

- Paper Size: 8.5 x 11 with three-quarter (.75) inch margins on all sides.
- Font and Font Size: Calibri, 11 point.

4. *Prizes for Winners:* SBA will award up to \$250,000 and up to two (2) prizes under this announcement to cities and Native American Communities that are selected as winners.

Because the subject of this competition is not just the development of online tools to streamline the business startup process, but also the implementation and improvement of such tools, prizes will be disbursed in three payments. The first payment, equal to 60 percent of a winner's total prize amount, will be disbursed once all initial requirements (*i.e.* taking the Startup in a Day pledge, etc.) have been met. The second payment, equal to 20 percent of a winner's total prize amount, will be disbursed after a winner has presented a demonstration of its open source solution to SBA and Agency staff has deemed that solution satisfactory. This demonstration must be presented within six (6) months of the date of the award unless otherwise specified by the SBA. The remaining 20 percent of the total prize amount will be disbursed after a winner submits a written assessment that includes, but is not limited to, the outcomes and outputs of its Startup in a Day activities as measured by the metrics outlined in its proposal, a summary of any lessons learned and best practices, and suggestions for any improvements to the design or implementation of similar competitions in the future. Winners must base this assessment on a period of live operation of their Startup in a Day Web tools that is at least six (6) months and no more than twelve (12) months in length.

Regardless of the length of the period of operation on which they are based, the written assessment must be submitted to SBA no later than 15 months after a winner receives its first prize payment. The written assessments, or portions thereof, may be made public. Further guidance regarding the format and means of submission of these assessments will be provided to winners prior to their acceptance of prizes.

All prizes will be paid via the Automated Clearing House (ACH) and winners will be required to create an account in the System for Award Management (SAM) in order to receive their prizes.

5. *Selection of Winners:* Competition entries will be evaluated by a review committee that may be comprised of SBA officials, employees of other Federal agencies, and/or private sector experts. Winners will be selected based

on the quality, clarity, completeness, and feasibility of their proposals in addressing the issues outlined in Item 3 of this Competition announcement. In addition, in order to achieve nationwide distribution of prizes for the purpose of assisting business startups across the entire United States, SBA may take into account contestants' geographic locations and areas of service when selecting winners. For the announcement of winners, any travel or related expenses to attend an event will be the responsibility of the winner and may not be paid with prize funds.

6. *Applicable Law:* This Competition is being conducted by SBA pursuant to the America Competes Act (15 U.S.C. 3719) and is subject to all applicable federal laws and regulations. By participating in this Competition, each contestant gives its full and unconditional agreement to the Official Rules and the related administrative decisions described in this notice, which are final and binding in all matters related to the Competition. A contestant's eligibility for a prize award is contingent upon their fulfilling all requirements identified in this notice. Publication of this notice is not an obligation of funds on the part of SBA. SBA reserves the right to modify or cancel this Competition, in whole or in part, at any time prior to the award of prizes.

7. *Conflicts of Interest:* No individual acting as a judge at any stage of this Competition may have personal or financial interests in, or be an employee, officer, director, or agent of any contestant or have a familial or financial relationship with a contestant.

8. *Intellectual Property Rights:* All entries submitted in response to this Challenge will remain the sole intellectual property of the individuals or organizations that developed them. By registering and entering a submission, each contestant represents and warrants that it is the sole author and copyright owner of the submission, and that the submission is an original work of the contestant, or if the submission is a work based on an existing application, that the contestant has acquired sufficient rights to use and to authorize others to use the submission, and that the submission does not infringe upon any copyright or upon any other third party rights of which the contestant is aware.

9. *Publicity Rights:* By registering and entering a submission, each contestant consents to SBA's and its agents' use, in perpetuity, of its name, likeness, photograph, voice, opinions, and/or hometown and state information for promotional or informational purposes

through any form of media, worldwide, without further payment or consideration.

10. *Liability and Insurance Requirements:* By registering and entering a submission, each contestant agrees to assume any and all risks and waive claims against the Federal Government and its related entities, except in the case of willful misconduct, for any injury, death, damage, or loss of property, revenue, or profits, whether direct, indirect, or consequential, arising from their participation in this Competition, whether the injury, death, damage, or loss arises through negligence or otherwise. By registering and entering a submission, each contestant further represents and warrants that it possesses sufficient liability insurance or financial resources to cover claims by a third party for death, bodily injury, or property damage or loss resulting from any activity it carries out in connection with its participation in this Competition, or claims by the Federal Government for damage or loss to Government property resulting from such an activity. Competition winners should be prepared to demonstrate proof of insurance or financial responsibility in the event SBA deems it necessary.

