that apply jointly with 501(c)(3) non-profit organizations are eligible for AFI grants. For more information on the AFI program, go to http://www.acf.hhs.gov/programs/ocs/resource/assets-for-independence-program-summary.

OCS is proposing to create an AFI program specific PPR to replace two current AFI reports: The Semiannual Standard Form Performance Progress Report (SF–PPR) and the annual data report. The AFI PPR would collect data on project activities and attributes similar to the reports that it is replacing. OCS plans to use the data collected in the AFI PPR to prepare the annual AFI Report to Congress, to evaluate and monitor the performance of the AFI program overall and of individual projects, and to inform and support technical assistance efforts. The AFI Act (Title IV of the Community Opportunities, Accountability, and Training and Educational Services Act of 1998, Public Law 105–285, [42 U.S.C. 604 note]) requires that organizations operating AFI projects submit annual progress reports, and the AFI PPR would fulfill this requirement. OCS has proposed that the AFI PPR would be submitted quarterly: Three times per year using an abbreviated short form and one time using a long form. Both draft data collection instruments are available for review at http://idaresources.acf.hhs.gov/AFIPPR, along with additional details about this proposal.
