Administration on Community Living

Proposed Information Collection Activity; Comment Request; Protection and Advocacy Statement of Goals and Priorities

AGENCY: Administration for Community Living, Administration on Intellectual and Developmental Disabilities, HHS.

ACTION: Notice.

SUMMARY: Federal statute and regulation require each Protection and Advocacy (P&A) System to prepare and submit to HHS a Statement of Goals and Priorities

(SGP) for the P&A for Developmental Disabilities (PADD) program for each coming fiscal year. While the P&A is mandated to protect and advocate under a range of different Federally authorized disabilities programs, only the PADD program requires an SGP. Following the required public input for the coming fiscal year, the P&As submit the final version of this SGP to the Administration on Intellectual and Developmental Disabilities (AIDD). AIDD will analyze each SGP for compliance and aggregate the information in the SGPs into a national profile of programmatic emphasis for P&A Systems in the coming year. This aggregation will provide AIDD with a

tool for monitoring of the P&As, including the public input requirement. Furthermore, it will provide an overview of program priorities, and permit AIDD to track accomplishments against goals, permitting the formulation of technical assistance and compliance with the Developmental Disabilities Assistance and Bill of Rights Act of 2000.
