

detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it establishes controlled airspace at Clark County Airport, Clark, SD.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures" paragraph 311a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

RIN 1400–AD77

Amendment to the International Traffic in Arms Regulations: Policy on Exports to the Republic of Fiji

AGENCY: Department of State.

ACTION: Final rule.

SUMMARY: The Department of State is revising the International Traffic in Arms Regulations (ITAR) to rescind the previous policy of denying the export of defense articles and defense services to Fiji.

DATES: This rule is effective on May 29, 2015.

FOR FURTHER INFORMATION CONTACT: Mr. C. Edward Peartree, Director, Office of Defense Trade Controls Policy, Department of State, telephone (202) 663–2792; email DDTCPublicComments@state.gov. ATTN: Regulatory Change, Exports to Fiji.

SUPPLEMENTARY INFORMATION: The Department of State is amending the International Traffic in Arms Regulations (ITAR) to update the defense trade policy regarding Fiji. On September 17, 2014, Fiji's acting government followed through on its longstanding commitment to hold democratic elections. A Multinational Observer Group of over 90 international observers, representing 14 countries including the United States, characterized the election as credible and having represented the will of the people of Fiji. The Department has determined that is in the best interests of U.S. foreign policy, national security, and human rights concerns to rescind the previous policy of denying the export of defense articles and defense services to Fiji.
