Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the Federal Register and on the Department’s Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

85,883, Schlumberger, Anchorage, Alaska.
85,917, CP Medical Inc., Portland, Oregon.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

85,696, Hewlett Packard Company, Omaha, Nebraska.
85,853, Hewlett Packard Company, Omaha, Nebraska.

The following determinations terminating investigations were issued because the Department issued a negative determination on petitions related to the relevant investigation period applicable to the same worker group. The duplicative petitions did not present new information or a change in circumstances that would result in a reversal of the Department’s previous negative determination, and therefore, further investigation would duplicate efforts and serve no purpose.

85,794, Weyer Trucking, LLC, Friedens, Pennsylvania.

I hereby certify that the aforementioned determinations were issued during the period of April 13, 2015 through April 24, 2015. These determinations are available on the Department’s Web site www.tradeact/taa/taa_search_form.cfm under the searchable listing of determinations or by calling the Office of Trade Adjustment Assistance toll free at 888-365-6822.

Signed at Washington, DC, this 30th day of April 2015.

Michael W. Jaffe,
Certifying Officer, Office of Trade Adjustment Assistance.

Hewlett-Packard Co. HP Enterprise Group Americas Supply Chain Houston Manufacturing Including On-Site Leased Workers From Advantage Technical Resourcing, Bucher and Christian Consulting, Inc., CBSI LLC, Manpower, National Employment Service, Pinnacle Technical Resources, Inc., and Staff Management (a Subsidiary of Seaton, LLC) Houston, Texas; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on March 2, 2015, applicable to workers of Hewlett-Packard Co., HP Enterprise Group, Americas Supply Chain Houston Manufacturing, including on-site leased workers from Advantage Technical Resourcing, Bucher and Christian Consulting, Inc., CBSI LLC, Manpower, National Employment Service, Pinnacle Technical Resources, Inc., and Staff Management (a Subsidiary of Seaton, LLC) Houston, Texas, Texas; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance.

On March 10, 2015, the Department of Labor issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of Levi Strauss and Company, Eugene, Oregon. The notice was published in the Federal Register on March 31, 2015 (80 FR 17080).
Pursuant to 29 CFR 90.18(c), reconsideration may be granted under the following circumstances:
(1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;
(2) If it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or
(3) If in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

The initial investigation resulted in a negative determination based on findings that the worker separations at Levi Strauss & Co., Eugene, Oregon are not attributable to increased imports of articles or a shift in production of articles to a foreign country. The investigation also confirmed that the subject firm is not a Supplier or an End-User of imported articles.

The request for reconsideration asserts that the workers perform...
production forecasting activities and order management support of Levi Strauss’ production of clothing and apparel. The reconsideration application concludes that both activities drive production and has been shifted to a foreign country.

Information obtained during the investigation confirmed that Levi Strauss & Co. does not produce articles within the United States. The investigation confirmed that all production of articles for the Levi Strauss & Co. brand is done by another firm not covered under the definition of a “firm” in 29 CFR 90.2.

Therefore, after careful review of the request for reconsideration, the Department determines that 29 CFR 90.18(c) has not been met.

Conclusion
After careful review, I determine that the requirements of Section 222 of the Act, 19 U.S.C. 2272, have not been met and, therefore, deny the petition for adjustment assistance, in accordance with Section 223 of the Act, 19 U.S.C. 2273.

Signed in Washington, DC, on this 22nd day of April, 2015.

Michael W. Jaffe,
Certifying Officer, Office of Trade Adjustment Assistance.
