

Populations” (59 FR 7629, February 16, 1994).

Since tolerances and exemptions that are established on the basis of a petition under FFDCA section 408(d), such as the tolerance in this final rule, do not require the issuance of a proposed rule, the requirements of the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*), do not apply.

This action directly regulates growers, food processors, food handlers, and food retailers, not States or tribes, nor does this action alter the relationships or distribution of power and responsibilities established by Congress in the preemption provisions of FFDCA section 408(n)(4). As such, the Agency has determined that this action will not have a substantial direct effect on States or tribal governments, on the relationship between the national government and the States or tribal governments, or on the distribution of power and responsibilities among the various levels of government or between the Federal Government and Indian tribes. Thus, the Agency has determined that Executive Order 13132, entitled “Federalism” (64 FR 43255, August 10, 1999) and Executive Order 13175, entitled “Consultation and Coordination with Indian Tribal Governments” (65 FR 67249, November 9, 2000) do not apply to this action. In addition, this action does not impose any enforceable duty or contain any unfunded mandate as described under Title II of the Unfunded Mandates Reform Act (UMRA) (2 U.S.C. 1501 *et seq.*).

This action does not involve any technical standards that would require Agency consideration of voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note).

**VII. Congressional Review Act**

[MB Docket No. 15–98; RM–11748; DA 15–621]

**Television Broadcasting Services; Providence, Rhode Island**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** The Commission has before it a Notice of Proposed Rulemaking issued in response to a petition for rulemaking filed by WJAR Licensee, LLC (the Licensee), the licensee of WJAR(TV), channel 51, Providence, Rhode Island, requesting the substitution of channel 50 for channel 51 at Providence. The licensee filed comments reaffirming its interest in the proposed channel substitution and stated that if the proposal is granted, it will promptly file an application for the facilities specified in its rulemaking petition and construct the station. The licensee asserts that adopting the proposed channel substitution would serve the public interest because it would remove any potential interference with a wireless licensee in the Lower 700 MHz A Block located adjacent to channel 51 in Providence, Rhode Island-New Bedford, Massachusetts and Boston, Massachusetts television markets.

**DATES:** This rule is effective May 29, 2015.
