SUMMARY:

The Administration for Children and Families (ACF), Office of Refugee Resettlement, announces the award of the Single-Source Program Expansion Supplement Grant to the U.S. Committee for Refugees and Immigrants in Arlington, VA.

AGENCY: Office of Refugee Resettlement, ACF, HHS.

ACTION: Announcement of the award of a single-source program expansion supplement grant to U.S. Committee for Refugees and Immigrants (USCRI).

SUMMARY: The Administration for Children and Families (ACF), Office of Refugee Resettlement (ORR) announces the award of a single-source program expansion supplement grant to U.S. Committee for Refugees and Immigrants in Arlington, Virginia for a total of $1,060,805.

The supplemental funding will ensure that clients’ essential needs, such as housing, transportation, communication, food, and medical care, will be met. The supplemental funding will also ensure that USCRI has sufficient staff for the increased number of cases.

DATES: The period of support under these supplements is June 01, 2015 through September 29, 2015.

FOR FURTHER INFORMATION CONTACT: Maggie Wynne, Director, Division of Anti-Trafficking in Persons, Office of Refugee Resettlement, 901 D Street SW., Washington, DC 20024, Telephone (202) 401–4664. Email: maggie.wynne@acf.hhs.gov.

SUPPLEMENTARY INFORMATION: The National Human Trafficking Victim Assistance Program (NHTVAP) provides funding for comprehensive case management services to victims of trafficking and certain family members on a per capita basis. The NHTVAP grantees help clients gain access to housing, employability services, mental health screening and therapy, medical care, and some legal services. During FY 2015, a grantee, U.S. Committee for Refugees and Immigrants (USCRI), served more clients than it had planned for in its budget for the year. Without the additional funding, USCRI would have to make significant cuts in services to current clients and limit the enrollment of new clients. Also, without additional funding USCRI would not have sufficient programmatic support for the increase in client enrollments. With the supplemental funding, USCRI will be able to ensure that all of the clients’ essential needs will be met.