11. *Record Retention and Disclosure:* All submissions and related materials provided to SBA in the course of this Competition automatically become SBA records and cannot be returned. Contestants should identify any confidential commercial information contained in their entries at the time of their submission.

Award Approving Official:

## SMALL BUSINESS ADMINISTRATION

### Announcement of Startup in a Day Competition—Start Small Model

**AGENCY:** U.S. Small Business Administration.

**ACTION:** Notice.

---

**SUMMARY:** The U.S. Small Business Administration (SBA) announces the 2015 Startup in a Day Competition—Start Small Model, pursuant to the

America Competes Act, to spur the development, implementation, and improvement of online tools that will let entrepreneurs learn about the business startup process in their area, including how to register and apply for all required local licenses and permits—all in one day or less.

**DATES:** The submission period for entries begins 12:00 p.m. EDT, June 11, 2015 and ends July 13, 2015 at 11:59 p.m. EDT. Winners will be announced no later than August 31, 2015.

**ADDRESSES:** For further information, please contact the U.S. Small Business Administration, Startup in a Day—IGA, 409 Third Street SW., Washington, DC 20416, (202) 205-7364, [startup@sba.gov](mailto:startup@sba.gov).

**SUPPLEMENTARY INFORMATION:**

**Competition Details**

1. *Subject of Competition:* The SBA is seeking to support entrepreneurs who are navigating the requirements to start a business. Currently many of these requirements are in multiple locations and a streamlined approach could help entrepreneurs startup more easily. The Startup in a Day Competition—Start Small Model is designed to spur the development, implementation, and improvement of online tools that will let entrepreneurs learn about the business startup process in their area, including how to register and apply for all required local licenses and permits, in one day or less. In order to maximize the success of this Competition, SBA will work with the National League of Cities (NLC), an advocacy organization representing thousands of municipalities, to establish a formal mechanism by which all Startup in a Day Competition winners will be able to collaborate and share best practices.

In conjunction with the Startup in a Day Competition, President Barack Obama is asking cities and Native American Communities across America to take a pledge to support entrepreneurs in their area by making it easier to start a business (for the text of this pledge, see [sba.gov/startup](http://sba.gov/startup)). While it is not required to enter this Competition, all cities and Native American Communities are encouraged to take the pledge. As an additional encouragement, entries submitted by cities and Native American Communities that do take the pledge will receive five (5) bonus points during the evaluation process, as stipulated in Item 3: Part V below. Furthermore, all Startup in a Day Competition—Start Small Model winners will be required to take the pledge prior to receiving their prizes.

An additional aim of this competition is to stimulate economic development in certain Priority Communities. For purposes of the Startup in a Day Competition—Start Small Model, Priority Communities are those cities that fall into one or more of the following categories (**Note:** Under the Startup in a Day Competition—Start Small Model, prizes for Native American Communities are being funded and scored separately and are not eligible for Priority Community consideration. However, both cities and Native American Communities are eligible for additional points for agreeing to the Startup in a Day Pledge. See Item 3: Part V below for more details.):

- Rural/Non-Metropolitan: Cities having a population of less than 50,000. Please reference <http://quickfacts.census.gov/qfd/index.html>.
- High Poverty: Cities where 20 percent or more of residents are below the poverty level. Please reference <http://quickfacts.census.gov/qfd/index.html>.
- Veterans Economic Community: Being an official participant in the Veterans Economic Communities Initiative. To view the list of participating cities, please go to <http://www.blogs.va.gov/VAntage/20015/va-launches-campaign-increase-veterans-economic-potential/>.
- Promise Zone: Being officially designated as a Promise Zone. To view the list of designated Promise Zones and lead organizations, please go to [www.hud.gov/promisezones](http://www.hud.gov/promisezones).

2. *Eligibility Rules for Participating in the Competition:* This Competition is open only to the local governments of United States cities (referred to as municipalities and townships by the U.S. Census Bureau<sup>1</sup>) or American Indian, Alaska Native, or Native Hawaiian communities, or their constituent agencies and subdivisions. No city or Native American Community may submit more than one entry to the Startup in a Day Competition—Start Small Model. However, cities and Native American Communities are allowed to apply to both the Startup in a Day Competition—Start Small Model and to the Startup in a Day Competition—Dream Big Model (see separate announcement). Cities and Native American Communities must submit a separate application for each competition. However, please note that a city or Native American Community

cannot win a prize under both announcements. If a city or Native American Community is a finalist for both competitions, the city or Native American Community will be awarded the larger prize. No city or Native American Community that is currently suspended or debarred by the Federal government is eligible to take part in this Competition.

