semi-Annual Progress Report Form) and EPA Form 5300-27 (Quality Assurance Reporting Form).
