of the investigations promptly after the ITC made its views and findings available. On March 24, 2015, the ITC notified the Department of its determinations. On April 10, 2015, the ITC provided a report of its views and findings in the section 734(h) and section 704(h) reviews to the Department. On April 24, 2015, we issued a memorandum regarding our determination that Imperial and AmCane are interested parties which are parties to the investigations and, accordingly, have standing to request continuation of the AD and CVD investigations.

Continuation of Investigations

Sections 734(g) and 704(g) of the Act require the Department to continue a suspended investigation if it receives a request for continuation within 20 days of the notice of suspension of an investigation from an interested party, as described in section 771(9)(C) through (G) of the Act, which is a party to the investigation. As noted above, Imperial and AmCane filed timely requests for continuation. Having determined that Imperial and AmCane have standing to request continuation, the Department is continuing its AD and CVD investigations of imports of sugar from Mexico pursuant to sections 734(g) and 704(g) of the Act, respectively. The Department is resuming the investigations as if its preliminary determinations had been published on this notice’s publication date. Consistent with section 751(a)(2)(A) of the Act, as well as the CVD investigation’s prior alignment with the concurrent AD investigation, we intend to make our final determination in both investigations within 135 days of this notice’s publication date.

Dated: April 24, 2015.

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.