3. *Registration Process for Contestants:* Contestants in the Startup in a Day Competition—Start Small Model must submit their entries online using the link designated for that purpose on [challenge.gov](http://challenge.gov), either by filtering search criteria to “Small Business Administration” or going to [sba.gov/startup](http://sba.gov/startup), where the link will be posted. In addition to the basic details collected in that short application form, contestants must also complete and submit via [challenge.gov](http://challenge.gov) a proposal and attachments that addresses all of the items identified below:

*Authorization Statement (Not to exceed one (1) page)*

- A letter or signed statement by the city or Native American Community representative, council, or equivalent approving or authorizing the entry on behalf of the city or Native American Community.

*Proposal (Parts I–III not to exceed two (2) pages)*

- Part I: City or Native American Community Description (20 points)
  - (i) Briefly describe your city or Native American Community and its story (include applicable data from the most current source (*i.e.* U.S. Census Bureau’s ACS)). If your city qualifies as a Priority Community as defined in Item 1, also see Part IV below.
  - (ii) Describe the demand for registering and obtaining permits, resources, etc. for small businesses in your city or Native American Community (include quantitative analysis).
- Part II: Problem(s) and Solution(s) (40 points)
  - (i) Describe the current process, including the problems/obstacles, an entrepreneur experiences while trying to register and obtain permits, resources, etc. as a small businesses in your city or Native American Community.
  - (ii) Describe the solution that would solve the problems/obstacles described above, if awarded a prize.
- Part III: Implementation (40 points)
  - (i) Outline the anticipated timeframe for implementing the solution described above.
  - (ii) Describe the top five (5) metrics relevant to outputs and outcomes that

<sup>1</sup> U.S. Census Bureau, Governments Division, *Lists and Structure of Governments*, Washington, DC: U.S. Census Bureau. Accessed May 18, 2015, [http://www.census.gov/govs/go/municipal\\_township\\_govs.html](http://www.census.gov/govs/go/municipal_township_govs.html).

would measure your city's or Native American Community's success in solving the stated problems/obstacles.

(iii) Describe any additional resources that will need to be leveraged, including partnerships, to fully implement the proposed solution.

*Optional Proposal Addenda (Parts IV and V not to exceed one (1) page for each part)*

- Part IV: Service to Priority Communities as Defined in Item 1 (up to 10 bonus points . . . five (5) points for each eligible Priority Community to be served, up to two (2) communities)

(i) State the Priority Community to be served.

(ii) Briefly describe the Priority Community in your city (include applicable data from the most current sources (*i.e.*, U.S. Census Bureau's ACS)).

(iii) Describe the demand from the Priority Community for registering small businesses and/or obtaining permits, resources, etc. in your city (include quantitative analysis).

- Part V: Taking the Startup in a Day Pledge (five (5) bonus points). Cities and Native American Communities that agree to the Startup in a Day Pledge (for the text of the pledge, see *sba.gov/startup*) will receive five (5) bonus points. Applicants only need to provide a statement that they agree to the Startup in a Day Pledge.

Proposals may not include any confidential and/or proprietary information and must be formatted as follows:

- Length: No more than two (2) pages to answer Parts I–III. No more than one (1) page to answer Part IV and one (1) page to answer Part V.

- Spacing: 1.5 lines

- Paper Size: 8.5 × 11 with three-quarter (.75) inch margins on all sides
- Font and Font Size: Calibri, 11 point

4. *Prizes for Winners:* In total, SBA will award up to \$1.35 million in prizes under this announcement. SBA will award up to \$1.25 million and no more than 25 prizes of up to \$50,000 each to cities that are selected as winners. Due to the use of additional funding sources with different constraints, SBA will also separately award no more than two (2) prizes of up to \$50,000 each to winning entries submitted by Native American Communities.

