

programs, seven representatives of recreational boat manufacturers and associated equipment manufacturers, and seven representatives of national recreational boating organizations and the general public, at least five of whom are representatives of national recreational boating organizations. Members are appointed by the Secretary of the Department of Homeland Security.

The Council usually meets at least twice each year at a location selected by the Coast Guard. It may also meet for extraordinary purposes. Subcommittees or working groups may also meet to consider specific issues.

We will consider applications for seven positions that expire or become vacant on December 31, 2015:

- Two representatives of State officials responsible for State boating safety programs;
 - Two representatives of recreational boat and associated equipment manufacturers; and
 - Three representatives of national recreational boating organizations or the general public.
- Applications will also be considered for a one vacancy in the national recreational boating organizations or the general public membership category that was caused by a last minute change in eligibility of an individual recommended for appointment in 2015. This position will serve a term that expires on December 31, 2017.

Applicants are considered for membership on the basis of their particular expertise, knowledge, and experience in recreational boating safety. The vacancies announced in this notice apply to membership positions that become vacant on January 1, 2016. To be eligible, you should have experience in one of the categories listed above.

Registered lobbyists are not eligible to serve on Federal advisory committees in an individual capacity. See "Revised Guidance on Appointment of Lobbyists to Federal Advisory Committees, Boards and Commissions" (79 FR 47482, August 13, 2014). The category for a member from the general public would be someone appointed in their individual capacity and would be designated as a Special Government Employee as defined in 202(a) of Title 18, United States Code. Registered lobbyists are lobbyists required to comply with provisions contained in The Lobbying Disclosure Act of 1995 (Pub. L. 104-65; as amended by Title II of Pub. L. 110-81).

Each member serves for a term of three years. Members may be considered

to serve a maximum of two full consecutive terms. All members serve at their own expense and receive no salary, or other compensation from the Federal Government. The exception to this policy is when attending National Boating Safety Advisory Council meetings; members may be reimbursed for travel expenses and provided per diem in accordance with Federal Travel Regulations.

The Department of Homeland Security does not discriminate in selection of Council members on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disability and genetic information, age, membership in an employee organization, or other non-merit factor. The Department of Homeland Security strives to achieve a widely diverse candidate pool for all of its recruitment actions.

If you are selected as a non-representative member or as a member from the general public, you will serve as a Special Government Employee as defined in section 202(a) of title 18, United States Code. As a candidate for appointment as a Special Government Employee, applicants are required to complete a Confidential Financial Disclosure Report (OGE Form 450). The Coast Guard may not release the reports or the information in them to the public except under an order issued by a Federal court or as otherwise provided under the *Privacy Act* (5 U.S.C. 552a). Applicants can obtain this form by going to the Web site of the Office of Government Ethics (www.oge.gov) or by contacting the individual listed above in **FOR FURTHER INFORMATION CONTACT**. Applications which are not accompanied by a completed OGE Form 450 will not be considered.

If you are interested in applying to become a member of the Council, send your cover letter and resume to Mr. Jeff Ludwig, Alternate Designated Federal Officer of National Boating Safety Advisory Council by email or mail according to the instructions in the **ADDRESSES** section by the deadline in the **DATES** section of this notice. Indicate the specific category you request to be considered for and specify your area of expertise that qualifies you to serve on the National Boating Safety Advisory Council. All email submittals will receive email receipt confirmation.

To visit our online docket, go to <http://www.regulations.gov>. Enter the docket number for this notice (USCG-2010-0316) in the Search box, and click "Search." Please do not post your resume or OGE-450 Form on this site.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Privacy Act of 1974, As Amended; Revision of a System of Records

AGENCY: U.S. Fish and Wildlife Service, Interior.

ACTION: Proposed revisions to an existing system of records.

SUMMARY: The Department of the Interior (DOI) is issuing public notice of its intent to revise a system of records in its current inventory, Migratory Bird Population and Harvest Surveys—Interior, FWS-26, subject to the Privacy Act of 1974. This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** a notice of amended systems of records. This system of records was previously published in the **Federal Register** on March 24, 1981 (46 FR 18378). The agency is updating information on the system and adding new information on purposes, routine uses, and procedures. **DATES:** Comments on this revised system of records must be received on or before June 22, 2015.

ADDRESSES: Address all comments on this revised system of records to U.S. Fish and Wildlife Service, Privacy Act Officer, Mail Stop IRTM, 5275 Leesburg Pike, Falls Church, Virginia 22041-3830; or by email at Melissa_Allen@fws.gov.

FOR FURTHER INFORMATION CONTACT: Melissa Allen, Privacy Act Officer, U.S. Fish and Wildlife Service, telephone: 703-358-2470, or fax: 703-358-2251.

SUPPLEMENTARY INFORMATION: The U.S. Fish and Wildlife Service's (FWS) migratory bird population and harvest survey programs collect information that is used in the promulgation of annual migratory bird hunting regulations. People who participate in annual migratory bird population surveys are professional biologists and biological technicians employed by cooperating Federal and State agencies; we collect and maintain their name, address, telephone number, and email address information in order to facilitate the communication and coordination efforts needed to conduct those surveys. People participating in migratory bird harvest surveys have obtained hunting

licenses from a State wildlife agency (State) and have been identified as migratory bird hunters by the States. The States collect the required information from those hunters and provide the data to the FWS, which then selects samples of those hunters for voluntary mail surveys. Information collected by the States and provided to the FWS includes name, mailing address, email address, date of birth, date the license was issued, what migratory game birds the person hunted the previous year, and approximately how many birds he or she took the previous year. We updated information for this system of records to reflect current categories of individuals and records covered by the system, as well as current locations of records and system managers. We deleted all categories of individuals and records related to bird banding permits and bird band encounters from this system, because those categories now fall under the purview of the U.S. Geological Survey.

The Privacy Act (5 U.S.C. 552a(e)(11)) requires that the public be provided a 30-day period in which to comment on the intended use of the information in the system of records. The Office of Management and Budget (OMB), in Circular A-130, requires an additional 10-day period (for a total of 40 days) in which to make these comments. Any persons interested in commenting on this proposed system notice may do so by submitting comments in writing as indicated under **ADDRESSES**. Comments received within 40 days of publication will be effective as proposed at the end of the comment period, unless comments are received that would require a contrary determination. We will publish a revised notice if we make changes based on our review of comments received.

Public Comments

You may submit your comments and supporting materials to the address in the **ADDRESSES** section. We will not consider comments sent by email or fax, or written comments sent to an address other than the one listed in the **ADDRESSES** section.

If you submit a comment, your entire comment—including any personal identifying information—may be available to the public. If you submit a comment that includes personal identifying information, you may request that we withhold the information from public review, but we cannot guarantee that we will be able to do so.

Dated: February 5, 2015.
