

provide that the fidelity insurance company will provide all funds covered by the bond with a copy of the agreement, a copy of any claim on the bond, and notification of the terms of the settlement of any claim prior to execution of that settlement. Finally, a fund that is insured by a joint bond must enter into an agreement with all other parties insured by the joint bond regarding recovery under the bond.

#### Filings With the Commission

Upon the execution of a fidelity bond or any amendment thereto, a fund must file with the Commission within 10 days: (i) A copy of the executed bond or any amendment to the bond, (ii) the independent directors' resolution approving the bond, and (iii) a statement as to the period for which premiums have been paid on the bond. In the case of a joint insured bond, a fund must also file: (i) A statement showing the amount the fund would have been required to maintain under the rule if it were insured under a single insured bond; and (ii) the agreement between the fund and all other insured parties regarding recovery under the bond. A fund must also notify the Commission in writing within five days of any claim or settlement on a claim under the fidelity bond.

#### Notices to Directors

A fund must notify by registered mail each member of its board of directors of: (i) Any cancellation, termination, or modification of the fidelity bond at least 45 days prior to the effective date; and (ii) the filing or settlement of any claim under the fidelity bond when notification is filed with the Commission.

Rule 17g-1's independent directors' annual review requirements, fidelity bond content requirements, joint bond agreement requirement, and the required notices to directors are designed to ensure the safety of fund assets against losses due to the conduct of persons who may obtain access to those assets. These requirements also seek to facilitate oversight of a fund's fidelity bond. The rule's required filings with the Commission are designed to assist the Commission in monitoring funds' compliance with the fidelity bond requirements.

Based on conversations with representatives in the fund industry, the Commission staff estimates that for each of the estimated 3,319 active funds (respondents),<sup>1</sup> the average annual

paperwork burden associated with rule 17g-1's requirements is two hours, one hour each for a compliance attorney and the board of directors as a whole. The time spent by a compliance attorney includes time spent filing reports with the Commission for fidelity losses (if any) as well as paperwork associated with any notices to directors, and managing any updates to the bond and the joint agreement (if one exists). The time spent by the board of directors as a whole includes any time spent initially establishing the bond, as well as time spent on annual updates and approvals. The Commission staff therefore estimates the total ongoing paperwork burden hours per year for all funds required by rule 17g-1 to be 6,638 hours (3,319 funds x 2 hours = 6,638 hours).

These estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act. These estimates are not derived from a comprehensive or even a representative survey or study of Commission rules. The collection of information required by Rule 17g-1 is mandatory and will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