Because the subject of this competition is not just the development of online tools to streamline the business startup process, but also the implementation and improvement of such tools, prizes will be disbursed in two payments. The first payment, equal

to 80 percent of a winner's total prize amount, will be disbursed once all initial requirements (*i.e.* taking the Startup in a Day pledge, etc.) have been met. The remaining 20 percent of the total prize amount will be disbursed after a winner submits a written assessment that includes, but is not limited to, the outcomes and outputs of its Startup in a Day activities as measured by the metrics outlined in its proposal, a summary of any lessons learned and best practices, and suggestions for any improvements to the design or implementation of similar competitions in the future. Winners must base this assessment on a period of live operation of their Startup in a Day Web tools that is at least six (6) months and no more than twelve (12) months in length.

Regardless of the length of the period of operation on which they are based, the written assessment must be submitted to SBA no later than 15 months after a winner receives its first prize payment. The written assessments, or portions thereof, may be made public. Further guidance regarding the format and means of submission of these assessments will be provided to winners prior to their acceptance of prizes.

All prizes will be paid via the Automated Clearing House (ACH) and winners will be required to create an account in the System for Award Management (SAM) in order to receive their prizes.

5. *Selection of Winners:* Competition entries will be evaluated by a review committee that may be comprised of SBA officials, employees of other Federal agencies, and/or private sector experts. Winners will be selected based on the quality, clarity, completeness, and feasibility of their proposals in addressing the issues outlined in Item 3 of this Competition announcement. In addition, in order to achieve nationwide distribution of prizes for the purpose of assisting business startups across the entire United States, SBA may take into account contestants' geographic locations and areas of service when selecting winners. For the announcement of winners, any travel or related expenses to attend an event will be the responsibility of the winner and may not be paid with prize funds.

6. *Applicable Law:* This Competition is being conducted by SBA pursuant to the America Competes Act (15 U.S.C. 3719) and is subject to all applicable federal laws and regulations. By participating in this Competition, each contestant gives its full and unconditional agreement to the Official Rules and the related administrative decisions described in this notice,

which are final and binding in all matters related to the Competition. A contestant's eligibility for a prize award is contingent upon their fulfilling all requirements identified in this notice. Publication of this notice is not an obligation of funds on the part of SBA. SBA reserves the right to modify or cancel this Competition, in whole or in part, at any time prior to the award of prizes.

7. *Conflicts of Interest:* No individual acting as a judge at any stage of this Competition may have personal or financial interests in, or be an employee, officer, director, or agent of any contestant or have a familial or financial relationship with a contestant.

8. *Intellectual Property Rights:* All entries submitted in response to this Challenge will remain the sole intellectual property of the individuals or organizations that developed them. By registering and entering a submission, each contestant represents and warrants that it is the sole author and copyright owner of the submission, and that the submission is an original work of the contestant, or if the submission is a work based on an existing application, that the contestant has acquired sufficient rights to use and to authorize others to use the submission, and that the submission does not infringe upon any copyright or upon any other third party rights of which the contestant is aware.

9. *Publicity Rights:* By registering and entering a submission, each contestant consents to SBA's and its agents' use, in perpetuity, of its name, likeness, photograph, voice, opinions, and/or hometown and state information for promotional or informational purposes through any form of media, worldwide, without further payment or consideration.

10. *Liability and Insurance Requirements:* By registering and entering a submission, each contestant agrees to assume any and all risks and waive claims against the Federal Government and its related entities, except in the case of willful misconduct, for any injury, death, damage, or loss of property, revenue, or profits, whether direct, indirect, or consequential, arising from their participation in this Competition, whether the injury, death, damage, or loss arises through negligence or otherwise. By registering and entering a submission, each contestant further represents and warrants that it possesses sufficient liability insurance or financial resources to cover claims by a third party for death, bodily injury, or property damage or loss resulting from any activity it carries out in connection with its

participation in this Competition, or claims by the Federal Government for damage or loss to Government property resulting from such an activity. Competition winners should be prepared to demonstrate proof of insurance or financial responsibility in the event SBA deems it necessary.

11. *Record Retention and Disclosure:* All submissions and related materials provided to SBA in the course of this Competition automatically become SBA records and cannot be returned. Contestants should identify any confidential commercial information contained in their entries at the time of their submission.

## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

#### Environmental Impact Statement: Norfolk International Airport, Norfolk, VA

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice of intent.

**SUMMARY:** The FAA is issuing this notice to advise the public that an Environmental Impact Statement (EIS) will be prepared for proposed improvements to the Norfolk International Airport (ORF).

