## GENERAL SERVICES ADMINISTRATION

[Notice—CSE—2015—01; Docket No. 2015—0002; Sequence No. 9]

### Notice of the General Services Administration's Labor-Management Relations Council Meeting

**AGENCY:** Office of Human Resources Management (OHRM), General Services Administration (GSA).

**ACTION:** Notice of meetings.

**SUMMARY:** The General Services Administration's Labor-Management Relations Council (GLMRC), a Federal Advisory Committee established in accordance with the Federal Advisory Committee Act (FACA), 5 U.S.C., App., and Executive Order 13522, plans to hold two meetings that are open to the public.

**DATES:** The meetings will be held on Tuesday, May 19, 2015, from 9:30 a.m. to 4:30 p.m., and Wednesday, May 20, 2015, 1:00 p.m. to 4:30 p.m., eastern standard time.

**ADDRESSES:** The meetings will be held in the General Services Administration's Conference Center, 1800 F Street NW., Washington, DC 20405. This site is accessible to individuals with disabilities. Please refer to the GLMRC Web site on [gsa.gov](http://gsa.gov) for the most up-to-date meeting agenda, and access information including changes in meeting rooms, times, or dates.

**FOR FURTHER INFORMATION CONTACT:** Ms. Temple L. Wilson, GLMRC Designated Federal Officer (DFO), OHRM, General Services Administration, at telephone 202-969-7110, or email at [gmlrc@gsa.gov](mailto:gmlrc@gsa.gov).

## SUPPLEMENTARY INFORMATION:

### Background

The GLMRC is an advisory body composed of representatives of the Federal employee unions representing GSA employees and senior GSA officials. The GLMRC was established consistent with Executive Order 13522, entitled, "Creating Labor-Management Forums to Improve Delivery of Government Services;" which instructs Federal agencies to establish department- or agency-level labor-management forums to help identify problems and propose solutions to better serve the public and Federal agency missions. The GLMRC is tri-chaired by GSA's Chief Human Capitol Officer, together with two senior union officials from each of the two Federal employees' unions representing GSA employees.

The GLMRC works toward promoting cooperative and productive relationships between labor and management, providing an opportunity for employees through their union representatives to engage in pre-decisional involvement in all workplace matters to the fullest extent practicable, and to advise the GSA administrator on innovative ways to improve delivery of services and products to the public while cutting costs and advancing employee interests. The May 19, 2015 and May 20, 2015 meetings will establish GLMRC's priorities for 2015. The GLMRC will also discuss workforce planning and employee training and development.

The meetings are open to the public. In order to gain entry into the Federal building where the meeting is being held, public attendees who are Federal employees should bring their Federal employee identification cards, and members of the general public should bring their driver's license or other government-issued identification.

### Public Comments

The public is invited to submit written comments for the meetings until 5:00 p.m. eastern time on Monday, May 18, 2015, by either of the following methods: *Electronic or Paper Statements:* Submit electronic statements to Ms. Temple Wilson, Designated Federal Officer, at [temple.wilson@gsa.gov](mailto:temple.wilson@gsa.gov); or send paper statements in triplicate to Ms. Wilson at 1800 F Street NW., Suite 7003A, Washington, DC 20405. In general, public comments will be posted on the GLMRC Web site. All comments, including attachments and other supporting materials received, are part

<sup>3</sup>In particular, the written request for confidential treatment that accompanies the comment must include the factual and legal basis for the request and must identify the specific portions of the comment to be withheld from the public record. See FTC Rule 4.9(c), 16 CFR 4.9(c).

of the public record and subject to public disclosure.

Any comments submitted in connection with the GLMRC meeting will be made available to the public under the provisions of the Federal Advisory Committee Act.

Dated: April 30, 2015.

## **GULF COAST ECOSYSTEM RESTORATION COUNCIL**

[Docket No. 105XX2015-1111-03]

### **National Environmental Policy Act Implementing Procedures and Categorical Exclusions**

**AGENCY:** Gulf Coast Ecosystem Restoration Council.

**ACTION:** Issuance of final procedures.

**SUMMARY:** The Gulf Coast Ecosystem Restoration Council (Council) is hereby issuing final procedures for implementing the National Environmental Policy Act (NEPA). These procedures include categorical exclusions (CEs) of actions the Council has determined do not individually or cumulatively have a significant effect on the human environment and, thus, are categorically excluded from the requirement to prepare an Environmental Assessment (EA) or Environmental Impact Statement (EIS) under NEPA.

