

protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>26</sup> and Rule 19b-4(f)(6) thereunder.<sup>27</sup>

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will enable the Exchange to meet its proposed implementation date of May 8, 2015, which will help facilitate the implementation of harmonized rules related to the adjustment and nullification of erroneous options transactions across the options exchanges. For this reason, the Commission designates the proposed rule change to be operative upon filing.<sup>28</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

<sup>26</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>27</sup> 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

<sup>28</sup> For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

#### Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number SR-NYSEArca-2015-41 on the subject line.

#### Paper Comments

- Send paper comments in triplicate to Brent J. Fields, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-NYSEArca-2015-41. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NYSEArca-2015-41, and should be submitted on or before June 4, 2015.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>29</sup>

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-74909; File No. SR-CTA/CQ-2015-01]

### Consolidated Tape Association; Notice of Filing of the Twenty Second Substantive Amendment to the Second Restatement of the CTA Plan and Sixteenth Substantive Amendment to the Restated CQ Plan

May 8, 2015.

Pursuant to Section 11A of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 608 thereunder,<sup>2</sup> notice is hereby given that on April 27, 2015, the Consolidated Tape Association ("CTA") Plan and Consolidated Quotation ("CQ") Plan participants ("Participants")<sup>3</sup> filed with the Securities and Exchange Commission ("Commission") a proposal to amend the Second Restatement of the CTA Plan and Restated CQ Plan (collectively, the "Plans").<sup>4</sup> The amendments represent the 22nd Substantive Amendment to the CTA Plan and 16th Substantive Amendment to the CQ Plan (collectively "the Amendments"). The Amendments propose to require the Participants to include timestamps in the trade-report and bid-and-offer information that they report to the Plans' processor.

The Commission is publishing this notice to solicit comments from interested persons on the proposed Amendments.

<sup>1</sup> 15 U.S.C. 78k-1.

<sup>2</sup> 17 CFR 242.608.

<sup>3</sup> Each participant executed the proposed Amendments. The Participants are: BATS Exchange, Inc. ("BATS"), BATS-Y Exchange, Inc. (BATS-Y), Chicago Board Options Exchange, Inc. (CBOE), EDGA Exchange, Inc. ("EDGA"), EDGX Exchange, Inc. ("EDGX"), Financial Industry Regulatory Authority, Inc. ("FINRA"), International Securities Exchange, LLC ("ISE"), NASDAQ OMX BX, Inc. ("NASDAQ BX"), NASDAQ OMX PHLX, Inc. ("NASDAQ PSX"), Nasdaq Stock Market LLC ("NASDAQ"), National Stock Exchange ("NSX"), New York Stock Exchange LLC ("NYSE"), NYSE MKT LLC ("NYSE MKT"), and NYSE Arca, Inc. ("NYSE Arca").

<sup>4</sup> See Securities Exchange Act Release Nos. 10787 (May 10, 1974), 39 FR 17799 (May 20, 1974) (declaring the CTA Plan effective); 15009 (July 28, 1978), 43 FR 34851 (August 7, 1978) (temporarily authorizing the CQ Plan); and 16518 (January 22, 1980), 45 FR 6521 (January 28, 1980) (permanently authorizing the CQ Plan). The most recent restatement of both Plans was in 1995. The CTA Plan, pursuant to which markets collect and disseminate last sale price information for non-NASDAQ listed securities, is a "transaction reporting plan" under Rule 601 under the Act, 17 CFR 242.601, and a "national market system plan" under Rule 608 under the Act, 17 CFR 242.608. The CQ Plan, pursuant to which markets collect and disseminate bid/ask quotation information for listed securities, is a "national market system plan" under Rule 608 under the Act, 17 CFR 242.608.

**I. Rule 608(a)***A. Purpose of the Amendments*

Section VI(c) of the CTA Plan specifies that the format for a trade's last sale price information that a Participant reports to the Processor under the CTA Plan shall include the stock symbol, the number of shares and the price of the transaction. Section VI(a) of the CQ Plan provides that each bid and offer that a Participant reports to the Processor under the CQ Plan shall be accompanied by the bid or offer's quotation size or aggregate quotation size.

The Amendments propose to add to those requirements that Participants shall also include in reports to the Processor the time of the trade or the quotation.

In the case of a Participant that is a national securities exchange, the time of the transaction or quotation is to be reported in microseconds as identified in the Participant's matching engine publication timestamp.

In the case of FINRA, the time of a transaction shall be the time of execution that a FINRA member reports to a FINRA trade reporting facility and the time of a bid or offer shall be the quotation publication timestamp that the bidding or offering member reports to the FINRA quotation facility, all in accordance with FINRA rules.

In addition, if the FINRA trade reporting facility or quotation facility provides a proprietary feed of trades or quotes reported by the facility to the Processor, then the FINRA facility shall also furnish the Processor with the time of the transmission as published on the facility's proprietary feed.

FINRA shall convert times that its members report to it in seconds or milliseconds to microseconds and shall furnish such times to the Processor in microseconds.

The Participants believe that adding timestamps to the elements that Participants must report in connection with trade reports and bids and offers will improve transparency regarding the latencies between the CTA and CQ Plans' consolidated data feeds and industry proprietary feeds. Users of the consolidated feeds would be better able to monitor the latency of those feeds and to assess whether such feeds meet their trading and other requirements.

*B. Governing or Constituent Documents*

Not applicable.

*C. Implementation of the Amendments*

All of the Participants have manifested their approval of the proposed Amendments by means of

their execution of the Amendments. The Plan Amendments would become operational upon approval by the Commission.