In October 2008, the Norfolk Airport Authority (NAA), owner and operator of ORF, prepared a Master Plan Update (MPU) to document changes occurring "in Airport facilities and activity that have taken place since the 1995 Master Plan Update," to "provide the Authority with a development plan for the Airport through 2024," and to address compliance shortfalls with published safety standards. Following the MPU, NAA prepared technical documents that focused on the potential construction of a replacement secondary runway. The first was the December 2008 Supplemental Technical Analyses for the Proposed Secondary Runway at Norfolk International Airport and the second was the December 2009

Justification for Proposed Runway 5R/23L. In 2008 NAA also developed an Airport Layout Plan (ALP) that evaluated and noted future development needs at ORF. The ALP included a Capital Improvement Program (CIP) for the Airport to address Federal Aviation Administration (FAA) design standards for the Airport's existing crosswind Runway 14/32. During its planning process, NAA explored a number of alternatives to meet FAA design standards while also providing the flexibility needed to operate without interruption during various conditions. These alternatives included the potential construction of a replacement secondary runway as well as improvements to the existing crosswind Runway 14/32. The FAA will evaluate and consider the Airport's MPU, ALP, and associated planning efforts when considering reasonable and feasible alternatives for the ORF EIS.

Based on these previous planning efforts, the primary components of NAA's proposed project at ORF include:

- Decommissioning and demolition of Runway 14/32
- Constructing a relocated secondary runway parallel to and separated by 876 feet from the existing Runway 5/23. The proposed Runway 5R/23L would be 6,500 feet long by 150 feet wide.

The purpose of the proposed project is:

- To meet relevant FAA airfield safety standards and enhance airfield safety without reducing runway availability. Relevant airfield safety standards include:
  - Runway Safety Area, which is designed to provide additional safety in the event an aircraft leaves the runway;
  - Runway Protection Zone, which is area at ground level prior to the threshold or beyond the runway end to enhance the safety and protection of people and property on the ground; and
  - Runway Object Free Area, which is designed to provide an area clear of objects surrounding a runway.
- To enhance operational efficiency and maintain airfield utility while considering surrounding airspace and ORF's critical design aircraft.
- To provide a safe, efficient southern vehicular access, on Airport property, to the Airport's terminal area.

The proposed project is needed to address the following four primary areas of deficiency at ORF:

- Runway 14/32 does not meet the FAA design standards discussed above for several reasons, including, but not limited to, the location of Robin Hood Road and Lake Whitehurst near the Runway 14 end.

- The current airfield configuration limits operational efficiency, safety and flexibility due to secondary runway length and challenges in taxiing from the airfield layout.

- Provide a flexible two-runway airfield system for aircraft operators and air traffic controllers. Incremental changes over time have severely decreased ORF's ability to remain flexible with increasing airspace conflicts from surrounding military facilities.

- Robin Hood Road, the secondary (southern) access to the Airport, has safety and functional deficiencies. Specifically, several curves in the on-airport section of Robin Hood Road can be improved through a redesign of the roadway.

#### FOR FURTHER INFORMATION CONTACT:

Marcus Brundage, Project Manager, Federal Aviation Administration, Washington Airports District Office, 23723 Air Freight Lane, Suite 210, Dulles, Virginia 20166.

Telephone (703) 661-1365.

**SUPPLEMENTARY INFORMATION:** The FAA, in consultation with the NAA, will prepare an EIS for the proposed project. The EIS will evaluate a range of alternatives to address FAA design standards for the secondary Runway 14/32. The alternatives to be considered will include the No Build Alternative and a variety of build alternatives, including NAA's proposed alternative as detailed in the 2008 Master Plan Update. The EIS would also evaluate any alternatives identified during the Scoping process to address the project need.

The FAA intends to use the preparation of this EIS to comply with Section 106 of the National Historic Preservation Act of 1966, as amended, Section 7 of the Endangered Species Act, and Section 404 of the Clean Water Act, and any other applicable laws that include public involvement requirements.

The FAA intends to conduct a Scoping process to gather input from all interested parties to help identify any issues of concern associated with the proposed project. In addition to this notice, Federal, state, and local agencies, that have legal jurisdiction and/or special expertise with respect to any potential environmental impacts associated with the proposed project, will be notified by letter of an Agency Scoping Meeting to be held on July 22, 2015 in Norfolk, Virginia.

The general public will be notified of the Scoping process through a legal notice, describing the proposed project. The Notice will be placed in
