### Applicants’ Representations

1. The Company was organized as a Maryland corporation on February 29, 1988 and is registered under the 1940 Act as an open-end management investment company (Reg. File No. 811-5518). The Company is a series investment company as defined by Rule 18f-2 under the 1940 Act and is currently comprised of twenty-three portfolios managed by ten different investment advisers, six sub-advisers and seven commodity trading sub-advisers hereinafter collectively, (the “investment advisers”). The investment advisers may or may not be affiliated with each other. None of the current investment advisers are affiliated with the Company. Each portfolio pursues its own investment strategy and is liable for its own expenses. However, the combination of multiple portfolios managed by multiple investment advisers into a single registered investment company allows the portfolios to share a single Board of Directors (“Board”), as well as common officers, fund counsel, custodian and other service providers. Expenses common to one or more portfolios can be shared by those portfolios, thus allowing the portfolios to realize economies of scale and reduce operating expenses. The Company may establish additional portfolios and classes of shares of each portfolio in the future. Shares of the Funds will not be offered to the general public.