*D. Development and Implementation Phases*

Not applicable.

*E. Analysis of Impact on Competition*

The proposed Amendments do not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. They will improve transparency regarding the latencies between the CTA and CQ Plans' consolidated data feeds and industry proprietary feeds and will allow investors to monitor the latency of those feeds and to assess whether such feeds meet their trading and other requirements.

The Participants do not believe that the proposed plan Amendments introduce terms that are unreasonably discriminatory for the purposes of Section 11A(c)(1)(D) of the Exchange Act.<sup>5</sup>

*F. Written Understanding or Agreements Relating to Interpretation of, or Participation in, Plan*

Not applicable.

*G. Approval by Sponsors in Accordance With Plan*

See Item I.C above.

*H. Description of Operation of Facility Contemplated by the Proposed Amendments*

Not applicable.

*I. Terms and Conditions of Access*

See Item I.A above.

*J. Method of Determination and Imposition, and Amount of, Fees and Charges*

Not applicable.

*K. Method and Frequency of Processor Evaluation*

Not applicable.

*L. Dispute Resolution*

Not applicable.

**II. Rule 601(a)***A. Equity Securities for Which Transaction Reports Shall Be Required by the Plan*

Not applicable.

*B. Reporting Requirements*

See Item I.A above.

*C. Manner of Collecting, Processing, Sequencing, Making Available and Disseminating Last Sale Information*

See Item I.A above.

*D. Manner of Consolidation*

Not applicable.

*E. Standards and Methods Ensuring Promptness, Accuracy and Completeness of Transaction Reports*

The Amendments propose to add timestamps to Participant reports of trades. The addition of timestamps should provide investors with a more complete picture of trades, making those reports more complete and more accurate.

*F. Rules and Procedures Addressed to Fraudulent or Manipulative Dissemination*

Not applicable.

*G. Terms of Access to Transaction Reports*

Not applicable.

*H. Identification of Marketplace of Execution*

Not applicable.

**III. Solicitation of Comments**

The Commission seeks general comments on the Amendments. Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed Amendments are consistent with the Act. Comments may be submitted by any of the following methods:

*Electronic Comments*

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number SR-CTA/CQ-2015-01 on the subject line.

*Paper Comments*

- Send paper comments in triplicate to Brent J. Fields, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090. All submissions should refer to File Number SR-CTA/CQ-2015-01. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the Amendments that

<sup>5</sup> 15 U.S.C. 78K-1(c)(1)(D).

are filed with the Commission, and all written communications relating to the Amendments between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the Amendments also will be available for inspection and copying at the principal office of the CTA.

All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CTA/CQ-2015-01 and should be submitted on or before June 4, 2015.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>6</sup>

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-74919; File No. SR-Phlx-2015-43]

### Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 1092

May 8, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup>, and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that, on May 8, 2015, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to replace current Rule 1092 ("Current Rule"), entitled "Obvious Errors and Catastrophic Errors," with new Rule 1092 ("Proposed Rule"), entitled "Nullification and Adjustment of Options Transactions including Obvious Errors." Rule 1092 relates to the adjustment and nullification of electronic options transactions that occur on the Exchange.<sup>3</sup>

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose Background

For several months the Exchange has been working with other options exchanges to identify ways to improve the process related to the adjustment and nullification of erroneous options transactions. The goal of the process that the options exchanges have undertaken is to adopt harmonized rules related to the adjustment and nullification of erroneous options transactions as well as a specific provision related to coordination in connection with large-scale events involving erroneous options transactions. As described below, the Exchange believes that the changes the options exchanges and the Exchange have agreed to propose will provide transparency and finality with respect to the adjustment and nullification of

erroneous options transactions. Particularly, the proposed changes seek to achieve consistent results for participants across U.S. options exchanges while maintaining a fair and orderly market, protecting investors and protecting the public interest.

The Proposed Rule is the culmination of this coordinated effort and reflects discussions by the options exchanges to universally adopt: (1) Certain provisions already in place on one or more options exchanges; and (2) new provisions that the options exchanges collectively believe will improve the handling of erroneous options transactions. Thus, although the Proposed Rule is in many ways similar to and based on the Exchange's Current Rule, the Exchange is adopting various provisions to conform with existing rules of one or more options exchanges and also to adopt rules that are not currently in place on any options exchange. As noted above, in order to adopt a rule that is similar in most material respects to the rules adopted by other options exchanges, the Exchange proposes to delete the Current Rule in its entirety and to replace it with the Proposed Rule.

The Exchange notes that it has proposed additional objective standards in the Proposed Rule as compared to the Current Rule. The Exchange also notes that the Proposed Rule will ensure that the Exchange will have the same standards as all other options exchanges. However, there are still areas under the Proposed Rule where subjective determinations need to be made by Exchange personnel with respect to the calculation of Theoretical Price. The Exchange notes that the Exchange and all other options exchanges have been working to further improve the review of potentially erroneous transactions as well as their subsequent adjustment by creating an objective and universal way to determine Theoretical Price in the event a reliable NBBO is not available. For instance, the Exchange and all other options exchanges may utilize an independent third party to calculate and disseminate or make available Theoretical Price. However, this initiative requires additional exchange and industry discussion as well as additional time for development and implementation. The Exchange will continue to work with other options exchanges and the options industry towards the goal of additional objectivity and uniformity with respect to the calculation of Theoretical Price.

As additional background, the Exchange believes that the Proposed Rule supports an approach consistent

<sup>6</sup> 17 CFR 200.30-3(a)(27).

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> Disputes regarding trades that occur on the options trading floor are addressed by Rule 124.
