Abstract: The Electronic Funds Transfer Act (EFTA) ensures adequate disclosure of basic terms, costs, and rights relating to electronic fund transfer (EFT) services debiting or crediting a consumer's account. The disclosures required by the EFTA are triggered by certain specified events. The disclosures inform consumers about the terms of the electronic fund transfer service, activity on the account, potential liability for unauthorized transfers, and the process for resolving errors. To ease institutions' burden and cost of complying with the disclosure requirements of Regulation E (particularly for small entities), Regulation E includes model forms and disclosure clauses.

Regulation E applies to all financial institutions. In addition, certain provisions in Regulation E apply to entities that are not financial institutions, including those that act as service providers or automated teller machine (ATM) operators, merchants and other payees that engage in electronic check conversion (ECK) transactions, the electronic collection of returned item fees, or preauthorized transfers, issuers and sellers of gift cards and gift certificates, and remittance transfer providers.

Board of Governors of the Federal Reserve System, June 4, 2015.

Secretary of the Board.
