The hearing and business meeting are open to the public and will be held at the Washington Crossing Historic Park Visitor Center, 1112 River Road, Washington Crossing, Pennsylvania.

**Public Hearing.** The public hearing on June 9, 2015 will begin at 1:30 p.m. Hearing items will include: Draft dockets for the withdrawals, discharges and other water-related projects subject to the Commission's review; a resolution apportioning among the signatory parties the amounts required for support of the current expense and capital budgets for the fiscal year ending June 30, 2016; a resolution approving the annual current expense and capital budgets for the fiscal year ending June 30, 2016; and a proposed rule, published elsewhere in this issue of the **Federal Register**, amending DRBC's *Administrative Manual Part III—Rules of Practice and Procedure* to provide for the One Process/One Permit Program.

The list of projects scheduled for hearing, including project descriptions, will be posted on the Commission's Web site, [www.drbc.net](http://www.drbc.net), in a long form of this notice at least ten days before the hearing date. Draft resolutions scheduled for hearing also will be posted at [www.drbc.net](http://www.drbc.net) ten or more days prior to the hearing. Additional information related to the proposed rule to provide for the One Process/One

Permit Program can be found in separate notices of proposed rulemaking in the **Federal Register**, the register publications of each of the Commission's member states, and at [www.drbc.net](http://www.drbc.net).

Written comments on draft dockets and resolutions scheduled for hearing on June 9 will be accepted through the close of the hearing that day. After the hearing on all scheduled matters has been completed, and as time allows, an opportunity for public dialogue will also be provided.

The public is advised to check the Commission's Web site periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is deemed necessary to complete the Commission's review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that project details commonly change in the course of the Commission's review, which is ongoing.

There will be no opportunity for additional public comment at the June 10 business meeting on items for which a hearing was completed on June 9 or a previous date. Commission consideration on June 10 of items for which the public hearing is closed may result in either approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date. Items heard during the March 10, 2015 Public Hearing on which the Commission has not yet acted include draft dockets D-2014-008-1 for the Columbia Gas Transmission Corporation, and D-2014-022-1 for the Transcontinental Pipeline Company, LLC.
