SUPPLEMENTARY INFORMATION:

A. Purpose

The General Services Administration (GSA) has various mission responsibilities related to the acquisition and provision of the Federal

Acquisition Service’s (FAS’s) Stock, Special Order, and Schedules Programs. These mission responsibilities generate requirements that are realized through the solicitation and award of various types of FAS contracts. Individual solicitations and resulting contracts may impose unique information collection and reporting requirements on contractors, not required by regulation, but necessary to evaluate particular program accomplishments and measure success in meeting program objectives. As such, the General Services Administration Acquisition Regulation (GSAR) 516.506, Solicitation provision and clauses, specifically directs contracting officers to insert 552.216–72, Placement of Orders, when the contract authorizes FAS and other activities to issue delivery or task orders and 552.216–73, Ordering Information, directs the Offeror to elect to receive orders placed by FAS by either facsimile transmission or computer-to-computer Electronic Data Interchange (EDI).

B. Annual Reporting Burden

Since the first notice of an extension request was posted, updated data for the number of respondents was obtained. The number of vendors, *i.e.* respondents, electing to receive orders electronically has increased significantly since the last information collection renewal. The increased vendor interest is likely the result of general adoption of technology advancements and implementation support from the GSA Vendor Support Center. The resulting updated total burden hours is detailed below.

Respondents: 26,756.
Responses per Respondent: 1.
Annual Responses: 26,756.
Hours per Response: .25.
Total Burden Hours: 6,689.

C. Public Comments

Public comments are particularly invited on: Whether this collection of information is necessary and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate and based on valid assumptions and methodology; and ways to enhance the quality, utility, and clarity of the information to be collected.

Obtaining Copies of Proposals: Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street NW., Washington, DC 20405, telephone 202–501–4755.