**DATES:** *Effective Date:* June 4, 2015.

#### **SUPPLEMENTARY INFORMATION:**

##### **I. Background**

On July 6, 2012, the President signed the Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (“RESTORE Act” or “Act”) into law. The Act establishes a new trust fund in the Treasury of the United States, known as the Gulf Coast Restoration Trust Fund (Trust Fund). Eighty percent of the administrative and civil penalties paid after July 6, 2012, under the Federal Water Pollution Control Act in connection with the *Deepwater Horizon* Oil Spill will be deposited into the Trust Fund. Under terms described in the Act, amounts in the Trust Fund will be available for projects and programs that restore and protect the environment and economy of the Gulf Coast region.

The Act is focused on the Gulf Coast region and has five components. The Direct Component, administered by the Department of the Treasury, sets aside 35 percent of the penalties paid into the Trust Fund for eligible activities proposed by the five Gulf Coast states—Alabama, Florida, Louisiana, Mississippi, and Texas—including local governments within Florida and Louisiana. The Council-Selected Restoration Component sets aside 30 percent of the penalties, plus half of all interest earned on Trust Fund investments, to be managed by a new independent entity in the Federal government called the Gulf Coast Ecosystem Restoration Council (Council). The Council is comprised of members from six Federal agencies or departments and the five Gulf Coast states. One of the Federal members, the Secretary of Commerce, currently serves as Chairperson of the Council. The Council will direct Council-Selected Restoration Component funds to projects and programs for the restoration of the Gulf Coast region, pursuant to an Initial Comprehensive Plan that has been developed by the Council. Under the Spill Impact Component, the Gulf Coast states can use an additional 30 percent of penalties in the Trust Fund for eligible activities pursuant to plans developed by the states and approved by the Council. The remaining five percent of penalties, plus one-half of all interest earned on Trust Fund investments, will be divided equally between the final two components, a National Oceanic and Atmospheric Administration RESTORE Act Science Program and a Department of the Treasury administered Centers of Excellence Research Grants Program.

##### **II. These Procedures**

These procedures establish the Council’s policy and procedures to ensure compliance with NEPA and Council on Environmental Quality (CEQ) regulations for implementing NEPA. Each Federal agency is required to develop NEPA procedures as a supplement to the CEQ regulations. The Council’s major responsibilities are set out in greater detail in the RESTORE Act, and responsibilities relative to the administration of the Council-Selected Restoration Component are further described below. The Council continues to deliberate policies and procedures relative to implementation of the Spill Impact Component. Information on such matters will be available at a later date.

The below NEPA procedures are applicable to Council actions. Activities funded pursuant to any component of the Act may also be subject to an

environmental review under NEPA in instances where there is a separate Federal action. For example, a restoration project funded under the Direct Component would be subject to NEPA if it required a permit to fill wetlands pursuant to Section 404 of the Clean Water Act.

##### *Council-Selected Restoration Component*

The Act provides 30 percent of penalties deposited into the Trust Fund to the Council, plus one-half of the interest earned on Trust Fund investments, to carry out a Comprehensive Plan. In August 2013, the Council issued the Initial Comprehensive Plan for Restoring the Gulf Coast’s ecosystem and economy. This Initial Comprehensive Plan provides a framework to implement a coordinated region-wide restoration effort to restore, protect, and revitalize the Gulf Coast. The Initial Comprehensive Plan was accompanied by a Programmatic Environmental Assessment.

Pursuant to the Act, the Council will develop a “Funded Priority List” (or FPL) of projects and programs to be carried out to advance the goals and objectives set forth in the Initial Comprehensive Plan, subject to available funding. The Council will periodically update the Initial Comprehensive Plan and the FPL, in accordance with the Act.

The FPL and subsequent updates will consist of a list of projects and programs which the Council intends to fund for planning, technical assistance, or implementation purposes. The Council anticipates that once the full amount ultimately to be paid into the Trust Fund is known, future amendments to the FPL will include significantly larger projects and project lists that reflect the full amount available to be spent for restoration activities. A Council commitment to fund implementation of a project or program in the FPL is a Federal action which requires the appropriate level of NEPA review. Examples of NEPA compliance include preparation of new NEPA documentation, adoption of existing NEPA documentation, or application of a CE, as warranted. The FPL may commit planning and technical assistance funds for activities such as engineering, design, and environmental compliance for projects and programs. According to the Initial Comprehensive Plan, a Council commitment of planning or technical assistance funds for a project or program in an FPL does not necessarily guarantee that the Council will subsequently fund implementation
