SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Library Borrowers'/Users' Profile Files; GLIS Registration Form DA Form 745, OMB Control No. 0702-XXXX.

Needs and Uses: The information collection requirement is necessary to identify individuals authorized to borrow library materials from Army libraries; to ensure that all Army library property is returned and individual's account is cleared, and to provide librarian useful information for selecting, ordering, and meeting user requirements; to comply with the Children's Internet Protection Act and to provide authentication for borrowed electronic resources (for example, e-books, e-journals).

Affected Public: Individuals or Households.

Annual Burden Hours: 9,750.

Number of Respondents: 39,000.

Responses per Respondent: 1.

Annual Responses: 39,000.

Average Burden per Response: 15 minutes.

Frequency: One Time.

Respondents are individuals or households who register at Army installation's Morale, Welfare and Recreation (MWR) libraries or other Army libraries in order to check out print, audio-visual, and/or electronic materials. Army MWR libraries collect name, address, phone number, last four digits of Social Security Number (SSN), DoD ID number, rank, date of birth, and email address in order to identify individuals authorized to borrow library materials, to ensure that all library property is returned, and the individual's account is cleared. As there are over 500,000 registered borrowers/users in the MWR General Library Information System (GLIS), several identifiers are needed to match the record with the person requesting service. During registration, library borrowers agree to be responsible for replacement or reimbursement for lost or damaged materials borrowed by themselves or authorized Family members using Form DA 7745. If the responsible party does not replace or

reimburse the library, AR 735-17 authorizes the library to collect the cost of the item. For service members, the Defense Finance and Accounting Services (DFAS) requires at least the last four numbers of the social security number to collect the debt. Other Army libraries collect less types of personal information for the borrower/user profile such as no SSN or no DoD ID.

POLICY JUSTIFICATION*Turkey—MK 15 Phalanx CIWS Upgrades*

The Republic of Turkey has requested a possible sale for four (4) MK 15 Phalanx Close-In Weapons System (CIWS) Block 1B Baseline 2 systems and the overhaul, upgrade, and conversion of seventeen (17) MK 15 Phalanx CIWS Block 0 systems to the Block 1B Baseline 2 configuration. Also included are twenty one (21) Remote Control Stations, twenty one (21) Local Control Stations, spare and repair parts, support and test equipment, personnel training and training equipment, publications and technical documentation, U.S. Government and contractor engineering, technical, and logistics support services, and other related elements of program and logistics support. The estimated cost is \$310 million.

Turkey is a partner of the United States in ensuring peace and stability in the region. It is vital to the U.S. national interest to assist our NATO ally in developing and maintaining a strong and ready self-defense capability. This proposed sale is consistent with those objectives.

The proposed sale will provide the Turkish Navy with enhanced self-defense capabilities for surface combatants supporting both national and multinational naval operations. The sale will extend the life of existing weapons systems and add four new weapons to Turkey's two future Landing Ships Tank (LST) vessels. Turkey has significant experience in maintaining and supporting CIWS, particularly MK 15 Phalanx CIWS Block 0, and has capable infrastructure that will require minimal updates.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Raytheon Missile Systems in Tucson, Arizona. The purchaser has requested offsets. At this time, agreements are undetermined and will be defined in negotiations between the purchaser and contractor.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to Turkey. However, Contractor Engineering and Technical Services (CETS) may be required on an interim basis for installations and integration.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

Title of Collection: Mandatory Civil Rights Data Collection.

OMB Control Number: 1870-0504.

Type of Review: A revision of an existing information collection.

Abstract: The collection, use, and reporting of education data is an integral component of the mission of the U.S. Department of Education (ED). EDFacts, an ED initiative to put performance data at the center of ED's policy, management, and budget decision-making processes for all K-12 education programs, has transformed the way in which ED collects and uses data. For school years 2009-10 and 2011-12, the Civil Rights Data Collection (CRDC) was approved by OMB as part of the EDFacts information collection (1875-0240). For school years 2013-14 and 2015-16, the Office for Civil Rights (OCR) cleared the CRDC as a separate collection from EDFacts. OCR used the most current EDFacts information collection approved by OMB (1875-0240) as a model for the 2013-14 and 2015-16 CRDC information collection that was approved by OMB (1870-0504) in February 2014. Similarly, the currently proposed revised CRDC information collection for school year 2015-16 is modeled after the most recent OMB-approved EDFacts information collection. Except for a few data elements that were revised based on recommendations received from various school districts and advice received from experts across ED, the currently proposed CRDC information collection for school year 2015-16 is identical to the information collection for school year 2015-16 that was approved by OMB in February 2014. As with previous CRDC collections, the purpose of the 2015-16 CRDC is to obtain vital data related to the civil rights laws'
